this week. These games will  
run through April 29. The reg-  
ular season begins May 16.

Last Saturday Alpine Pony  
Leaguers played Lakeside at  
the new Alpine ball field. Al-  
pine won one game and lost  
the other.

Amidst the cry, "Play ball,"  
work continues on the field.  
The dugouts have been com-  
pleted except for painting.  
Work was also done on the  
restrooms and concession  
stand. Helping out this past  
weekend were Gene Wilcox,  
Larry Wilcox, Basil Spears,  
Gordon Gilroy, John Gilroy,  
Chet Brown, Cliff Wooldridge,  
Dick Brown, Jack Hoisted, and  
Tom Nichols.

Tickets are now on sale for  
the dedication barbecue to be  
held May 15 at the Youth  
center.

### MEETING DATE CHANGED

The V. F. W. Auxiliary will  
now met on the third Friday  
of each month at the V. F. W.  
Hall. This decision was made  
at the meeting held at the  
home of Mrs. Harold Johnson,  
Victoria Drive. Following the  
meeting Mrs. Donna Findell  
was honored by a surprise  
baby shower.

### THE SPIRIT ETERNAL

It is Spring and the breath  
of resurrected life stirs  
through all the earth. Orchard  
and field, mountain and valley,  
bird and beast, all respond to  
the quickening tempo and man  
breaths more deeply, loves  
more fervently and plans more  
hopefully than he is likely to  
do at any other time.

It is Easter too. A time that  
is symbolical not only of na-  
ture's awakening, but of some  
of the deepest feelings of the  
heart. All men to some degree  
are crucified; all men know  
something of despair, defeat  
and shame. There is not one  
but whom is deserted by his  
friends and left to face his  
problems alone. In everyone  
there is something of the re-  
surrection too, of hope reborn,  
of a renewed and more mature  
faith.

There is something divine in  
every man and the spark that  
is divine reaches out toward  
the infinite spirit sharing the  
truth that is common to all.

Spring and Easter are sym-  
bols of the eternal things that  
cannot be destroyed. Truth,  
though humbled a thousand  
times yet rises again to con-  
quer. One by one, though they  
be legion, the falsehoods and  
delusions pass away. Only the  
self-evident truth, the Spirit  
Eternal, the love unending  
endure; for these are the  
things of God.

Rev. Edgar S. Welty

Brent Goff, of Bakersfield,  
is visiting his grandparents,

son, of Thompson's Egg

ifornia at Berkeley to attend

trict chairman Mary Buck will

ing about the Girl Scout pro-  
gram is invited to come. This  
is a good opportunity for you

## PICNIC AREAS

Construction work on a road-side picnic area at Ellis Springs (near Viejas Honor Camp) on Hwy. 80 is continuing. A combined County Honor Camp and U. S. Forest Service crew installed three picnic tables, a garbage pit, and barrier material.

As a part of the nation-wide program known as Operation Outdoors, designed to rehabilitate and increase public recreation facilities, crews of the U. S. Forest Service are engaged in road betterment, table installation, and barrier construction at Burnt Rancheria and Laguna Campgrounds near Mt. Laguna. County Honor Camp crews are cooperating in this project also.

Office hours at Descanso Ranger Station are 8 A. M. -5 P. M., seven days a week.

## LONG TRIP-LONG DOG

Mr. and Mrs. Robert Anderson, of Duluth, Minnesota, came a long way to buy a long puppy. Having bought a pup from Miss Amanda Bauer when she sold dogs in Minnesota, they stopped to see her here in Alpine and bought a dachshound puppy from Miss Bauer. She will take the puppy to Duluth in May when it is big enough to leave its mother.

WHAT TO DO  
ABOUT COMPACTION  
by Calif. Assn. of Nurserymen

There's an old saying to the effect that you can't grow hair on a billiard ball. Nor, you might add, can one grow grass on cement. Which is just about the state of the adobe soils in some California gardens.

We'd bet a nickel that compacted soil causes more frustration to would-be Luther Burbanks than any single factor in California. And more's the pity when it's really so easy to remedy. A little work will go a long, long way toward increasing your pleasures with gardening.

Many gardeners who would improve their soils make the mistake of believing that simply turning it will do the trick. This, says the California Association of Nurserymen, is not enough. It takes but two or three soakings to return such soil to its original state of compaction.

If, however, you add humus to compacted soil when you turn it, improvement is marked. The more you add, the greater the improvement. Nutrients that were locked in by compaction are released. Plants begin to thrive.

What do you add? Well, three soil experts could give you you three answers and all be right. Manure is the classic humus builder and still one of the best. Peat moss is fine where an acid reaction is desired. Compost is fine and dandy, but how many of us take time to build compost these busy days?

The new commercial soil conditioners are fine for keeping soil in shape. Add these along with one of the humus builders mentioned above and you can't go wrong.

What the commercial preparations do is to keep the soil from returning to its com-

## POLIO SEASON BEGINS

April 1 marked the beginning of the "Polio Year" in San Diego County. This is the season when the poliomyelitis virus begins circulating more prolifically. It is the time the county's poliomyelitis cases normally begin to occur. Usually we do not see a substantial rise in the number of polio cases until June. This means that we have a very short period of time left in which to build up immunity against the crippling effects of this disease.

It is particularly important for youngsters under five years of age to begin their series of Salk vaccine inoculations at the earliest possible date. Last year 41.5 per cent of our paralytic polio cases were reported in children of this age group.

It is also important to remember that adults are susceptible to poliomyelitis. This month the county's second polio case occurred in a man of 49 years of age. He had not been immunized. His case is paralytic.

Persons not yet protected by Salk vaccine are urged to begin the full series of inoculations now.

Mrs. Clarence Stearns, of Alpine, is going to Sharp Memorial Hospital for an operation April 20th. Good luck, Inez.

packed condition after you have worked it over. Try it out on a soon-to-be-planted bed of annuals. Work over the area with a spading fork or shovel, breaking up the clods (soil should be moist, not wet, when you do this) and add your conditioner, working it into the top layer of soil. Set out your plants and then be prepared in coming weeks to view a miracle. You won't be disappointed, for a miracle is sure to follow.

**CAMPO NEWS**

by Fay Farris

Lt. Gilbert Serna and Mrs. Francese (Fran) Moretti were married on March 23 in Winterhaven, California. Mrs. Don (Tess) Smith was matron of honor. Mr. Serna is in the State Forestry Service and is connected with the Honor Camp in Lake Morena. The newlyweds are living in the South Dwelling on Buckman Springs Road near the Camp entrance. Best wishes are extended the happy couple.

Ina Mae Wordley, of Lake Morena, surprised all her friends by getting married on March 26th in Las Vegas to Larry Garst. He is the son of Earl and Fay Garst who are well known to the local square dancers. Mr. Garst installs floors. The couple will live in El Cajon.

Robert Logan, head of the Rancho del Campo Boys School has been transferred to San Diego, and will move as soon as convenient. Mr. Logan has a wife and three children, and we all regret losing them, but we are pleased that he has received this advancement, and we wish him the best.

Mr. and Mrs. Quinn have just returned from their vacation of about a month. They visited in Missouri and returned by way of Fresno where their daughter and family live. The daughter's name is Norris. Both Mr. Quinn and Mr. Norris are in the California Forestry Service, and Mr. Quinn is connected with the Honor Camp in Lake Morena.

The Lake Morena Woman's Club met on Tuesday evening at the home of Mrs. Alden Farris. Twelve were present including two new members, Hugh Smythe and Mrs. P. L. Moreland. Next meeting will be the annual birthday party to be held on Tuesday evening, May 3, at the home of Norma Molchan. There will be ex-

change of gifts, and the committee is planning an extra special evening.

The Mexican Canasta Club of Lake Morena met at the home of Phoebe Thompson on April 6, and the hostess was Dell Nielsen. There were three tables of cards, and special guests were Cora Russell and Louise Bassett. Also present were Marie Martin, Marie Lindemann, Jane Ham, Ardelle Craft, Gertrude Haskell, Shirley Evans, Alice Liggett, Phoebe Thompson, Fay Farris, and the hostess. Prizes were won by Ardell Craft, Marie Lindemann, and Phoebe Thompson.

The Mountain Empire Republican Women, Federated, held its spaghetti dinner on Thursday, April 7, and about 55 were present. The menu was spaghetti, green salad, garlic bread, coffee and cookies, and most everyone came back for seconds, as it was so good and there was plenty of food. After dinner the film "What I saw in Russia" was shown. This was a film on Vice President Richard Nixon's trip, and it was thoroughly enjoyed by all. Don Perkins, of Descanso, very kindly furnished the projector and operated same.

The Mountain Empire Masonic Club met on Friday evening, April 8, at the Pine Valley Club House for a de-

licious Swiss Steak dinner prepared by Mrs. Robert Looney. The tables were beautifully decorated with the Easter theme--bouquets of lilacs with yellow and purple crepe paper strips and Easter eggs. Cards were enjoyed after the dinner. The hostesses were Peggy Starr Mary Griswold, and Alice Clough.
