MEMORIAL

LET THE OTHERS ERECT THE MONU-MENTS; WIND, WEATHER AND TIME WILL WEAR THEM ALL AWAY. LET US BUILD A MORE FITTING MEMORIAL; A MEMORIAL OF THE SPIRIT IN WHICH WE LIVE AND OF THOSE THINGS THAT WE TEACH OUR CHILDREN.

LET IT BE INTANGIBLE YET STRONG, UNSEEN YET VIVIDLY REAL. A POWER IN THE COMMUNITY AND THROUGH-OUT THE WORLD THAT SHALL PROTECT AND PRESERVE THE HAPPINESS AND LIBERTY OF GENERATIONS YET UNBORN NOT ONLY FROM THE ASSAULTS OF TYRANTS AND DICTATORS WITHOUT, BUT FROM THE SLOW EROSION OF LAZINESS AND CORRUPTION WITHIN. LET IT BE SO REAL THAT A THOUSAND YEARS FROM TODAY THE FLAG MAY YET BRING PRIDE TO HAPPY HEARTS AND TEARS OF LONGING AND JOY TO PATRIOTS' EYES.

MEMORIAL DAY

The annual observance of Memorial Day increasingly benefits the living, while paying homage to the dead, it was pointed out by Crandall Condra, Legacy and Memorial chairman of the San Diego County Branch of the American Cancer Society.

He said that the Society receives a growing number of voluntary contributions each year in advance of the national holiday for support of its programs dedicated to the conquest of cancer.

"Such contributions not only honor the dead, but help provide extended life for many of those now living," Condra said.

Reviewing the background of annual Memorial Day observances he explained that the holiday had its origins in the Civil War. It arose from a Southern practice of decorating the graves of the Confederate dead on a specific day each year. The custom spread to the North, and after ting all those who had fallen in the war.

Today Memorial Day is celebrated in every state in the union and has come to be a day of commemoration for all dead.

Just as Memorial Day has increasingly taken on a broader commemorative meaning, so has the Society's memorial program grown, according to Condra. Memorial giving normally reaches its peak during the latter half of May. The custom of remembering loved ones in this way is becoming more widespread each year.

ALPINE CHURCH

"AN ADVENTURE IN CHRISTIAN WITNESS"

This title will be the keynote of the Fellowship Dinner being held this Friday by the Alpine Community Church. The purpose of this complimentary dinner is to bring together the members and friends of the church to discuss the urgent need for a new Christian Education Building. The dinner will be held in the Alpine School Auditorium at 7:00 PM on Friday, May 27th.

Mrs. John F. Manly, hostess chairman for the affair, reports that her twenty-one hostesses are phoning in reservations at an unbelievable rate. There were over 150 reservations when this article was written Monday evening. It is now certain that this will be the largest event in the entire life of the church. Mrs. Manly stressed that people who wish to attend must make a reservation since the dinner is being catered by a Chula Vista firm.

Master of ceremonies for the evening will be John R. Reynolds, Various church and community leaders will review the history of Alpine Community Church, explain the urgency of providing expanded Church School facilities, present our challenge in meeting this need, and explain how this program can be accomplished.

Dr. Roger Larson commented on the willing and gracious manner in which church members have accepted responsible, demanding positions of leadership. C. Donald Cost is serving as general chairman, Fred Rushing as special gifts chairman. John R. Reynolds as teams Chairman, Rennie Hollett and Elmer Cooke as division leaders and Mrs. Mary Benton as arrangements chairman. Mrs. Benton is being most secretive about the beautiful brochure that has been prepared and will be presented to those attending

The Campaign Workers will be commissioned to their task as a special part of the 11:00 A.M. worship service on Sunday, May 29th. They will be conse- Hages Bulk Pack half gal crated as instruments of God for leading others in "An Adventure in Christian Witness".

CAMPO NEWS

Norma Molchan's daughter Joanne and her fourteen month old son Tommy have been visiting her in Morena Village. Joane lives in Alhambra. She went to school at Mountain Empire and was a teacher in the Los Angeles area for several years. Her husband is also a teacher.

The Mexican Canasta Club met at the home of Mrs. Alden Farris in Lake Morena on Wednesday, May 18. The following were present: Ardelle Craft, Dell Nielsen, Marie Martin, Alice Liggett, Gwen Leach, Gertrude Haskell, Phoebe Thompson and the hostess. Prizes were won by Alice Liggett and Fay Farris.

About forty members and guests attended the tea at the Pine Valley Club House on Friday, May 20. The guests were members of the Jacumba Woman's Club, Homemakers Club, Lake Morena Woman's Club and friends of the members of the hosting club. Most everyone stayed for cards... bridge, canasta, Bolivia and Mexican canasta. The door prizes were won by the following: Nat Sylvester (who was the guest of Mary Kerns), Flora Skonberg, Edith McLaren, Shirley Evans and Nellie High. The main prize was a set of earrings and necklace made by Shirley Evans.

The next meeting of the Mountain Empire Woman's Club will be at the home of Nellie High in Descanso, where the San Diego Gas and Electric Company home economics department will give one of its demonstrations in cooking. The members are to bring their own lunch. Coffee will be furnished. This is always a happy affair and brings out a large attendance.

The news is now official that Jerry Thompson and Kitty Varner will be married on June 25, 1960. Further details will be announced later. Congratulations are extended to the happy couple.

The next meeting of the Mountain Empire Republican Woman, Federated, will be a breakfast at the Hobart House in Pine Valley, at 9:30 AM after which the members will go to the garden of the Sidney Starr home for the meeting. Eleanor Ring of Coronado will be the guest speaker. Her topic will be Precinct Work, Reservations will be necessary. Call Gertrude Haskell, president, GRanite 8-5454.

The annual barbecue of the Back Country Retired Service Men's Organization will be held at the Campo Lake on Sunday, May 29. There will be boating, fishing, dancing and games. Donation \$1.50 for adults and 75¢ for children 6 to 12 years

WE WON'T PRINT IT!

In several cases THE ECHO has not printed anything about some rather sensational local news. This was not because of an oversight. As we see it the small town weekly newspaper is a local suppliment to the metropolitan daily. We think that THE ECHO should include the type of local news that does not usually find its way into the dailies and we feel that it should be the kind of a cheerful town journal that is free from crime, violence and slander. We want to keep THE ECHO the kind of a constructive paper that will leave its readers with a happy feeling when they finish reading it and we would rather be conservative than noisy.

This is not an endeavor to avoid the truth for we will not hesitate to use our columns for any worthwhile cause, but as we see it petty meanness is not worthy of attention and the important crimes are given adequate publicity in the dailies.

Not one inch of our news space or editorial space is for sale. Whenever you see an editorial in this paper it is the sincere opinion of your editor. When you see a news story it is the facts as far as we know them. We will publish short news stories about those political candidates who carry advertising, but only if the material presented has some actual news value for the people of this locality.

We will not accept advertising for a product or service that we would be ashamed to personally recommend. For this reason we will not accept any advertising for liquors or tabaccos or for any establishment primarily devoted to dispensing such products. Your Editor Edgar S. Welty

of age. If you have never attended one of these barbecues you do not know what you have missed.

Congratulations to the girls of the Mountain Empire High School that defeated girls of the Ramona and Julian High Schools in the first Girls Track meet to be held in this area. It will probably be an annual affair from now on. Swimming was enjoyed after the meet in the newlyfilled Empire swimming pool.

About 1800 people attended the Bob Wilson Barbecue at Pine Valley Picnic Grounds on Sunday, May 15. It was a miserable day. Many more would have been there if it had not been for the bad weather. This is an annual affair and has always been held at the Roberts Ranchin Jamul Valley heretofore, and it seems the Weatherman always tries to spoil the day with rain.

Quick Punishment HELP'S

T. T. Crittenden states that he recommends Night Court and will set up a Night Court if elected in order to handle cases expeditiously and avoid delays of months

According to Crittenden it is not the sentence but the certainty that a penalty will be imposed for violations of law that deters the commission of unlawful acts. Therefore speedy trial followed by quick punishment is to be preferred.

or work abroad and students from foreign countries to come here to live and study. School and community work together in the program, with chairmen selected from among members of the community interested in the project.

El Capitan High has organized its AFS chapter, has applied for a student from South America, and is still waiting for the news about one. A community group under chairmanship of Dr. Sam Sloane, of Lakeside, is helping students with the organization.

Mt. Miguel High School has two students from abroad on campus as seniors the year, one from Japan and one from Italy. Helix High School students are looking forward to their first foreign student, Dietmar Schudlich, from Germany. Arriving late in August, Ditmar will live in the home of Lawrence Woodward, counselor at El Capitan. Since Helix is new to the program this year, no students will go abroad, for regulations are that a school must have had a student from abroad for a year before being eligible to send someone out.

Judge F. Joseph Doerr

Judge F. Joseph Doeer of the El Cajon Municipal Court reminds us that it is in the primary election on June 7 that the non-partisan offices are determined.

Judge Doerr graduated from Alpine Grammar School and lived here while attending Grossmont High School.

The Foothills section of the Bar Association, comprised of lawyers within the El Cajon Judicial District, recently endorsed Judge Doerr 36 to 1 over his opponent by secret ballot. The San Diego County Bar Association gave him 416 votes to 43 for his opponent. In both cases Judge Doerr received the greatest number of votes ever cast by those bar associations for a judge or a judicial candidate.

Gardener's Checklist

1. Keep after snails and slugs. The use of bait or pellets at intervals will keep your garden free from these pests. Any C. A. N. nurseryman can give you advice as to how to apply in areas to protect small children.

2. As blooms fade, keep picking them off. Allowing them to go to seed saps energy from the plant.

3. If you have problem spots where grass won't grow, groudn covers can enhance the beauty of your property. Consider them for banks or in areas that are difficult to reach with mower. Also, ground covers make an attractive living mulch.

4. With the promise of hotter weather, don't be stingy in applying a mulch. A

layer of two to three inches of manure, woodshavings or bark around the base of shrubs will conserve moisture and pay off in more luxuriant plant production. It keeps weeds out, too.

CHILDREN"S SUMMER PROJECT

For a summer vacation project for children, a vegetable garden can't be beat. Quick growing seed such as carrots, radishes and green onions are ideal, as enthusiasm won't wane before the seeds sprout above soil level. And let the pint-sized gardeners make some selections of their own. A vegetable garden of their own. A vegetable garden of their very own is educational and fun for smallfry. Besides, it keeps them gainfully occupied and performs miracles in tempting appetites.

CUBS FAMILY PICNIC

The Alpine Cub Scouts of Pack 350 will have their pack meeting on THURSDAY. this month so that it will not conflict in dates with the special dinner planned by their sponsor, the Alpine Community Church.

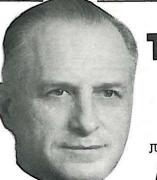

The Cub Scouts and their families will have a picnic dinner under the oaks at the Alpine Youth Center on Thursday, May 26, 6:30 P. M. They will have community singing and awards will be presented. The Webelos den is progressing well under the capable direction of Larry Boers. There is room now for more younger boys in the pack. If your son is at least eight years old, contact Cubmaster Ken Jerney. Or visit pack meeting Thursday night.
