## FLY CONTROL

The County Board of Supervisors will discuss recommended fly-control methods Tuesday, June 14, 2 P. M. There will be a free bus leaving the Alpine Women's Club parking lot at 12:30 that day, according to Ray Burkhart, local property owner. Mr. Burkhart and several other property owners are paying for the bus.

## ELECTION

WATER DISTRICT & JUDICIAL RESULTS  
In the local Alpine Heights Municipal Heights Water District election both incumbents won... Frank M. Wilson and Floyd Paul Lowe.

Incomplete returns show Judge Joe Doerr leading his opponent by a substantial margin. Returns from the five Alpine precincts were about six to one in favor of Judge Doerr.

## Vacation Bible School

Local children will again be fortunate this summer because Vacation Bible School will again be scheduled at the Alpine Community Church.

According to Edna Schaefer, director, there will be singing, Bible study, handicrafts and good times. The competent teaching staff includes the following adult teachers: Noreen Shepard, Wanita Gillett, Iris Wilson, Leona Wilcox, Carol Sue Wilcox, Jean Moore, and Phyllis Shepard. Junior helpers are Janie Woodall, Linda and Patty Wilson, and Phyllis Hickey. Leta Judd is in charge of recreation; Vi Hollett, refreshments; and Emily Manly, purchasing chairman, is assisting with transportation arrangements. Pianists are Beulah Ford, Marvin Chutor, and Janie Woodall.

There is no charge for Bible School. All children in the community are welcome. Plan to enroll your children on opening day. Refreshments will be served daily. Parents willing to send cookies may call Mrs. Hollett, HI 5-3189; or Mrs. Schaefer, HI 5-3126.

The Vacation Bible School will begin on Monday, June 20, and continue through Friday, July 1. It will be from 9 to 11:30 A. M., Mondays through Fridays. Children from four years of age through sixth grade students are eligible.

## P.T.A. Boards Honored

Mrs. Fred Kidder, out-going president of the Alpine P. T. A. entertained the out-going and in-coming boards with a luncheon at her home last Tuesday.

## Ellis Memorial

The Ellis Wayside Rest, a memorial to the Ellis family, on Viejas Grade, Highway 80, is becoming a beautiful place for family picnics. There are tables and restrooms available. Material and money have been donated for the improvements. Work has been done by the men of the U. S. Forestry Service and Viejas Honor

## Womens Club Installs

The Alpine Women's Club will have a potluck luncheon followed by installation of officers on Tuesday, June 14th. Mrs. Malcom Huey, mother of the incoming president, is offering her home for the occasion. Her home is on Tavern Road, one mile from Arnold Way, on the right side, the M. H. Huey Ranch.

Mrs. Harry A. Colby, will install the new officers. Eleanor Bratt is the new president.

## ALPINE CHURCH

### FINANCIAL CAMPAIGN PROGRESSES

The response of the members and friends of the Alpine Community Church to the campaign for a new educational building has been gratifying to the pastor and leaders of the church. Incomplete returns show more than \$21,000 pledged to the new building program, a figure which will rise as more people are contacted. In addition, the pledges for the operating expenses of the church were considerably increased. The above figure for the building fund compares with \$13,900 raised in the first campaign for the sanctuary building. The results of this canvas assure the building of a new Sunday School plant.

### BENEFIT THIS FRIDAY

Tomorrow evening, June 10, the Alpine Baseball Association will have a game night to raise funds for the ballpark expenses. Frances Caldwell is chairman, and Leona Wilcox will assist her. The party starts at 8 P. M. at the Youth Center.

There will be door prizes and free refreshments.

## Summer Youth Program

SUMMER PROGRAM AT  
ALPINE YOUTH CENTER

Register your children for the summer program at the Alpine Youth Center. Sign-up time will be Friday, June 17th, at the kick-off campfire, starting at 7 P.M. The children's playground area will be dedicated that evening. The fence surrounding the area and the playground equipment were purchased with money donated by Con-Trib Club of Convair. Local men have given many hours of work to the improvement of the Youth Center playground.

The summer program, under the direction of Robert Frederickson, Alpine Junior High School teacher, will offer four two-week sessions, running from Mondays through Thursdays. The two dollars (\$2.) per two week session charge will be used for daily milk, crafts, and program equipment. Actually this local program is only possible through the financial assistance of the United Fund.

On Mondays of each week the children will spend the day at Shady Rock Ranch enjoying swimming. First session begins on June 27th, at 10 A.M.

## Social Security

The social security benefits payable to a farm worker and his family in the future depend upon the amount of wages credited each year to the worker's personal social security account.

It is the farm employer's responsibility to file a social security report of the wages or any worker who is paid \$150. or more cash in a year, or who worked for him on twenty days or more during the year on a time basis. But it is up to the farm worker to see that his wages are being reported properly.

One way a farm worker can be certain his social security account is growing year by year is by making sure his employer has his correct social security number. He should also get in touch with the nearest social security office every three years in order to check the amount of wages being credited to his social security record.

If a worker has never had a social security number, or has lost it, he may get a new number or a duplicate of his old social security card by filling out an application at the nearest post office or social security office.

## WILL A MAN ROB GOD?

Being, for the most part, considered a God-fearing nation, our leaders have also recognized a man's responsibility to God. This is a just and legal responsibility to God according to our tax laws. Therefore, a man may make deductions according to his devotion to God. As Jesus once put it when he answered his critic, "Render unto Caesar the things which are Caesar's and unto God the things which are God's."

The Prophet Malachi put the question which we need to ask ourselves, "Will a man rob God? Yet ye have robbed me? But ye say, wherein have we robbed thee? In tithes and offerings." (Mal. 3:8) Many people do not accept the fact that they owe God anything. They are willing to take advantage of official recognition in tax deductions. The government says you may deduct that which belongs to God. We say, "It does not belong to God, therefore we will put it in our own pocket and deduct it also."

"Will a man rob God?" Yes, and his government, too.

**CAMPO NEWS**

BY FAY FARRIS

There were 42 members present, and several came from San Diego.

If you have not been down to the Lake in Morena this year you will be surprised at the improvements. Many new roads have been made right down to the lake, with lots of parking space. A special parking space at the Southwest end of the of the lake has been built for shore fish-

**MUSIC CAME TO ALPINE**

Yes, music came to Alpine last Friday evening when the Alpine school band and chorus and the El Capitan High School band presented an excellent program of music in the Alpine School auditorium.

Sherrie Clements won the Schwinn bicycle for selling the most tickets... \$65.50 worth. Mark Soper won second prize, a transistor radio... \$42.75 sold. Third prize, a record player, was won by Fred Kidder who sold \$28.00 worth of tickets. Five local merchants cooperated to purchase the bicycle.

Ticket sales netted \$344.51. There was also a cash donation of \$25.00 making a total of \$369.51 raised toward the purchase of band uniforms and choir robes. This figure does not include the proceeds raised from the P. T. A.'s bake sale. The final total will make a fine start on the fund. Thanks to the El Capitan Band for their splendid cooperation. Local members of El Capitan Band are Leaf Lessem, Ginger McElwain, and John Fox.

The holiday weekend was spoiled for the Starks and Bob Harris of Campo, when their boat and motor were damaged while for a fishing trip. The accident happened just outside Tijuana. Luckily noone was injured. Bob Harris suffered a face injury that same weekend while working in his shop, and he has been in the hospital. It is reported that he narrowly missed injuring his eye.

The Mountain Empire P. T. A. is selling tickets to the Fair at Del Mar at a special price---adults 75¢; children 25¢. The fair is not far off, so take advantage of these prices.

### Ditch Day

ALPINE JR. HIGH DITCH DAY  
Tomorrow the Alpine Junior High School  
eighth grade students will enjoy ditch day.

The school buses will take them to the  
La Mesa pool. They will take sack  
lunches. Also the Snack Bar at the pool  
will be open. Cost of the swim is 50¢.

EIGHTH GRADE BANQUET  
Alpine eighth graders will have their  
class banquet next Tuesday evening, 6:30  
P.M. in the school auditorium with the  
assistance of the Alpine P.T.A. There  
will be dancing and games afterwards.

Mr. and Mrs. Rennie Hollett, of The  
Willows, had company last week from  
Edmonton, Alberta, Canada. Mr. Hollett's  
sister and her husband, Mr. and Mrs. Aubrie  
Scully, were here.

IT'S NOT JUST OURS  
How often we hear the phrase, "It's my  
life to do with as I please." but it isn't.  
It's God's life allotted to us.

We have no assurance of one day, one  
hour, not even one minute. for we have  
no jurisdiction over the time element.  
Our part in God's scheme of life for us is  
to live each moment with full awareness  
of the privilege of all that is available to  
us. The things taken for granted, and often  
not even given a second thought, are God's  
great wonderful unfolding growth of the  
Spirit through everything around us.

The joy of our sight, the beauty of  
nature with perfect rhythm, the daily  
miracle of dawn, of sunset, and the loveliness  
of growth all around us.

The pleasure of sound Music the wind  
or the patter of rain The voices of our  
loved ones, and friends.

The sense of touch So much comfort in  
a handclasp, and did you ever feel the  
petals of a rose?

Perhaps more of the "earth earthy" is the  
sense of taste, but it can give such satisfaction  
to realize that with the things  
God has provided for us to eat and drink  
we have done our part in making palatable  
and appetizing nourishment for ourselves  
and others.

These five senses God has created within  
us and a recognition of their marvelous  
scope can bring about a full and broad  
existence.

Stop, look, and listen; become aware  
of God's presence, and be thankful that  
it is God's life in us, not just "ours"

The following thoughts were submitted  
to THE ECHO by Jennie Lane of Alpine:

### Chrysanthemums

SHOWY CHRYSANTHEMUMS  
No matter who wins the coming presi-  
dential election, magnificent chrysanthe-  
mums are sure candidates for fall garden  
supremacy. Because of their long lasting,  
gay flowers, mums are as much the people's  
choice for indoor arrangements as they are  
for out-of-doors.

The plants are easy to grow throughout  
California. Even when neglected, they  
usually produce flowers. However, with a  
little care, they bring to your garden a  
bold variety of colors from mid-July until  
Jack Frost tiptoes onto the scene. Colors  
range from shades of orange, yellow, red,  
purple, and bronze to delicate shades of  
pink and white. Your local member of the  
California Association of Nurserymen of-  
fers these colors in a variety of forms  
from small, round pompoms to individual  
four-inch decoratives. So amazingly wide  
is the variation of mums that every gar-  
dener can find a type to delight him.

Ten days to two weeks before planting,  
loosen the soil to a depth of six inches,  
breaking up all lumps. Then spade organic  
matter -- peat moss, compost or manure  
-- into the soil. Just before planting, turn  
over soil again to take care of any weeds.  
Dig a hole large enough to accomodate  
the plant. Water thoroughly, low-growing,  
bushy varieties should be placed 2 to 2 1/2  
feet apart. Don't crowd.

Plant chrysanthemums where they'll get  
sun at least two-thirds of the day, but  
afternoon shade in California's hot spots.  
Deep watering at intervals spaced accord-  
ing to soil structure is the rule. Placing  
a coarse mulch around the plants now  
will help keep moisture in this summer.  
water early in the day so leaves dry be-  
fore nightfall. (A preventive measure  
against fungus.) Stake plants to keep  
branches off the ground, if necessary.

When small-flowered varieties are 6 to  
8 inches high, pinch off light-green  
growth, or plants may develop spindly,  
weak stems. Disbud large-flowered mums  
every two weeks to concentrate growth in  
a few flowers.

Any way you look at it, the mum will  
give you maximum gardening pleasure.

Charles Logan, teacher at El Capitan  
is one of the new directors of the Gross-  
mont Union High School District Teachers'  
Association.

### Gardener's Checklist

by the California Assn. of Nurserymen  
1. Overhead sprinkling of roses, contrary  
to popular opinion, is beneficial in con-  
trolling many pests.  
2. June starts the period to put particular  
emphasis on deep-watering of lawns.  
Ample water spaced less frequently will  
do more to keep your grass green and  
vigorous than shallow daily waterings.  
3. Grow your own corsages! Glamorous  
gardenias are available in containers at  
C.A.N. nurseries. Their exquisite white  
blossoms exuding sweet fragrance will  
add to the delight of a summer's eve.  
4. For a longer harvest in the vegetable  
garden, make new sowing of carrots,

PAGE 7, ALPINE ECHO JUNE 9, 1960  
radishes, green onions, beets, squash and  
cucumbers.  
5. For a brilliant display of color and  
east of growth in full sun--geraniums and  
pelargoniums are hard to beat. If your  
garden needs a quick injection of color,  
buy them flowering in containers.

Vern Donohue, physics teacher at El  
Capitan, will attend a special graduate  
workshop this summer.
