ENGAGEMENT ANNOUNCED

Mr. and Mrs. William McDermott of El Cajon are announcing the engagement of their daughter Sandra Louise, to Bradley Romaine, son of Mr. and Mrs. Harry Jennings of Alpine. Sandra received her ring on Monday. Bradley is stationed with the forestry at Laguna, while Sandra attends El Cajon High School. No wedding date has been set.

COMMUNITY TEAMWORK

On October 12 Alpine business men organized a Chamber of Commerce adopted temporary bylaws, elected a temporary board of directors, voted to incorporate the new Chamber and to affiliate with the United States Chamber of Commerce, and contributed \$107.50 to provide a starting treasury.

All this happened at one meeting because almost everyone agreed that Alpine really needs an organization which will be open to all and where everyone can work together for the good of the town.

After introductory formalities talks about Chamber of Commerce program and problems were given by Chuck Farree, the manager of the El Cajon Chamber, Mr. Hildebrand of the U. S. Chamber of Commerce and ex-Mayor Hodge of National City.

Action followed in quick decisive steps. The temporary directors chose Paul Estep as temporary president; Corky Jones, temporary secretary, and Ed Welty, temporary treasurer. They voted to place the master copy of the temporary bylaws at the Alpine Hardware Store so that any interested business man or citizen could sign as a charter member.

Those who have signed since the meeting have also added to the treasury so that the new Chamber has now almost \$150.00.

YOU TOO ARE INVITED TO BE A CHARTER MEMBER! SIGN UP NOW!

It was also voted to hold the first board meeting at Sleepy Hollow Ranch on the evening of Thursday, October 20.

As the first duty of the Board is to complete the organization of the Chamber it is anticipated that incorporation papers will be signed, bylaws adopted and other steps taken to enlarge the Chamber membership and start an active program. The next general meeting will be called by the board when they have made sufficient progress to warrant calling the members.

ABOUT ALPINE

by CAROL WILCOX HI 5-2353

The movies held every Saturday night in Alpine are being moved from the Woman's Club to the Youth Center.

Mr. and Mrs. Larry Wilcox and family of Tavern Road have made a new addition to their family. He is "Pretzel," their little dachshund puppy. Today he is six weeks old.

Alpine students enjoyed a day off school on Monday, October 17, as Alpine teachers attended a conducted tour through the County Schools Service Center in San Diego. It is from this center that classroom teachers receive such services as library books, supplementary text books, testing services, audio visual equipment and films, and scores of other teaching aids.

CRAFT CORNER

by MRS. W. W. MILLER

This column for the next three months, October, November, and December, shall be devoted to Christmas ideas.

BATH SALTS: Divide 5 pounds of bath salts into small jars. Put in a few drops of food coloring and shake well. Add a few drops of perfume and let stand several weeks.

CANDLE HOLDERS: Paint the inner roll from adhesive tape holder. Let dry and bend up the front and back to form lips that will catch drippings. Tie red ribbon around the middle.

CANDLE HOLDERS: Roll a piece of clay until it is round and smooth. Press a candle in the soft clay and let dry slowly for about 24 hours. Smooth with sand paper and paint.

SNOWSTORM PAPERWEIGHTS: Take a round, glass jar, clean it thoroughly. Pour hot, melted paraffin into the jar cover. Set a small Christmas tree ornament or a religious figure in the paraffin. Let it harden. Fill the jar with clear water, add finely ground moth flakes. Screw the cap with the ornament on tight. Turn upside down and give a shake.

GLO-CANDLES: A tall pretty water glass, wick and paraffin. Tie a heavy brad or button on one end of the wick, lay a pencil across top of glass and tie other end of wick to it. This is to keep the wick straight. Melt paraffin and color with wax crayons as desired. Pour the paraffin into glass. Paraffin will shrink when cool so more paraffin may be added.

CORK PIN: Cut small cork in half. Glue sequins on curved surface; attach bead to bottom of each cork with straight pin. Make ribbon bow. Place bow and cut surface of corks on cardboard and cut piece same shape. Glue to cardboard. Attach pin back to other side.

One of the best things to have up your sleeve is a funny bone.

Gardener's Checklist

by the California Assn. of Nurserymen

1. Plant plenty of spring bulbs in pots and other containers to provide your garden with portable color.
2. Keep leaves raked up as they fall. It's not only easier, it makes the garden more pleasant to live in during fall.
3. Look around your area for signs of fall color and plan to plant the best of it in your own garden for next year.
4. Don't uproot dahlias until the tops have died back. Like most bulbs, they store energy from the fading top growth.
5. Evergreen shrubs and trees planted now take advantage of winter rains and establish themselves more fully. In the spring, they are ready for a good growth.
