FACTS ABOUT WATER

SEVERAL QUESTIONS CONTINUE TO BE ASKED ABOUT THE WATER PLAN AND SOME MISUNDERSTANDINGS HAVE DEVELOPED. THEREFORE THE CITIZENS WATER BOND COMMITTEE OFFERS THE FOLLOWING "CORRECT" ANSWERS:

QUESTION: Who will pay the cost of bringing water?

ANSWER: The costs of the plan will be paid by almost every person in the entire district from Flinn Springs to Eastern Alpine.

QUESTION: In what ways will the people of this area pay?

ANSWER: All the people who own property will be taxed to pay interest and principal on the bonds.

QUESTION: Will everyone pay the same?

ANSWER: The tax rate will be the same throughout the entire district. Of course, those who own the most valuable property will pay the most taxes.

QUESTION: In what other ways will people pay?

ANSWER: All who CONNECT to the mains will pay a connection fee. As explained before the connection fee will be slightly higher at the highest elevation and lowest in the low elevations near Flinn Springs. (from \$435. to \$465.)

QUESTION: Does everyone have to pay a connection fee?

ANSWER: Everyone pays a connection fee WHEN he connects, not UNTIL he does connect.

QUESTION: Will I pay the same connection fee as my neighbor who owns more land than I do?

ANSWER: Yes. Within the same area all connection fees are the same regardless of the size of the lot or acreage.

QUESTION: Why is the connection fee the same for everyone?

ANSWER: In mountainous areas like Alpine most households use about the same amount of water although some people have much more land than others.

QUESTION: But what if my neighbor uses more water than I do?

ANSWER: Each person pays for the water that passes through his meter. If you use only a little your water bill will be little; if you use more water your bill will be more.

NO PLAN IS PERFECT BUT

**THIS WATER PLAN IS FAIR TO ALL!
THIS WATER PLAN IS REASONABLE
THIS WATER PLAN MUST PASS**

We want all our neighbors to know that the garage which we have been building during the last six months is now ready for business.

With the completion of our rest room facilities and final approval of the County Inspectors we have now been able to have our power line connected so that we can operate our grinders, arc welders, wheel balancing and other machinery.

WE NOW HAVE COMPLETE GARAGE FACILITIES INCLUDING OUR NEW TOW CAR.

Watch us grow. Our next project will be filling the big hole in front of our garage. After that we expect to expand the garage building.

REMEMBER --- WE HAVE TO TREAT YOU RIGHT. WE OWN OUR OWN GARAGE AND EXPECT TO BE IN BUSINESS HERE FOR A LONG TIME.
