THE TIME IS NOW

The Summer of 1961 will probably be the last during which Alpine will be the sleepy little village that we now know. By next summer water will be here, financing will be easier, growth and building will be rapid, newcomers will be plentiful and new businesses will be opening. Besides the coming of water, the freeway will be complete through El Cajon so that Alpiners can drive to San

Diego without a single stop sign or traffic light.

The new growth will mean a new set of problems and a new set of leaders. If Alpine is wise efforts will be made to keep the growth orderly and some planning must be done to develop adequate shopping facilities so that more money will stay in Alpine. We suggest that the time for action is Now.

YOU CAN BE PROUD

To the 30 Committeemen and Women of the Citizens Water Bond Election Campaign Committee whose names appeared in a previous issue of this paper, who gave unstintingly of their time and unselfishly of their efforts; to Clarke Irvine who for the past ten years worked unceasingly to convince the people of the importance of water for Alpine, who gave many hundred inches of space in the SUN to accomplish this fact, which is now a reality. He, too, can be proud.

To Ed Welty and the ECHO for his many hours of help with our layouts, and in many other ways too numerous to mention and in covering all the areas of our district. To George Butcher, my co-chairman, who was personally responsible for originating and organizing the ideas and mechanics which resulted in a successful conclusion, and his many hours of help to me in making the policy, etc., for this campaign.

To Auren Pierce, my finance chairman, who raised the funds to pay our advertising bills. To Al Adams and his board, and Gene Freeland, manager of the Alpine Heights Municipal Water District, who held many public

meetings so the people would rightfully understand the many questions and problems and who in the final analysis consummated the deal which brought water to Alpine. To Paul Estep, president, and his board of the Alpine Chamber of Commerce who endorsed our efforts and for the personal help each rendered. The new Alpine Chamber deserves the support of every resident of Alpine and I am hopeful this will be done wholeheartedly as it is our only legal steering organization.

To the chairmen of the other areas in our district: Raymond Scruggs and Eugene Bottomer of Mountain Top; John Willson and H. D. Conaway of Dehesa; Robert Farrankop of Harbison Canyon; Ellis Crane of Flinn Springs and Russell Crane of the Fletcher interests. Without their diligent efforts the job could not have been accomplished.

Finally to Charles Price, president, and his board of Rio San Diego Municipal Water District and their engineers who gave us 100% cooperation. And to many others too numerous to mention as space does not allow.

To each of you my sincere thanks and I am proud to have had the privilege of being chairmen of such a swell group of guys and gals who brought this campaign to a successful conclusion.

Sincerely,
Cecil Lewinson, Chairman
Citizens Water Bond Election
Campaign Committee.

ALPINE WOMAN'S CLUB
The next meeting of the Alpine Woman's Club will be April 11th at 2 P. M. at the Club House.

This will be a Federation Day program with a Reciprocity Tea. Hostesses for the day are Mmes. Markus Schaefer, Harry A. Colby, Willard Hayes, and Jean McCullough, music for the program.

The Jennings pups are ready for some nice homes. They have two females and one male. If you are interested in a nice German shepherd, call HI 5-3188.

Lorraine Cota, El Capitan senior, has recorded for Columbia Records. She composed and sang, "There is Someone". She was backed by the Serviellas. Just think--someday I may be able to say, "I knew her when..."

I hope everyone had a wonderful time at the Kiwanis breakfast on Easter Sunday. It was a successful day for the Alpine Kiwanis.

Keep in mind the barbecue on April 30. It is being sponsored by the Alpine Youth Center, Fire Department, and Eastern San Diego County Junior Fair. It will run from 12 noon to 5 P.M. at the Alpine Youth Center. There will be entertainment and \$50.00 worth of door prizes. Adults will be admitted for \$1.50 and children under 12 for 75¢. by JACKIE WELTY

Stranger: You did me a favor ten years ago and I've never forgotten.
Man: Well, well! So now I suppose you've come to repay me.
Stranger: No, I've just hit town again and I need another favor.
Teacher: And what is the name of your father?

Little Girl: Daddy.

Teacher: No, I mean his name.

What does your mother call him?

Little Girl: My mother don't call him nothin'; she likes him.

Jean: We have a new dog.

Joan: Spitz?

Jean: No, but he drools a little.

Repeat three times quickly. Six thick sticks stuck Stephen.

RIDDLES:

1. How do movie stars manage to keep cool?
2. What is it that passes in front of the sun, but casts no shadow?
3. What makes the Tower of Pisa lean?
4. What goes through the door, but never goes in or out?

memberships. A small Easter celebration followed. On April 7, they will exemplify their work for the Lakeside Masons. The Masons will then give a party in honor of the girls.

P. 6, ALPINE ECHO, April 6, 1961 VISIT YOUR NAVY

Every Saturday and Sunday two Navy ships are open for public visiting at the foot of Broadway in downtown San Diego. The types vary from weekend to weekend so that a visitor has a chance to tour all kinds of Navy ships, including aircraft carriers, destroyers, submarines, amphibious ships, cargo ships and others.

The following ships will be open this Saturday and Sunday, April 8 and 9, from 1 to 4 P.M.: USS Spinax, submarine, and USS Arnold J. Isbell, destroyer.

EDITOR'S NOTE: For your touring pleasure we will plan to publish weekly which Navy ships are open the coming weekend. ESW.

THINKING CAP TIME: Kathie had a tape measure 36 inches long. Every day she cut off an inch and put it in a little box on her dresser. How many days did it take Kathie to cut up the tape measure completely into one-inch pieces?

ANSWERS:
1. By having so many fans.

2. The wind.

3. It never eats.

4. A key hole.

Gardener's Checklist

- by Calif. Assn. of Nurserymen
1. Feed azaleas and camellias with an acid fertilizer after they have gone out of bloom.
 2. Start a hanging basket of fuchsias for summer bloom. Two or three small plants can be put in one large container.
 3. Pinching out the terminal growth of newly planted annuals will result in bushier plants, more bloom.
 4. Vegetables should be started for summer harvest. Many of them are available as seedlings for easy transplanting to your garden.
 5. Spray roses for invading insects and for mildew. Remember that an ounce of prevention is worth a pound of cure.

SPAGHETTI DINNER

There will be a spaghetti dinner Monday, April 10, at Rios School, 6-7 P.M. with Mrs. Edward Mundy and Mrs. Harry Lozier, chairmen.

The dinner will be followed by a Town Meeting with the candidates for the Cajon Valley School Board as guest speakers at 7:30 P.M.
