The Yardener who yearns for vegetables from his garden all summer long should make his preparations first from his desk or easy chair.

Plan crop plantings and bear this in mind: never follow a root crop, (beets or carrots for example), with another root crop. Follow with a leaf crop (lettuce-endive), or other above-ground crops.

INDEPENDENCE
 Tuesday, July 4th, is Independence Day and most Americans will fly flags and try to celebrate the day in some way. Unfortunately too many will think of it as just another holiday. Many will sleep late, have some kind of fun, or do some long-delayed task around the house. Perhaps some of us will watch the fireworks and unfortunately some will use poor judgment and get themselves or someone else into trouble.

Too few of us will remember the reason for the holiday and even fewer will trouble themselves to give thanks for our American heritage or rejoice in their knowledge of the treasurer that is ours. Even fewer are those who will rededicate themselves to the task of bringing to greater fulfillment the American dream of a society where every man can be confident of justice, of equality before the law, of opportunity to work for his own happiness without unjust discrimination, and where every man can expect respect for his person, his property, and his liberty both by his fellowman and by the state.

We are accustomed to hearing about our material advantages. We all know that the American standard of living is the best in the world. Most of us know that this high material standard is made possible by the liberties and institutions that our forefathers developed for us at the cost of their labor, blood, and tears. Although we all know that our country is not perfect, I believe that when we take the time to think of it most of us are genuinely thankful for all that is ours.

But this is not everything. If America is to keep what is hers, we must move forward. Like a boat man in a swift stream we can never relax our efforts lest

the constant change and challenge of time sweep away all we have gained. We still have with us many who do not have a fair opportunity. We still have laws that are not always just and courts that are slow and costly. We still know hate and fear, selfishness and greed. The task is unfinished. The challenge awaits. Ours is the burden and ours is the opportunity. If our country and our time are to go on to greater and better ideals, to finer standards, it will be because we have put eager hearts and hands to the task that lies ahead. Let us thank God for the opportunity and attack the future with confidence and enthusiasm.

CANYON NEWS

HARBISON CANYON NEWS by LUCY M. CONNELL - HI 5-3118

Have you heard the song, "John Brown had a Little Indian"? Monday, June 19th, there were lots of them running around Spur Valley. The Cub Scout Pack meeting was held out in the open with twenty one well simulated very young Indian warriors really whooping it up. Awards were presented to a number of boys as well as an award to a former den mother who received her just acknowledgment which she earned too long ago. Virginia Hettinger, Route 1, Alpine, kept up her Cub Scout den even when there was no longer a Cubmaster or a committee to give her a helping hand. Not many of us would put ourselves out to that extent for a bunch of little boys. Our hats are off to you, Virginia.

Each den put on a skit using the Indian theme for which there was lots of applause and laughter. Refreshments were served at the end of the meeting which everyone must have enjoyed.

Wednesday was the last meeting of the Harbison Canyon Ladies Missionary Sewing Group. The ladies enjoyed a potluck dinner. Rev. and Mrs. French were presented with a quilt which the ladies had made. The Community Church is an asset to our whole Canyon.

Bill Hopkins was seriously injured in a freak accident Saturday, June 17 while trying to do some work on one of his properties on Almyra. He was hit with a skip-loader that he didn't see coming nor did the driver even know he had hit, until he turned around. Bill is confined in Navy Hospital where he will be for about three months. He has a compound fractured leg and arm. I'm sure he will enjoy seeing any of his many friends who can get up to see him. June Thirteenth the children of

P. 9, June 29, 1961

Room One at Harbison Canyon were entertained at Ghost Town through the courtesy of Hank Smith and his associates. Each child brought his or her own lunch which was so much more enjoyable eaten under the trees than in a classroom.

The Harbison Canyon Community Church Daily Vacation Bible School is being held this week in the mornings through the 30th. They are having music, handicraft, stories and refreshments. A welcome is extended to all school age children to participate in this fine venture.

So far I have two names to submit to the oldest society. Mrs. Phillip Stein and Mrs. Dorothy Baker. I hope to get a complete history of these two by next issue as well as supply a little more information about our community. We do have a history and I'm trying to get it dug up. Did you know the original Harbison House is still here?

The Teenage Dance was held Saturday night at the Community Hall with a good time had by all. Heard one of the married couples remark that they had more fun with the kids than they did with the ones their own age. Youth has a lot of advantages, but darn it, we can't stay young forever.

Children are out of school for the summer and we all need to give it some thought. All boys and girls need certain things planned for them that are constructive as well as fun. Every child should be expected to do certain chores around the house without expecting pay. They will feel better for it and we can have that much more time to do something with them. Plan some time with your children this summer. Even a lunch in the park can be an event for them as well as you parents.

will be held at the Community Hall July 3rd, 7:30 pm. The Harbison Canyon Volunteer Fire Department is sponsoring the dance which will feature a four-piece band. Better get your tickets early so you are sure to not miss the fun.

CAMPO NEWS

by FAY FARRIS-GR 8-5396

Roi Wooley, president of the International Fire Chief's Association, and associate editor of the Fire Engineering Magazine published in New York, will speak on the subject of fires in the home and matter relating to all types of fires at the Pine Valley Community Club House at 7:30 p. m. on Saturday, July 8. Everyone is welcome.

The Square Dance Fiesta held at Balboa Park in San Diego June 16, 17, 18 was a big success. Those attending from Mt. Whirlers in Campo were Mr. and Mrs. Wm. Wordley, Bee Boyd and Fay Farris. They were there on Saturday, June 17. There was dancing in several buildings and on a boardwalk in the open. There was a grand march on the boardwalk and adult exhibitions in the Ford Bowl from 8:30 to 10 p. m. The exhibitions were beautiful.

The Mexican Canasta Club met at the home of Marie Lindemann in Campo on Wednesday, June 21, and the following were present: Marie Martin, Ardelle Craft, Phoebe Thompson, Jane Ham, Gertrude Haskell, Helen Smyth, Fay Farris and the hostess. Prizes were won by Marie Lindemann and Marie Martin.

Marci Andrews of Rancho del Campo returned on Sunday, June 18 from her visit to Michigan to attend the wedding of her son, David. She had been gone for about a month.

The Rancho del Campo staff held a Scotch Ball Twosome Golf Tournament on their golf course on Sunday, June 11. The contestants were paired off in twosomes consisting of one with a high handicap and one with a low handicap, and each partner alternated shots. Andy Zuelner and Paul Andrews were winners of the tournament, and balls were won by the

P. 10, June 29, 1961

following: Bee Boyd and Dean Matthes for two birdies, Andy Zuelner for being closest to the pin on #9, and balls were given for the shortest shot off #9 tee, and for the highest score.

The Homemakers Club held a potluck picnic in one of the parks in Laguna Mountains on Thursday, June 22, and 15 members were present, including the son of Babe Johnson, Bob Turner, his wife and three children from Fallbrook. The food was delicious, and they had a lovely time visiting and enjoying the cool breezes.

The Paul Morelands who live on Cedar Street in Lake Morena have been enjoying houseguests from the Los Angeles area. They are his sister, her husband and three children.

Ted and Lorene Stone were awakened early Thursday morning to find that their home was on fire. Mrs. Stone's mother, Mrs. Minnie Howell, 85, resided with her, and she was burned to death. It seems she returned to her room after her daughter had taken her from the dwelling. Mrs. Stone tried to reach her a second time, but was driven back by the flames. Understand none of their belongings were saved.

Mr. and Mrs. David Lindemann were in Anaheim a few days last week to attend the graduation of one of their grandsons. He received a car for his graduation present from his parents.

Eighty people attended the reception for Bonnie and Stephen Gallegos at Looney's Dining Room at Cameron Corners on Saturday evening, June 17. The food consisted of delicious sandwiches, chicken salad, jello salad, relishes, beautiful tiered cake made by Mary Robertson, and punch. Dancing was enjoyed after the food was served.
