## Buying at Home is a Genuine Bargain!

It is no secret that many back country people go to El Cajon and San Diego to shop. Now we have no argument against milady wanting to dress up and go to town for items that are unobtainable up here. But we do feel sorry for those who drive down just to buy groceries that are stocked right here at home.

But, they argue, we can save money. Then they mention some items for which they may pay a few cents more here. Some are week-end specials, yes, but for the most part, Alpine and other mountain merchants come pretty close to city prices. Moreover, we have found it more pleasant to deal with our friendly local neighbors, which amounts to something.

Now when one figures operating a car, even to El Cajon, a minimum of 30 miles, at the lowest cost of 5¢ a mile, you must add \$1.50 to your total spent. Does that offset these special prices? No. Besides, today when one enters any highway, he risks his life, and that is worth more than a few cents saved! Yes, it is indeed a bargain to buy here at home. Help make this a better community! As Fall approaches and school begins, homemakers like to take a close look at the nutritious family meals that will be required. So to help you plan interesting and new hearty menus, we will focus the attention of our cooking schools this month on casseroles.

"Compose a Casserole" is the title for the program scheduled Tuesday, Sept. 8 from 12:30 to 2 p.m. in the "Gracious Living Center" in San Diego Gas & Electric Company's Eastern District Office at 104 North Johnson Street in El Cajon. The program will be repeated Tuesday, Sept. 29, from 10 a.m. til noon.

We'll prepare hearty dishes like Chuck Wagon Beef Casserole and Corned Beef Deluxe casserole. The latter uses potatoes and white sauce. We'll do a Vegetable Casserole using squash and cheese and wine and prepare a Chicken Tortilla Casserole. If you don't like hot sauce, you can substitute cream of mushroom soup with the chicken and tortillas. Among the elaborate casseroles will be Company Wild Rice using beef and pork cubes and we'll do a Crab Parisienne that is delicious. Join us, won't you, for two hours of fun. There'll be door prizes and, of course, admission is free.

## TOP TALK

By Cynthia Irvine

One week of vacation left and then back to good old El Cap. Where has the summer gone we are all wondering but it has been fun anyway. I spent last week at my cousin's going to the beach and having a ball.

Our horseshow August 25th was well attended and our club wants to thank Melva Riley for being the judge and Alice Villa for being the announcer. I took high point with Joann Villa and Celeste Irvine running second. Trophies were also won by Ellen Hood, Linda Moxey, Nancy Sockwell and Susie Parsons.

Thursday night daddy's sister and husband came down from LA to get our second cousin Dolores Guardia. She spent half the summer with us and we had a good time. She has to return to Reno to get ready for school as it starts the 8th.

Betsy McCall got home from Italy Tuesday and is a senior at El Cap this year. She spent nearly a year there visiting her aunt and cousins.

Mr. Barrett is building a

beautiful barn in his pasture and it looks just beautiful. He bought the house on the corner of Tavern and South Grade Road where Marilee Penny used to live.

Carl Bredesen came down last week and we all went over to see her. She is going to stay here this year and go to school at Gtossmont.

The Harbison Canyon Fiesta was really something to see. Our Pequeno Riding Club was asked to ride in it and so Alice Villa and Mama got together and made a big banner for us to carry. Maxine Kinikin and I held it and we really were proud. These members followed us: JoAnn Villa, Cecile and Celeste Irvine; Trudy Arndt; Dolores Guardia; Lynn Kinikin; Susie Parsons; Nancy Sockwell; Margaret Radford; Ellen Hood, Lynn and Linda Moxey, Linda Rushing and Libby Wake.

We were supposed to leave by 7:30 but had to wait for some of the kids so we missed the breakfast but we had a whole lot of fun anyway and hope we get invited next year.

The best news of all this week is that I got to buy one of Melva Riley's registered colts out of Poco Paul Day. Mama and Alice Villa put up a fence in our corral so I could keep her away from the barbed wire and then Mr. Mac came over and helped put up the electric fence so our other horses wouldn't knock it down. Larry Cox helped me dig some holes and he also helped move those heavy bathtubs we keep in there to feed them their grain. I sure want to thank everyone for all they did and now the rest is up to me. I have had her on the longe line already and she is going to be a wonderful little mare.

## DOUBLE TALK

By Cecile & Celeste Irvine

Our cousin Trudy Arndt, who has been spending half the summer with us, has to go home tomorrow and we hate to see her go. We have had a lot of fun together and as we are keeping her horse down here know she will be back soon. Christmas vacation might be a good time I'd say.

Pam Weisbach's little French poodle Moe was picked up by someone a few weeks ago and all the kids missed him so much. Pam and Sharon Beck were riding and came across a female boxer that was real skinny so they took her home and fed her up. Sharon's mother wouldn't let her keep her and Pam's mother said no at first but later when they found out what a nice dog she was she let them keep her. She had a license tag and they called but so far no one has come by to claim her and they are all happy now.

Joyce King gave us two baby kittens and they are the cutest things to watch. They have long fur and are orange and white. Duke likes to rough them up but they must like it as they don't run away too much.

Does anyone want a white female kitten with one blue eye

and one brown? Terry Bowles mother has one she wants to find a good home for. Her number is 445-3825 and it is so cute.

Tomy Judd came to our horse-show last Tuesday and wants to become a member of our Pequeno Riding Club. He has a beautiful new quarter horse mare and will come to our next meeting which will be sometime next week. Cynthia wasn't at home this past week so we couldn't have it on the 1st.

There is a big fun show at Pine Valley Sunday Sept. 27th and we hope we can get our horses up there to attend. Everyone that shows gets to attend the barbecue, free too.

We went shopping with Mama Friday and when we got home Alice Villa told us the sad news about Norman Foster. We all liked him so much and really feel for Steve and his little sister Cathy.

A TEXAS zillionaire drove his air-conditioned car to New York one time. On his approach to the George Washington bridge he got into a hassle with the gatekeeper about the 50-cent toll to cross the bridge.

"Son," he drawled, "I never carry anything less than a \$500 bill. How much do you all want for the bridge?"

ANNA RHINEHART, INSTRUCTOR IN EQUITATION FROM MCCALL'S RANCH SCHOOL, CAME DOWN TO WATCH PEQUENOS PERFORM. SHE FORMERLY WAS A PROFESSIONAL IN BIG SHOWS. IS WELL LIKED BY ALL YOUNG HORSELOVERS AROUND HERE.

### MCCALL RANCH SCHOOL

Starting on Sept. 14th, the McCall Ranch School will enter its 20th years of service to the community. Students will begin arriving on the 13th. Word from the school is that they are expecting a fine year.

Three vet bodies and three local cafes plus some individuals made it possible for Bert Fuller, service officer, to purchase a fine wheelchair for Bill Bishop, army veteran at Alpine Convalescent Center. ## REUNION VIA HAM RADIO

The other day Joe LaPointe, of WB6ERL, Alpine, an amateur radio station on Hwy 80, who lives with his brother John, gave the Sun a ring and said there was an old friend of Editor Irvine's on the air from San Pedro, had asked Joe if he knew Irvine who used to be in Hollywood. So he put the pair together on the air and they enjoyed quite a reunion.

The old friend was Al Goodyear, who had joined the Pacific Trailer Club which Irvine, with several trailerites, had organized back in the early 40's at Hollywood. It was the first trailer group in the west, second in the US, is still flourishing.

Goodyear, retired, and an ardent trailerite, is also a ham radioist, operating station W6ERL in San Pedro, said he had heard Irvine's radio program Early Days in Hollywood on XEMO so tried to contact some ham here, which turned out successfully.

## Back from Air Trip

Making 2200 miles in less than two days, Al Smith, Alpine realtor, who is assistant manager at Gillespie Field, Clarke Irvine, and John Satterfield, who is studying under Smith for an airline pilot's license, are back from an air trip to Lewiston, Idaho, where they picked up Wm. Houghton, owner of Valley Health Foods, in EC, who had driven there on vacation with his family.

Smith, Satterfield and Irvine, nearing 72, is one of the oldest pilots around, rotated duties at the wheel and navigation on the route which took them to Reno for the first night, thence north and down the Snake and Columbia Rivers, then to Eugene, Ore., to fuel, and on to Oakland for the night, arriving at Gillespie the next afternoon.

They logged 14 hours of flight in the Beechcraft Bonanza, which belongs to Skypals Flying Club of EC, of which Smith is vice-president. It was Houghton's first flight in a light plane and he says he enjoyed it immensely. Smith was Irvine's instructor.

## TIE VOTE ON ZONING

San Diego (CNS)- County Supervisors will receive the zoning request of Dr. John S. Campbell without a recommendation from the Planning Commission. The vote was 3 to 3.

Campbell's request had been made so the proposed medical dental building, located at Hwy 80 and So. Grade Road, could be put to other uses.

## ABANDONED PETS

Well-meaning people, unable to place their unwanted pets with neighbors, decide to give the animals a 'fighting chance' They take them far from home and let them out of the car. The animal tries in vain to catch up with his 'family' as the car speeds off. Most of these animals die from starvation, exposure, under the wheels of a car, or possibly from a broken heart. A simple answer to a serious problem; Take unwanted animals to the Humane Society in SD.
