The Revs. Bruce Compton and Donald Helseth officiated at the funeral, with burial in Memory Lawn Memorial Park. Mr. Bergfeld, native of Steelville, Ill., was employed by the Hendrickson Produce Co. He was a member of the Morningside Presbyterian Church and the Teamsters' Union Local 83, also served on the board of Desert Mission.

### OK FWY ROUTE EASTWARD

At a cost of \$2,800,000 more, but with a 20-year user savings of nearly \$8½ million, the highway commission adopted a new route for the freeway from 0.6 mile west of Japatul Valley Road, and 1.1 mile west of Laguna Jct.

This is part of the new 27.1 mile routing between Greenfield Dr. in EC. and Laguna Jct. It is 1.8 miles shorter, with better grades and more sunlight to prevent icing. Total cost is \$14- million.

It's like having a supermarket in your kitchen when you own a modern freezer or one of the new refrigerator-freezers.

For helpful hints on freezing, you are invited to attend my cooking schools this month. Entitled "Freeze Yourself Some Spare Time", the programs will be presented August 12 & 24 at 10 a. m. They will be held in the air conditioned Gracious Living Center of SDG&E's Eastern District Office at 104 North Johnson Street in El Cajon.

At our first meeting---"Be Meals Ahead"--- we will demonstrate the preparation of foods that can be taken from the freezer for quick finishing when your guests arrive. We'll also show you how to adapt your own favorite recipes for easy freezer preparation; how to wrap food, store it and various freezing times, defrosting rules and general informative hints. Our second school, "Entertaining Made Easy", covers all types of appetizers, canapes, open-face sandwiches, fruit salads, cookies cakes, jams, and jellies.

Please plan on attending. We have lots of freezer "know how" and many exciting recipes to share with you. Admission, as always, is free and you have an opportunity to win one of our door prizes. I'll look forward to seeing you there.

## No Glenview Ramp is Big Inconvenience

A lot of people in El Cajon, Lakeside and Alpine are being put to a small hardship and merchants in the Glenview area are suffering because someone in Washington apparently does not understand the situation on the new freeway which bypasses Glenview and Los Coches Road, main artery to Lakeside.

For many years-- since stagecoach days-- Los Coches Road has been the

only route from Hwy 80 to Lakeside and with the coming of the freeway, no provision was made for an interchange, although a bridge and roads were put in.

R. H. Plummer, owner of Glenview Supply Co., whose family came here in 1932, and he has operated the business for 17 years, says it has been the main route to Lakeside and many are disappointed that they have been cut off.

Wednesday District Highway Engineer Jacob Dekema told the Sun "I recommended it, but it is up to the U. S. Bureau of Public Roads to pay for it".

Now an informal committee is working to start action through county supervisors and state legislators to recommend this oversight be remedied as soon as possible. -CI

### Kin Meet After 53 Years!

Cdr. Bert Fuller, USN retd. of Hwy 80, Willows, has just had one of those rare experiences in human emotion that few ever know.

For 20 years, since he was a POW in the Philippines and headed a guerilla company, he had thought his mother and father dead.

Then Friday he had a call from a man in SD.

"Are you the Bert Fuller that used to live in Donovan, Mo.?" he asked.

"I sure am", replied Bert.

"And was your nickname Deb?" the man asked.

"Yes, but how did you know that?" asked Fuller.

"Well, kid," he said, "I'm Ralph Peterson, your cousin-- my mother was

### O'BRIENS BACK FROM SIERRAS

Mr. and Mrs. Ed O'Brien, the Highlands, are back home and all rested after a delightful two weeks spent at Pine Crest in the High Sierras, East of Sonora. They took their camper and little dog Patsy with them and fished and just took it easy.

While they were away Mr. and Mrs. Vernon Rood and Gordon Wilson took care of the flowers and looked after the ranch.

Mr. and Mrs. Homer Hinds granddaughter Mary Ann Brushaber is in Pittsburgh with her 9 months old son James, visiting her husband's family. Robert was sent to Germand and she may follow him.

your mother's sister, and we played together as boys back home, how are you?"

For a moment Fuller could hardly answer, then there was a lot of quick talk on kinfolk, places, happenings.

"I saw your mother a couple weeks ago, she's in St. Louis, and your dad is over in Springfield" Peterson told him.

Fuller could hardly answer--"But I thought they were both dead, I had written many letter, but all came back marked 'Deceased'", he said.

The cousin assured him they were well and doing fine. With his wife he drove out to visit their daughter Mrs. Mattie Moore, 9057 Willow Grove, Santee, and another daughter in SD. He is the sheriff in Donovan.

"By Nov. 1, I'll be back in the Ozarks to visit my parents", Fuller declares, "and to do a lot of fishing and hunting and see Cousin Ralph who works his 500-acre farm. I know I'm going to enjoy it".

Bert deserves that vacation for he's worked hard as service officer for the VFW and Veterans of WW1.

## Horse Talk

By Cynthia Irvine

I got home last Friday from Redondo Beach and I had a wonderful time but I was so glad to get home. When I got out of the car my German shepherd dog Chris was so excited he didn't know what to do. He jumped around and I was that glad to see him, too.

Sunday Marcie Hem and Denise Hauenstein rode back from Los Cabillos and came down the hiking and riding trail through Viejas Reservation. They had spent several days there and it rained 1½ inches from the recent storm we had. They all got soaked but had a good time anyway. Mrs. Hauenstein drove up with their things and her dad went up one night to be with them. They made the trip up in 6½ hours which was real good traveling time.

Mrs. Betty Kuphaldt has been working out two colts but says "neither one

is ready to ride yet.

Linda Rushing is riding Cathy Casey's mare April Dawn in some of the classes at the horseshow tomorrow. Linda can't get a horse till they know how much of their land the freeway is going to take. Then they will put up a corral and she will get a horse.

Susie Parson's horse Lolita picked up a nail last week and after it was removed it got infected. She limped so bad Ron Riley came over and fixed her up because Dr. Immenschuh wasn't home but he came the next day and packed it so she is ok now. Susie said she really limped for a few days.

Mark Parsons still has his mare Gypsy for sale. She is nice and gentle and will make someone a fine riding and trail horse.

Mr. Mac's little Shetland pony Pepper is down at Doug Fordyce's for a little while. Mr. Mac wants to go on a vacation and so put him there.

The Sweatlands operated Green Gates now Stallion Oaks Ranch for a few years and are well known in this area.

## They Sell Seafood to Mt. Empire Folk

People of the back country who come to EC to shop are fast learning that this pleasant couple, Manuel and Alicia Serna, really know their fish, for they operate Valley Fish Mart near N. Magnolia in the EC Shopping Center, opposite De Falco Market. Both were born in Mexico of ancestors that

came direct from old Spain. They are very interesting to talk with, specially if you know a few words of Spanish-- as everyone in the Southland should--in order to better fraternize with America's friendly neighbors to the South.

The Sernas came here six months ago from the Imperial Valley, now make their home in EC at 1293 Exeter St. which they like very much. Their spotless little shop reflects their policy of "fresh fish daily", which includes all species of shell fish in season, Domestic and imported cheeses are also carried. (They started advertising in the Sun today-- see back page).

Mr. and Mrs. W.J. McDermott are entertaining their daughter, Mrs. James Parson of Bakersfield, and her three children, Tina, 5, Brian, 3 and Deanna 1½. They plan on staying until September or longer if possible.

## MR. MOYA LOSES FATHER

Mr. and Mrs. Manuel G. Moya, 1866 Tavern Road, returned from a wonderful vacation visiting relatives in Globe, Ariz. They were home one week when they received word that her husband's father Angel Moya, 80, had passed away suddenly. They left their children with her mother, Dolores Riveroll in SD, and returned to Globe for the funeral. She said "we were so happy to have seen him well and active although it was quite a shock to receive word of his passing".

Mr. and Mrs. J.W. Clarke just received word from his brother Warren and wife Verna that they are enjoying the NY World's Fair and that is is "just fabulous". They live in Hawaii and are touring the US in their campster before returning to their home state sometime in October.

**Rio Water Use Up**

At fiscal year's end, there were 870 meters on the lines of Rio SD MWD, reports Ed Howser, manager. Average was 840, an increase over 1964. This is for Alpine and Flinn Springs. Heaviest user was the Daley Corp., builder of the freeway.

Average per meter was about 130,000 gallons which showed an average cost of \$5.80 a month, billing being bi-monthly at \$11.60, or nearly \$70. for the year.

Of course, he pointed out, many homes use the smaller total, but where irrigation is made, costs are more. Any way one looks at it, water service is paying off for it eliminates pumping cost, well deepening, repairs, new equipment and so on, plus no more trouble.
