He says "the poverty among these people is unbelievable and anything Alpine cares to donate will be so appreciated". He personally will see that all clothing will be shipped to these unfortunate folks. Many Alpine parishoners have pledged their monitary support but "the need is great" he says and anything will be accepted.

## Starlight Opera Completing 21 Years.

Last night the third musical production, "Tom Sawyer", opened at San Diego's famous Starlight Opera in Balboa Bowl, and the successful season closes Sept. 1 through 11 with "South Pacific", rounding out 21 years of entertainment for county theatre lovers.

Perhaps we take too many fine attractions around San Diego for granted, although we do enjoy them. First we are blessed with a most salubrious all-year climate. There is the great Zoo, Sea World, the Star of India, Pt. Loma Lighthouse, Balboa Park and its cultural offerings, plus all the fine things the city has to give residents and tourists.

But the perennial entertainment offered by Starlight, is one that all should appreciate, the fine music by Leib and the orchestra, with Mrs.

Pauline Gleason Leib at the piano. Direction is by Wm. J. Adams, and there is always a fine cast from the stars down to the chorus, dancers and extras.

So we congratulate the founders and executives of the San Diego Civic Light Opera Assn., including its current president, Mrs. Lauren C. Post. We are mighty proud of this splendid project. -C-

### TWO ALPINERS FROM HOSPITAL

Two local women are home from EC Valley Hospital where they occupied the same room for x-rays, tests and examinations. They are Mrs. Hap Garvin, 1593 South Grade Road, whose husband is manager of the body shop at Hatch Chevrolet in EC, and Mrs. Jim King, whose husband is painter,

Mrs. Garvin must remain in bed another week, and be inactive for two to three months due to disc trouble in her spine. She was in traction at the hospital for two weeks. Garvin's mother, Mrs. Blanche Cook, is here from Buena Park to take care of her. They have lived here since Oct. 1 last year when they bought the Ed Weber place.

### THOMPSONS HAVE NICE TRIP

Mr. & Mrs. W.E. Thompson, he's the builder on Hwy 80, are back in their camper from Green Lake, Ariz. at 9200 feet elevation where they enjoyed good fishing on the three lakes "We had a fine time hiking and fishing" he says, "and it rained every day but one."

### VIEJAS DAYS WERE FINE

The 5th annual Viejas Days put on by the chamber of commerce at the YC field was quite a success, reports President Fred Rushing who said "We were well pleased with the whole affair, it all ran so smoothly with no problems, all workers did fine".

They had a few more spectators than last year, he added, Saturday being ahead, but Sunday fell a bit shy. Only one award went to a local rider, Lisa Pierce, a first for bareback,

## LOW SPENDING, LOW TAXES

A small but interested audience was in attendance at the Town Council meeting Friday night in Fuller Hall when W.H. Thompson, chief, realty division, county assessor's office, gave an enlightening discourse on why valuation here is so high. President Ben Polak was in the chair. No business session was held as the entire evening was devoted to this most interesting subject.

Briefly Thompson pointed out, with explanations, that county spending makes taxes-- in short, if money was not needed for things, assessments could be lower-- so start at the spending source to lower taxes. "If you could do that" he said, "you've got your tax problem licked".

Note- Alpine taxes will be high for some time due to paying off the water district, the rate being \$2.54, metro district, .31 and county water authority .21, plus the high county rate of \$2.38 which includes the big item for welfare, supporting people that should be working, and illegitimate children. -Ed.

#### SHADYROCK CLOSES

Due to Mike Heuslein, one of the owners, being offered a good position he couldn't turn down, Joe Fox and Mike have given up their connection with the picnic ranch. Monday was their last day and at presstime it wasn't learned what was being planned for the popular grounds.

A LIVELY family reunion was enjoyed by Mr. and Mrs. Robt. Kinsman, 2820 So. Grade Rd., when their son St. Sgt. Kenneth Elder flew in from Japan and his wife drove out from Brunswick, Ga. with their five children. In Cynthia's photo, back row, their daughter, Carol Dodd holding baby Kieth, Mrs. Elder, Mrs. Kinsman, son Kenneth and Mr. Kinsman seated. ## Horse Talk

By Cynthia Irvine

The gymkhana show tomorrow has really created a lot of interest in Alpine these past few days and more kids are practicing at the ring on the ball park. Alpine needs a public ring so all of the kids here can have a place to practice and work their horses. It would make it nice if the Chamber would let it remain standing. The proposed 4H ring doesn't have enough space and there isn't any other location available. Frank Sortino told us Tuesday night that he didn't mind if it stayed, as he could still have ball games there and only move a part of the fencing during games. Sure hope it can be worked out. Our ring is fine but it is too small for gymkhana events, so when Pequeno Riders have a show we have to eliminate any long distance competition.

Howard Barrett is going to Texas the 16th to pick up Wilma Peters' horse and also to visit relatives there.

Monday afternoon Robert Fey called Daddy and said a man from Missouri had some Shetland ponies he wanted to sell before returning home so we rushed over and bought a pinto mare in foal and a black gelding. They are beautiful and we hope to keep the mare but have the gelding up for sale. I am almost sure he has been broken to the harness. I called Bob Smith as he has Mr. Mac's cart and we are going to see if he has been trained.

Anna Rhinehart sent us a nice card from Fallon, Nevada on their way to Echo, Oregon. She says "we have had a hot trip, 105 to 110 all the way but is beautiful country and we will arrive home tomorrow. Hope your Daddy's arm is better. Say hello to all. (She was riding instructor at McCall's Ranch School for 5 years.)

Mrs. Vera Duggan bought a 12 year old mare for her five year old daughter DeeDee. They were looking for a nice gentle horse and we hope this works out for her.

April Earickson has her 2 year old strawberry roan for sale. She left with her mother and brother Friday for Willowcreek and left the horse with Vickers to sell. The saddle, bridle and martingale goes with him. The Vickers are living in their home for a year so if you are interested go and see him.

Wednesday Eileen Dun, Nancy Rader and I met at Nancy's home and discussed plans for Pequeno Riders. We are having a breakfast ride Aug. 20 starting from Pierce's ring at 7:30. Mrs. Rader and Mrs. Dun will fix the breakfast and it will cost 75¢. We also planned a swim party at Eileen Dun's home on Aug. 27th and a horse show Sept. 3rd.

Alicia Barrett, daughter of Mr. and Mrs. Howard Barrett flew down from Davis for a few days rest, returned to take a position in the Registrar's office. She finished her summer school course, will graduate next year, is a home economics major. Alicia will be here in Alpine a few weeks before the fall semester.

**SHETLAND** ponies purchased by Cynthia Irvine Wednesday are fine animals. Pinto is in foal while black gelding is 5 year old well trained pony, is for sale. Man brought them out from Missouri on order and before he arrived man died so sale fell through.

Some self-styled experts remind us of the bottom half of a double boiler. They let off a lot of steam but don't know what's cooking.

### TWO NEW FAMILIES MOVE HERE

C. D. Reed from Phoenix has just rented the Cinnamon duplex on Rock Terrace Dr. while Mrs. Rhonena Roach and her husband of Alpine have taken the other side, reports Mrs. Charlene Brown, of Brown Realty here.

## NO BURNING SEASON IS HERE

The Alpine Local Fire District repeats its warning that high fire hazard weather is here and will be for some months and that it is against the code to burn without a permit. Even an incinerator must be inspected for an annual permit.

Incinerator burning hours are from 6 pm to 6 am DST, and when back on standard time, 5 pm to 7 am, so watch carefully, they say.

Mr. and Mrs. Maurice Frey are back from a one day trip to LA where they went to visit their daughter Carol and husband Frank Mazurek. Seh said "was a long day but after I rested up, felt fine". The Freys left for Oregon City, Oregon Wednesday to spend several months visiting their son Ralph, his wife Wanda and two children Dinkie and Ginney, former Alpiners.

## BEER CAN WRECKS PICKUP

THIS PHOTO by Cynthia, made at 2 a.m. Saturday in front of Kuhl Woodcraft Shop, 925 Hwy 80, shows the demolition of a pickup driven by Chas. Krugle, jr., 488 Patricia Lane, in El Cajon.

According to the CHP, he was taken to jail on a charge of drunken driving. Officer W.J. Richardson was on the scene. The man was speeding up the highway, crashed into the loaded tailgate of a huge van driven by Lynn R. Hanley, Bloomington, Ill. He had his wife with him, was doing about 20 miles an hour when he saw the truck lights overhauling him, then heard the crash and a grating noise as the pickup slithered along the side of the big van. He was able to proceed east after the wreck was removed by Lutz garage. No one was injured.

Mr. and Mrs. Max Kinikin, Eltinge Dr., entertained 25 members of Crest Community Church Friday night at their home. A lively discussion of church affairs was enjoyed by all.

## DOUBLE TALK

By Cecile & Celeste Irvine

Jerry Mosier has been spending all summer in Florida with Norman and Grace Buchmiller. He has been deep sea fishing, visited the Cape and just had a wonderful vacation. His mother expects him home around Sept. 5th.

Dawy Byers attended the horse show Saturday with her dad as he drove over from Yuma to attend and also to take her back with him. She won two ribbons in the western division on Mr. Barrett's gelding Bar Mack.

Sunday night we saw Mr. Roberts (El Cap drama teacher) in "Kiss Me, Kate" and he was so good. We enjoyed the whole show and wanted to go back stage after the performance but they were tearing down the set and wouldn't let anyone in. He did see us down in the front row and knew we were there. Our cousins Betsy and Trudy were as thrilled over the show as we were.

Joyce Erickson is in Michigan working for the senator from Colorado for the summer. She returns to Denver

### Snake Bites Canyon Girl

Friday evening while Cindy Jones, 7, was playing with her brother, Ambrose, 10, in the yard at their home, 865 St. George Dr., Harbison Canyon, she somehow was bitten on the left leg, but apparently did not realize it.

Her brother alerted the mother who found a small rattler, killed it with a hoe, discovered fang marks, so started for an EC hospital with the child. When she got to Interstate 8 she met a CHP officer who rushed the girl to the hospital. She was treated, released next day.

Note- Unless you happen to step on, or get near a rattler, it will usually endeavor to escape. Children should be advised never to get near, or try to pick up any snake. -Ed.

### MAKING TV CENSUS OF US

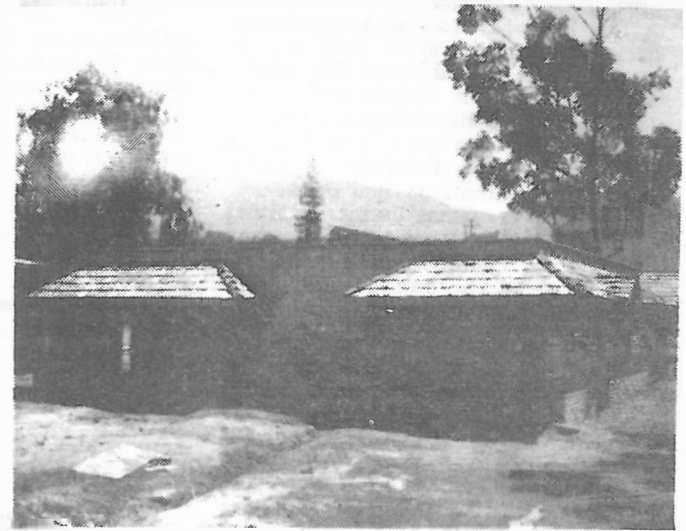

Census Bureau interviewers with US ID cards may visit Alpine and other county areas, part of a national TV survey to find out how many sets, plain or color, are in each home, and if they are able to receive ultra-high frequency waves. Information is being taken from selected households in 357 sample areas of the US, says L.C. Isley, director of the LA regional office.

State in the fall but is enjoying a nice trip and getting paid for it at the same time.

Mary Hollywood invited my cousins and Celeste and myself to spend a few days at her beach home in Del Mar. We were thrilled and left Wednesday. She promised to take us all to the races one day and we are looking forward to that.

Celeste was so excited last Saturday when she went down to Dr. Kindy and got her contact lens. He told her she couldn't swim and ride when she had it on but anything else was ok and she is so thrilled. Now she doesn't have to wear glasses ever again.

NEARLY READY for occupancy is this attractive new building which is being built by Martin and Mary Lacko to house her Alpine's Apparel Shop, soon to move from 2249 Hwy 80 to this corner store. Two smaller rooms will be rented. It is just west of the Woman's Club. Schrock Const. Co., of SD is completing inside work, with painting

and trimming to be done. This is the third new structure for downtown Alpine, the Rexall store recently opened and the Alpine Apartments now about filled.

### 5 Apartments are Rented

Mrs. Charlene Brown of Brown Realty, 2237 Hwy 80, has been busy renting the new Alpine apartments lately. Miss Cora Waters of SD has moved into Apt. F, a nice upstairs unit with fine view. From Boulevard came Mr. and Mrs. C.C. Hill, now in Apt. D. Another Boulevardite, Mrs. Mary A. Shipp, took Apt. C, while the Donn Griswolds of Alpine have occupied Apt. E.

Mr. and Mrs. Harvey Moore, who recently sold their home here, are now comfortable in the roomy 2- bed room Apt. A.

## GYMKHANA SHOW TOMORROW

Interest and excitement has been building up for the big gymkhana show in the Viejas Days ring at Otto Field, starting tomorrow at 8:30.

Fred Rushing, C of C prexy says "sure hope this is a success as we can make it an annual event that all Alpine children can compete in and enjoy." Barney Barnett is ringmaster, Hazel Foster, Jean Danzl and Mrs. Barney Barnett will be in the ticket booth. Timers are Sam Rash, Vick Vickers and Barney.

Cub and boy Scouts are having a snoco concession, the 4-H the coke bar and other organizations will have food.

"Mrs. Frank Scully has organized the show, gotten sponsors and toiled several weeks to work out the details, is to be commended for the fine job she has done" says Fred Rushing.

This is an open show and entree fees are 50¢ so everyone is welcome.

## USED CLOTHING NEEDED HERE

Word from Alpine Convalescent Center is that many older folks who have no families, or needy ones, are badly in need of castoff clothes or trousers, dresses, underwear and other items for both men and women. So why not make up a bundle and leave at the center, 2121 Hwy 80?

MANDY JONES was reluctant to give her age to the census taker. She asked, "Did the Hill sisters next door give their ages?"

"No," he replied, "they did not."

"Well," she said, "I'm the same age as they."

So he wrote: "As old as the Hills."

## Economy up Says Security

M. Ross Mallette, manager, Alpine Branch, Security First National Bank, reports that their research office shows Southland's economic activity advanced to an all-time high during July, breaking free of a 2-month decline.

Greatest strength was in department stores, he said, but bank debits eased slightly, and both realty and building continued to decline. Employment was up. Southland metropolitan unemployment averaged 4.6% of the local labor force in June while the national average was 4.0%, down 4.7% from a year ago.

The house has been occupied by Wm. Robell and his family till they left here on June 28. The power had been turned on by the owner, who spent last summer here with her son Hudson. Presently she is on vacation in Las Vegas. She has owned it about a year. It had two bedrooms, 2 baths and a pool.

Monday a sheriff's arson squad and officers of the State Division of Forestry at Flinn Springs were investigating, reported that the blaze apparently started from defective wiring.

Mr. and Mrs. Earl Billings of Wintergardens and Mr. and Mrs. James Adams of El Cajon drove up Sunday to visit Miss Ruth Burdett and brought her home-grown peaches from their own trees. Both couples are long-time friends of Miss Burdett.

## Starlight's Third Play

Last evening a unique old-fashioned family picnic with a lot of fun and entertainment ushered in opening night for Starlight Opera's third play of the season, "Tom Sawyer". It was on the green around the foreign-land cottages opposite the puppet theatre.

Touring the picnic ground and singing songs from this year's four musicals were players who take part, accompanied by Mrs. Pauline Gleason Leib, wife of the musical director. The fun lasted till just before curtain time at 8:30.

"Tom Sawyer", will be on Aug. 11 through 21, and the closing production is "South Pacific", Sept. 1-11.

### POWER PLANT AIDS DESALTING

SD Gas & Electric officials believe that operation of a test facility at its South Bay Power Plant, will provide valuable information for possible future coupling of seawater conversion units with existing and future power plants. Ground was broken Wednesday for it. Cost will be \$1,985,000.

Working with the US, a test facility will be operating early next year which could yield a million gallons a day. Company engineers have been working on the idea for several years which could save considerable on the cost.

Robert Bibbs, husband of Pat who is the nurse helping Muriel Bowius while she is convalescing from an accident, celebrated his 65th birthday at Muriel's home last week-end.

"I EAT grapes all day long," said the worried man to the psychiatrist.

"So what?" demanded the psychiatrist. "Lots of people eat grapes."

Retorted the patient, "Off the wall-paper?"
