Open Beauty Shop End Water Tax

Martin and Mary Lacko who are completing a 3-shop building at 2144 Hwy 80, adjoining the Woman's club on the west, have just given a 3-year lease to Paul & Norean Hair Stylists. They now operate one at 4054 Adams in the Kensington district of SD. It is owned by Paul and Norean Helder who will move sometime after Sept. 10, when the structure is completed.

Mrs. Lacko who runs Mary's Alpine Apparel Shop, will move from its present location to the new building at that time. The remaining shop is being considered and will soon be rented, she believes.

Engineer-manager Ed Howser of Rio SD MWD reports that taxpayers in Annex No. 3-- Alpine, Harbison Canyon and the southerly two-thirds of the district, are to get a break this year. The 16¢ annexation fee they have been paying off during the last five years is now clear, so this item will not be on tax bills this year.

Tax rate for the district generally is 20¢ on the \$100. Howser adds that Rio's assessed value is up 2.42% this fiscal year over 1965-66, now being \$40,306,070, was \$39,351,820 before.

Alpine can be proud of the many parents who donated their time to help make Saturday's gymkhana show a tremendous success. Here are five who spent the day there. (L to R) Mrs. Vickers, husband Vic, Barney Barnett, Doris Scully and June Sortino.

Lake Jennings Open

Alpine and the back country now has one more fine recreation spot, Lake Jennings above Johnstown, off Interstate 8 at the Lake Jennings Interchange. It was opened Monday for camping.

It IS Smart to get in Debt if it Pays!

How many times have we said "I wish I'd gone in debt a long time ago for the swimming pool, we enjoy it so much". Or for an added bedroom or the fireplace, or the paneling for the living room, or what have you.

Many folks are frugal, saving, hard working, and pay bills on time, strive to keep out of debt. Now we wish we had been a bit different, for today we are all enjoying a gorgeous Blue Haven Pool.

Our consensus is that it would have paid off handsomely had we put it in when we first came to live here in 1949 with baby Cynthia.

Last year we finally put in a welcome fireplace, and this spring we paneled the living room. But we cannot achieve all things and all improvements at once.

But the pool-- ah, that is paying dividends in health, fun and comfort these warm days-- it is a lifesaver and a wonderful healthbuilder.

The one that swims the most is yours truly. As I am usually up between 5 and 6:30, I take a half hour hike over our hilltop, down the other side then up the steepest part. When I get back I have a good sweat going, then a cold shower and into the pool. Then a breakfast on fruit, and into the day's tasks which I do enjoy.

Wasn't it Emerson who said "Blessed is the man that has found his work"? Over 65 years ago I found mine, in my Dad's newspaper office, and I still love it!

So, young people, save your money, but don't be too prudent! - CI.

RICHARDSON BACK FROM FRANCE

Jas. Richardson, former Alpiner, son of the late Mrs. Margaret Walsh, sister of Mrs. Agnes McGuffie, with his German wife Ingrid and their two youngsters, Susie and Andre, spent a few days here last week. He is in the USAF, now stationed in Denver, just back from France.

"My nephew enjoyed his visit but did not get to see as many of his old friends as he'd have liked to" Agnes said.

Treasures in Words

Truly in vain is salvation hoped for from the hills, and from the multitude of mountains; truly in the Lord our God is the salvation of Israel. Jeremiah 3: 23.

Balloonist to Return Here

Tracy Barnes, that intrepid aeronaut who battled to get his hotair balloon to the east coast from Coronado, will return to Alpine for the coming air Show slated for Sept. 17-18 at Brown Field, reveals his friend Wm. James Allen, also a balloonist. He recently moved into the Kuphaldt house as he bought part of their ranch on Japatul Road.

He has already moved furniture in and is getting settled, plans to have his balloon ready in a short time. He already has part of the gondola and some equipment but is waiting for the huge bag.

Jamie and Carol Smith, son and daughter-in-law of Mr. and Mrs. T. Aburey Smith, is here from Norman, Okla. for summer vacation. Jamie is a pharmaceutical student at the U of Oklahoma, presently working for Alpine Rexall, returns in September for fall semester. His parents will drive with them far as Sholow, Arizona to visit their property there, then return to Alpine after a few days of rest.

Perfect health is above gold, and a sound body above all riches.

A.P. SUTTON

Graveside service for Arnold Paul Sutton, 53, of 2636 Hwy 80, (the former Kidder place), was Saturday in Alpine Cemetery. Paris mortuary was in charge. He died Thursday in a LM hospital. He had been with General Dynamics for 26 years, had lived in the county for 30 years.

Survivors, besides the widow Bertha; three daughters, JoAnn 15; Shirley Sue, 10, and Betty Lou, 8.

SUBSTITUTE PASTOR AT CHURCH

BAPTIST CHURCH TO REST HERE

This site, corner Arnold Way & Tavern Road, recently bought through Anna Jerney of Alpine Realty Co., was once the Alpine Trailer Park, long since closed. The First Baptist Church of Alpine will be moved here any minute now. It is coming down from its location, shown on next page, now on

E. Victoria Dr., to make room for the new freeway.

Fred Rushing has just finished grading. The residence was moved back of the service building which will be retained as such.

Mrs. Max Kinikin, Eltinge Drive, is hobbling around on a black and blue big toe she sustained after bumping into a door stop. At first she thought it was broken but is able to get around on it much better.

CHURCH READY TO TRAVEL

Here is the building that housed the Baptists for several years, cut into three sections ready to be rolled down to its new location. This will be a nice addition to the main section of the town, and a decided improvement for this corner where the Tavern Road Interchange will come off

Interstate 8, the new freeway.

Note- We'd like to see someone buy the old Tavern property on the opposite corner and restore that once popular place, which was known all over the country. -Ed

Tomorrow our Pequeno Riders are having a breakfast ride leaving Pierce's ring at 7:30 am. Everyone is welcome. The breakfast is 75¢ for members, \$1. for others. Mrs. Dun and Mrs. Rader will have a breakfast of hotcakes and bacon ready when we get back and it should be lots of fun. Please phone our president Eileen Dun, at 445-3793 and make reservations.

Because Labor Day week-end was the date set for our show we have to change it, will discuss a better time at our next meeting, to be called after the ride tomorrow.

Here is a wonderful chance for someone in Alpine to buy a nice Palomino mare and her 2-year old sorrel colt for a good price. BBQ for Stallion Oaks

Ed Torgersen, genial owner and host up at Stallion Oaks Ranch, Boulder Creek Road, says they are planning a big barbecue for Labor Day, Sept. 5.

This week final inspection is being made on the pool and improvements recently put in, then the place will be open to the general public. They have riding, hiking and dancing, with cabins and meals.

Torgersen, an advertising executive of LA, is opening an office on Wilcox Street in Hollywood where he will display photos of the ranch made by the Sun, with an attractive wood art sign by Ben Montijo of Glenview, who produces many attractive rustic signs for this area.

"Saturday last we had our first birthday for the dance hall and western bar" says Torgersen, "and had the largest attendance on record, with many from LA".

ested.

Mr. Barrett came home Monday from a 2-day ride with the Imperial Valley Sheriff's Posse. He is a member of the Yuma County organization, goes every year on the 2-day ride.

Laurie McGrath has her registered quarter gelding for sale for \$1500 and last year he was all around Grand Champion. He is out of Crown Prince and Mary Mischief and a beautiful animal. She also has Ginger, her quarter mare for \$500, and her 2-year old sorrel colt for \$200. She is selling all of their horses and horse trailers as she has other interests.

Eileen Dun was practicing in the C of C ring last week for the gymkhana show when her horse Rita slipped and she fell against the post. She cut a gash in her head that had to have seven stitches. She still wasn't feeling good so didn't ride in the show Saturday.

BINGO PARTY TONIGHT

Prizes, fun and excitement are in store for everyone attending the bingo party tonight in the Youth Center starting at 7:30. All money goes to the Alpine Pop Warner football team to help defray the cost of equipment.

In charge of the affair is Mr. and Mrs. Frank Sortino who have taken over Alpine's enthusiastic boys and to date have signed up 30 youngsters. The party will be outside of the YC so everyone can count on being cool, and cost of card is 25¢. Sortino urges all to "come on out and help support our youth".

ALPINERS VISIT ART SHOW

Helen Ellsberg and Ruth DeLong spent last Sunday in Laguna attending the annual Art Festival going in a group trip.

"The exhibit was simply wonderful" Mrs. Ellsberg says, "and we thoroughly enjoyed it. Only thing marring the trip was an accident on the freeway which killed four and tied up traffic for 20 miles".

Mr. and Mrs. Karasik, owners of Tasty Bakeshop in EC, are on a vacation to Carmel, left their son Jimmy in charge of the popular bakery that serves Alpine and the back country. Their daughter Judy went with them.

NASH SEDAN lying in ruins at bottom on embankment on Hwy 80 across from Alpine Oaks Mobil Estates. Owner Lewis B. Warner was lucky, only sustained broken arm and bruises in accident Saturday noon.

PLACE BACK FROM VACATION

A fortnight of rest from his arduous duties in the postoffice was enjoyed by Richard Place, his wife Dolly and their two children. They went in the camper to Saline Valley, which parallels the Owens River Valley at 1000 ft. elevation "We went 85 miles on a dirt road" he says "without passing a soul. But we saw a herd of 25 or more pinto burros, wild little rascals, too".

5 Escape in Head-on

At 11 a. m. Saturday on Hwy 80 below the Willows two cars met head-on but fortunately none was injured seriously. Both vehicles were totalled, hauled in by Lutz Garage.

Lewis B. Warner, Tucson, driving a 1957 Nash west, drifted into the east lane, as Dean C. Raler, of Maine, was coming from SD where he had just been discharged from the USMC. His Triumph sportscar was forced over, but not soon enough to avoid the hit.

The Warner car hurtled into the ditch, landed in the other direction, with the three occupants badly shaken up. Warner, 64, had a broken arm and back injuries, was taken to a hospital, was discharged Monday, went on to Oceanside with his wife and son. Raler and his passenger were uninjured.

The volunteer firemen answered a call for a resuscitator for Warner. See photos.

DOUBLE TALK

By Cecile & Celeste Irvine

Fidel Hyde returned home from County Hospital this week and is mighty glad; has had a terrible ordeal. The index finger on his right hand had to be removed because the life went out of it and never returned. He had to have skin grafted on the palm but at least he didn't lose his hand or arm as was first expected. He is lucky as it could have been so much worse. All of his friends are happy he is home and feeling better.

Chuckie Smith, 8, who was kicked in the neck by a friend when they were playing in the pool, is in a cast from his chin to his waist, won't be out till Sept. 17th. He spent two days in the hospital, came home, but had to go back when they found he had injured his neck.

We all had a nice surprise Tuesday when we had a phone call from Dinkie and Ginney Frey. Their mother drove down from Oregon City to spend two weeks and brought them up to visit with us. We had a wonderful time and they were our neighbors for 10 years, left for Oregon five years ago.

April Mansfield was routed out in the middle of the night Wednesday by Gary Wake. She thought he was fooling at first but he said Tommy Gault and he were wrestling earlier and Tommy had hit his head hard enough to give him double vision and other symptoms of a skull fracture. She rushed over and took him to Valley Hospital but they couldn't get a doctor so after waiting an hour took him to Navy where he received immediate attention. His parents were called home from Tucson and he is ok now but still has to go back for more x-rays.

Kay Smith had to have her appendix out last Friday night. She has been sick on and off for a year and didn't know what was causing the trouble. Her dad has Smith Realty here in Alpine.

Mike Webb is leaving today on a 9 day trip to the High Sierras with his Explorer Scout Troop of Lakeside. They are packing in everything and will climb Mt. Whitney and have a wonderful time.

Plan Sunbathers' Festival

T. H. and Sue Latimer, who some months ago bought the Swallows Sun Isle Club, 1631 Harbison Canyon Road, are making extensive plans to entertain the Western Sunbathing Association members on Oct. 29-30 at the big Western Fall Festival, an annual gathering of folks from all over the country. Most of them come from this state, New Mexico, Colorado and Arizona, Latimer says, but they do get some from eastern places.

CONSTIPATION-- INSIDIOUS EVIL OF CIVILIZATION

By Frances McTaggart

Constipation is becoming a common condition. Authorities claim that 55% of our civilized population suffers from this unwelcome and often disregarded disturbance which seems to be a frequent cause of poor health.

There are two types of functional constipation- atonic or spastic. If it is atonic, the bowel has lost to a large degree its tone and power of contraction and is very sluggish. People with sedentary habits, leading an indoor life with little exercise are more likely to have this condition. Spastic constipation occurs in people with a highly nervous temperament and who are usually underweight.

Constipation may for a long time impair the health very little; sooner or later, however, it causes absence of appetite, coating of the tongue and mental depression.

Headache, dizziness, anemia and acne are frequent symptoms and arthritic pains may follow. There is usually indigestion, a sense of fullness, gas and distention of the abdomen. When persistent, the accumulation leads to colitis, ulceration of the colon or formation of hemorrhoids and fissures.

Continued next week.

Friday's Hawaiian luau sponsored by LM Senior Citizens, was a funfest and colorful affair reports Ben Polak, whose mother won a prize for the most imaginative costume. Over 125 enjoyed the affair.

A little wit will carry you closer to your goal than much knowledge.

Grant Gives Instruments

Ted Grant, retired navyman of Tavern Rd., whose wife passed on this spring, has received a nice letter from Phoenix where he took her instruments which they had used in her band, giving them to the Musicians.

W. Cecil Armstrong, secretary of Phoenix Federation of Musicians, Local 586, A. F. of M., said "the sincere thanks and appreciation of the officers and members be sent you in connection with your kindness and courtesy in carrying out the wishes of your dearly beloved wife, June, in transporting the vibraphones and marimbaphones from your home to Phoenix.

"The instruments will be re finished and an appropriate plaque attesting the donation of June's instruments to this Local will be attached to each one of them."

"The pleasant memories of having known June will be present in the minds of all of us who knew her".

TRAVEL PICTURES ENJOYED
