The Etta Downs place, two cabins on 2 acres, has just been sold to Harold Rich of Covina, and his wife, who plan to build a nice home soon, reports Mrs. Anna Jerney, manager of Alpine Realty Co.

"This is the first time I ever went out to sell property with a shovel" confides Mrs. Jerney, "as Mr. Rich is an organic gardener and wanted to get the best soil possible, so we dug around till we found what suited him."

EDITORIAL

US Moral Decay Aided by Obscene Matter.

Because Proposition 16 was defeated does not mean that voters have solved this distressing, nay, frightening problem; obscene material in books, magazines and movies.

California is the largest producer and distributor of pornographic literature of the most degrading type, a survey showed prior to election. It reported that most of this type of matter winds up with children, which contributes to increase in crime, delinquency, immorality, unwed mothers, divorces, abortions, etc., for it tends to destroy all sense of moral responsibility, and respect for the rights of others.

In 1939, J. Edgar Hoover said "Filthy literature is the great moron-maker that is creating criminals faster than jails can be built to house them." The California situation tends to confirm his words.

But a refreshing view was aired the other day on KFMB Radio when Don

Ross quoted from Patricia McCormack's UPI story on its survey which showed the inspring thoughts of young girls at the Miss Teenage America pageant in Dallas.

She said they "are poised, intelligent and headed for college". But many were confused over the difference between "right" and "wrong". And those with set ideas about moral standards indicate there are difficulties living up, as they put it, "to one's high standards".

Diana Dalton of Dearborn, Mich. -- they were from all over the nation -- on sex relationship, suggested that the problem could be solved by girls who refused to act loose and cheap. She also said it would help if boys stuck to a rigid, moral pattern.

Linda Kirts of Odessa, Mo., said that the number of unwed mothers, and general immorality of teens, prompted her to say that sex is the biggest problem facing adolescents... and if teens saw less vulgarity in regard to sex, blamed communications for all the smutty literature, wild and luring movies, the image of the sex queen, and so on.

Susan A. Thomas of New Orleans, called it "a grand leap backwards", which about sums up the whole situation.

Perhaps we need a modern Vigilantes to string up some of the diseased minds that stoop to production of such filth! -CI

Awards Banquet Thursday

Anticipation and excitement culminate the Pop Warner season when Gary Garrison, SD Charger wing-back and Steve Tinsi, quarterback, come here to present awards and give talks, Thursday, Dec. 8th in the school auditorium starting at 7.

A potluck dinner is being planned and everyone is welcome say Mr. and Mrs. Frank Sortino, promoters of the team. Give them a ring at 445-4072 to find out what to bring: Mrs. Vickers, 445-4429 or Mrs. Jerry Phillips, 445-2186, will also answer questions about the feast.

Alpine has one more game to play, Sat. Dec. 10 when they meet South Bay at El Toyon Park in National City.

The Tijuana-Alpine match was the first time Alpine has met a team with the same amount of experience. They took them 58 to 7, but Sortino said "their main drawback was that they were not too well coached. The Mexican lads were right in there giving the game all they had and even though Alpine was better prepared, it was fun and interesting to watch."

DRUGS THAT CURE AND KILL

Recently in Palo Alto, Lieut. Col. R. H. Moser, Army Medical Corps, told a symposium on "Diseases of Medical Progress" that drug-induced side effects are the price we must pay for more effective and better medicaments... it is the high price we are haggling about"

Dr. Moser told of the penalty for using penicillin, one of the worst drug offenders yet one of the most valuable lifesavers. But it sets off a variety of allergic reactions, causes up to 300 deaths a year! Aspirin was also mentioned as a dangerous item.

Unique Club at Marie's

Last night one of the county's most unusual dining clubs met at Marie's Restaurant, 15505 Old Hwy 80 when a large group enjoyed a delicious meal, with rare wines.

It is one of several dinners during the year held by La Confrerie des Chevaliers de la Table de Vin et Gastronomique, with Lew Dowdy, head of SD Liquid Gas Co. as chairman.

This gourmet group was formed a year ago by Dowdy and H. W. Shattuck, jr., a vice-president of First National Bank, while at lunch one day. It is made up of those who appreciate fine cuisine and aged wines. Most members maintain their own wine cellars, having rare wines of ancient vintage--one such was served last year, a Madiera 90 years old". Shattuck is treasurer of the club.

BELL BOY MARRIES

Saturday at 3 pm in Lakeside Community Presbyterian Church, Mike Bell, son of Mr. and Mrs. M.D. Bell, Eltinge Drive, took as his bride, Miss Lura Kawn Kulhavy, daughter of Mr. and Mrs. L.O. Kulhavy of 9720 Wintergardens Blvd.

The Rev. T.E. Roberts officiated at the wedding. The bride's brother and his wife served as matron of honor and best man while Viki Richter, Betti Sheldon, Mrs. David Bird and Marion Bell were bridesmaids. Martin, Mark and Dave Bell assisted David Kulhavy with ushering.

A reception was held at El Cajon Woman's Club and after a week in San Francisco the young couple will reside in El Cajon. Both graduated from El Cap High School. Dave studied at Grossmont Junior College while his bride is a student at SD State.

HORSE TALK

By Cynthia Irvine

Well, the new horse club got off to a good start Sunday when a nice crowd met at the YC to go on their first trail ride. A lot of parents who are interested, couldn't go because their kids were riding, but if everyone supports it, then it will make a success. The next meeting is Monday at the YC starting at 8. Membership is \$2. for adults and \$1. for kids. Be sure to come to the meeting and help get the club going as lots of nice things are going to be planned for members.

Mrs. Ernest Hatfield is back home at Trailer Estates from EC Valley Hospital where she went last Thursday week suffering a mild heart attack. Alpine firemen rushed the resuscitator to their mobilhome about 12 a. m., to give her first aid.

"Those boys deserve a lot of compliments" says Hatfield, "as the message had hardly been given the department when they arrived and administered oxygen to my wife".

YOUNG HOUSE TO POTRERO

W. P. House, wife and three children have moved to Potrero where they can go in for farming and so on. He is in the fire department at the Naval Station, 32nd St. in SD, commutes the 40 miles.

made it over to Joe Berg's back pasture. George Archer was there taking care of Berg's three calves so he put her in the small corral. Doug came and got her that afternoon.

Mrs. Evers got a new horse to replace the mare Candy that they had for several months. She wasn't broken properly and none of them could ride her so they took her back and got a nice small gelding that the kids can ride and enjoy.

Annette Shockey, who is a student at McCall's Ranch School bought a nice little gelding in Long Beach that she had trailered here. Three students are boarding their own animals now at the ranch. Mary Lish brought up her gelding from their ranch in La Mesa and Tina Rausa bought the small pony that Hoffmans had for sale.

Wilcox Kicks a Record

A bully good 36-yard field goal was kicked by Steve Wilcox, 16, son of Mr. and Mrs. Larry Wilcox, Tavern Road, on Nov. 18 at the El Cap JV game

when they tossed Grossmont JV for a 29-6 score. With this victory El Cap finished in 2nd place. Grossmont was undefeated to this point. It was the only field goal kicked this year in the Grossmont League. Steve's neat feat was a league record, the previous one being a 23-yard field goal. Alpine and El Cap are mighty proud of Steve!

NUMBERING HOUSES GOES FINE

Fire commissioners were pleased at their last session to hear from Chief Malcolm Huey, jr., that the business and home numbering of buildings was progressing well. The Victoria Drive area, which has a lively civic organization working on it, is nearing the 100% point, as is the business area.

DOUBLE TALK

By Cecile and Celeste Irvine

Thanksgiving Day wasn't so thankful for Dickie Greathouse. He was home on leave and he and his brother-in-law Charles Randall were returning from Alpine on Randy's motorbike when it skidded out of control in front of Dr. Bornowski's home. The bike flew in the air and as it came down it landed on Dickie's back breaking it in several places. Randy was shaken up and skinned but not badly hurt. Dickie was rushed to Valley Hospital and later transferred to Naval Hospital where he is now. He has to undergo an operation to correct the broken back and will be in the hospital for quite a few months. We were at the scene right after the accident happened and saw his back skinned something terrible. We all sure feel sorry for him.

We had a surprise visit from Steve Acker and his friend Rick Oakey who live in La Jolla. Steve attended McCall's Ranch School for two years and came up to renew old friendships and spend the night. The next day they went hunting and had a nice time.

We were happy to hear that Doug Fordyce got his pig back in one piece. The 6-weeks old porker got out of its pen and before they could find it some dogs mauled the animal quite a bit but it pulled through and is almost back to normal.

Peter Scully was fooling around on the rocks in front of their home and slipped. He cut a deep gash in his tongue but luckily it didn't require

stitches but he couldn't eat for 2 days because it was so sore.

Lynn Kinikin has some real cute puppies to give away and they are ready to leave their mother so call her at 445-2067 if you can have one.

Our friend Dave Lavender who lives in Riverside, drove down to spend the weekend with us. He took Cecile and me sailing on Mission Bay and we had a fabulous time in spite of the cool wind.

Thanksgiving Day Cynthia fell on her right knee and she thought it was broken so Mama took her to EC Valley Hospital for X-rays. The doctor said it was only a bad sprain but she was on crutches for several days and had to miss going to work. It is a lot better but still hurts her some.

We are driving up to Hemet tomorrow as our cousins arranged for us to be interviewed on a radio station there at 8:45 a. m. Saturday and we all are singing that night at Soboba Hot Springs in San Jacinto as "The Cousins Four".

Lively Oaks Doings

Monday an interesting program was presented to Alpine Lively Oaks when John Steckler from County Health office came out to show a picture on Glaucoma, its effects, and ways to treat the disease to prevent blindness.

On hand to sing were 41 members to sing Happy Birthday to November natives. Visitors Werner, Marion Hall and Jessie Fiske were welcomed. Mrs. Werner and Florence Ohe finished their month of being hostesses and a cheer of thanks was given them. Fern Flickinger and Mrs. Anthony will be hostess for this month. Monday the club will hold its annual Christmas party and everyone is asked to bring a trinket or something to decorate the tree.

Emma Holmes resigned as publicity chairman and thanks the Sun for the courtesy shown them this past year and for the excellent coverage the Sun has given their club.

EASY GREETINGS IDEA HERE

With Christmas only a little over a month off, the Sun is again preparing to run season's greetings for folks who may wish to use this newspaper instead of conventional cards.

If interested, call 445-2415 and details will be given you. The Sun will print your greetings, address and mail the paper "marked copy", to your list at a modest cost.

The thieves also took Pick's 57 Ford, parked in the carport adjoining the office. Sheriffs were investigating Tuesday when he reported the double theft. "The key was not in the car" he said, "and they got away without leaving a trace". The car is white with black top, and he is offering a reward for its return.

No permits for cutting Christmas trees are being issued this year and special patrols are on duty to protect the national forest.

Preview Otto Zoo Center

Yesterday the beautiful new Elmer C. Otto Center was previewed for the society, press, TV and radio, from 5 to 8 pm with a tour of the fine new building 1/2 block south of the main entrance to the great SD Zoo.

The facility was made possible by the generous bequest of the late Elmer C. Otto of Alpine. It houses the educational, curatorial, graphic and public relations offices. It also has a 200-seat auditorium. A. Eugene Trepte, president of the society, presided.

RABIES DANGER STILL HERE

All dogs in the county over 4 months old are required by law to be licensed and vaccinated, reports Dr. J. Askew, county health officer. All pets that have not been treated since Oct. 1, 64, should be inoculated at once. Also all animals must be confined to owner's premises, or be kept on a leash.

"The rabies situation in the county is as dangerous today as it was four years ago" he added.

Also, remember to warn children not to go near any wild life although it seems friendly -- rabies danger lurks in them.

THERE WAS A terrible crash as the train struck the car. A few minutes later, Mr. and Mrs. crawled out of the wreckage. Mrs. opened her mouth to speak, but her husband stopped her.

"Don't say a word," he snapped. "I got my end of the car across. You were driving in the back seat, and it's not my fault it got hit!"

LOCAL LADS DO A GOOD TURN

Wednesday night a Phoenix couple driving through Alpine had something go wrong with their car and several teenage boys came to their rescue, worked on the car till it was running properly, then waved goodbye without taking a cent.

Note: News like this is what we like to print about teenagers here that are reported to be "in trouble" all the time or hell-bent for destruction with their speeding and lack of consideration for others. Ed.

Mrs. Marguerita Burns of the Log Cabin Trailer Park is in EC Valley Hospital recovering from a light stroke. She has been a resident here for nearly 9 years.

TEENS TO HOP DEC. 17

A lively Christmas dance, sponsored by the Youth Center, is being planned for Saturday night, Dec. 17th at the School with the Mark IV Band giving out with the kind of music teenagers love.

Betty will be at the Alpine School Fridays till Dec. 16 from 8:30 till 9 or take your \$1. to the Center Saturday afternoon from 1 to 3 or in the evening when the Teenclub is open.

This dance is open to members only and dates may be brought if you are a member plus 50¢ for the extra person. "Sports clothes are to be worn which means no levi's or capri's and refreshments will be sold" says Betty Launt chairman.

"By holding a card you will be eligible for the next dance at half the price, plus other events that will be forthcoming during 1967" she says.

A dance contest with appropriate prize will be given during the evening and if everything goes along smoothly, other dances will follow.
