They bought the Zeigler place 1605 Tavern Road, formerly owned by Dr. Robt. Mercer. Owen has done considerable improvement, complete interior remodeling, and is busy now

Alpine is fast becoming home to Resident Engineer Gerald V. Smith, at the house, 2808 Hwy 80, leased by the state for duration of construction which will shortly follow opening and approval of bids on March 30.

### 300-YEAR OLD OAK IS FELLED

When Barney Ratliff bought the Dally building with its two shops, one occupied by Alpine Cafe, the other

vacant, he started rebuilding for moving his liquor store and delicatessen from the Log Cabin to this new location.

In making room for parking, they had to remove that ancient oak under which Bill Bishop and other oldsters used to whittle away the hours.

Photo shows Stanley Nephew with sledge hammer hitting wedge to break up bottom of trunk for firewood, an ignominious end for the great tree that started from a tiny acorn so many years ago. By a quick count of the annual rings, they estimated the tree to be 300 years old! The new shop should be open by April 1.

### SETTLE ON BAKERY NAME

George and Jean Grube, who are working day and night to get their new bakery open here at 2733 Hwy 80, have finally selected the name for it: Alpine Home Bakery.

As they say "Natural Foods baked with well water and no preservatives". That slogan should bring them a lot of business.

## Newcomer in business promoting Alpine.

Sometimes it takes an outsider to see your forest which is not hidden by your trees!

In this case it is a newcomer, a successful businessman and his charming wife, who love Alpine and are making their home here while preparing to open a new business.

It is George and Jean Grube, of San Diego and Calexico, who will soon open Alpine Home Bakery at 2733 Hwy 80 just above the village.

We have kept track of their progress since they came here last fall, and we know that within a few weeks they will be busy serving this community, the back country and many a motorist going

through "beautiful Alpine", as they call their new home here.

This is real community patriotism, which we need more of, to boom and boost our town. The economy here is on the upturn, what with new apartments by Will Kellog, who plans more, and the new Heritage Alpine Housing with its 41 units soon to rise downtown.

"Alpine's future growth and success" says Grube, "we believe hinges on publicizing its wonderful climate and letting the whole world know about it."

He has a stamp and labels that are to go on all mail, packages and wrappings" Alpine Home Bakery, Best climate in the US by Gov't. Report."

"Everyone in town should stress that on their letterheads, on envelopes and so on" says Grube, "and we will get more publicity, just like Neil Morgan had a few days ago in the Evening Tribune, mentioning Editor Irvine and the temperatures and so on".

Ever since I selected this location after searching the west for the finest all-year climate, I have publicized it in the Sun, on my radio programs and in many other ways, and I think Mr. Grube's point here is very well taken.

So let's all get busy and put that slogan on our literature. -CI

## HORSE TALK

By Cynthia Irvine

Tuesday night Alpine Riding Club held their monthly meeting with many interesting things under discussion and after the meeting the lucky winner of the saddle blanket that was raffled off was Fred Rushing. He turned it back in so it will be raffled again at the April meeting. Mrs. Elizabeth Rash donated it to help swell the treasury for the group.

Sunday an open ride is scheduled for all interested in going. Time and place has not been decided but details may be had by calling club secretary Linda Wake at 445-2752. Because of the ride, lessons at the YC ring will be held over.

The 13th of May the group is sponsoring another open Gymkhana show and will use the C of C ring, but official rules will be used, so this means lots of practice for those entering.

The Carrells who have the new feed store on Hwy 80 have gotten in a big supply of carrots which they love.

Frank Scully wants to sell his registered quarter horse stallion. He is a

chestnut, out of Reno Ray out of Poco Ray. His registered name and number is Camolet Tabb, 328698 and he will make a fine riding horse. Call him at 445-3803 if you are interested.

Ellen Hood, instructor of riding at McCall's Ranch School, is leaving March 18 to take a special course in horsemanship. The seminar will be at the Shady Lawn Ranch in Santa Rosa and Ellen is driving up with her parents, who are going on to SD. The course is sponsored by the Association of Private Camps.

The mare that Ginney Payne bought from Doug Fordyce has been sold to Margaret Van Nort Sandoval. The young horse is 5 months in foal, was bred to their stallion.

Anyone interested in buying a new roughout saddle with padded seat and leather-covered stirrups. My sister Cecile has her bronco roping saddle for sale that is too big for her. Call 445-2394 if you are interested. Price is \$150.

Princess, young mare belonging to the Paynes is in foal and they are all looking forward to the new addition.

We were real happy to see Mr. Berg ride by on Sultan and what a horse that colt turned out to be. His mother was Misty, owned by Cathy Casey that he bought when he first moved here.

Yvette Kluciwich was thrilled last week when her mare had a little filly. She is only 8 and her first colt, so we know how Yvette feels.

Our new feed store owners, Mr. & Mrs. George Carrell are not going to stay open on Sunday as they need one day of rest but have some good news as they are going to start carrying medical supplies real soon. They also have a nice supply of horse carrots for \$1.25, 50 lb. sack or 90 lbs, \$2.

## DOUBLE TALK

By Cecile and Celeste Irvine

Little Jimmy Wasson, who is only 8, had a narrow escape last week. He saw a dog get hit as he was riding his bicycle and thought for sure it was his little female who was expecting her first litter. He started down the hill to see, when his bike hit something in the road. The front wheel flew off and he fell flat on his face in the street. His mouth, lips, chin, forehead and cheeks were rubbed almost clean of skin and he had gravel imbedded in it too. His neighbor Mrs. Durbin and his Aunt Phyllis Shepherd took him to the hospital where they took x-rays. But luckily he only had cuts and bruises. His front teeth were loosened a little but he was so lucky to get by without any broken bones or permanent injury. After he got home he went looking for his dog and found her under the house with one pup and he was thrilled.

Cathy Peterson who is only 6, went into Grossmont hospital this week for ear surgery. She has to have a transistorized mike installed in her ear which will pick up sounds so she can hear better.

Karen Rash has her 64 Rambler for sale. It gets 20 miles to the gallon and has automatic transmission. She wants

to buy a new 67 Volkswagon.

Karen's brother Danny was lucky last Wednesday. He went out to feed the horses and saw a cat beside the water trough. He petted it and then told his mother. They all thought it was rabid so his dad shot the cat and took it to the Health Department who examined the animal and found it to be sick but not rabid. Danny touched the cat and might have contacted the disease if the cat had been infected. His mother says "I think he learned a good lesson from it." Sick, stray or wild animals should be reported and left alone until an adult can take over.

The little gray poodle that Chris Patton and Victor Navarro brought by Saturday, took off the next morning without their finding out who it belonged to. The dog had a 1967 license tag and appeared in good health so we all hope it went on home.

Cathy Bates is graduating from boot camp this week. She is in the USMC, has been stationed on Paris Island, N. Carolina for the past 6 weeks.

Virginia Hill's mother Mrs. Muriel Muller is in the hospital and had to have an operation.

Mandy, her friend Adelle Sikes, Doug and Mr. Payne spent all day in the snow Sunday. They report lots of people and plenty of the white stuff.

Anyone want a beautiful little banty rooster? He doesn't crow very loud and would make some little hen a nice companion. Call Rosalie Graff or go see her on Tavern Road. 445-2017.

Little Phillip Wedel was rushed to Valley Hospital last Tuesday by Leo Rayn when he fell off the bars and cut a 2 inch gash in his head. It took 16 stitches to close the wound.

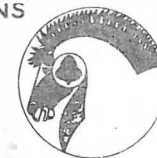

Cynthia Irvine faced big task of opening gifts at surprise shower given by friends at her home Friday night. She received many beautiful presents from the following: Mmes. Gene Moats, Al Smith, Jim Hannon, Jim King; Wm. McTaggart; Max Kinikin, Dale Greathouse, Leonard Arndt; Carroll Dun; Connie Perez; Mary Fitzgerald, Cindy Palmer, June and Eileen Dun, Ellen Hood, Maxine Kinikin, Yvonne Randall Peggy and Trudy Arndt, Cece & Celeste Irvine, Mary Tielens, Dave Lavender and her parents.

Mr. and Mrs. Paul Cater have been entertaining Mrs. Chas. Leonard who flew out by jet from Corpus Christi, Tex. She came to see her husband who is in Naval Hospital. Mrs. Leonard was here for two weeks, is a lifetime friend of Mrs. Cater.

**FREEWAY STORY** From Page 1

nect with the present end of the freeway this side of Dunbar Lane.

Smith, and his wife Patty, are both Escondidans, have two children, Pam, 12, and Steve, 14, now live in SD, but are much interested in moving here.

"We came up Sunday and drove around in the drizzle looking for a 3-bedroom home", he told the Sun Wednesday, "as we like this area it is so similar to Escondido".

Smith was a yeoman in the USN Reserve, served in Korea for two years, is an ICS graduate, also of Escondido HS and Palmer JC of San Marcos. He will be here for the full contract, till the new freeway is opened.

Barney Ratliff, owner of the Log Cabin Cafe, who slipped on some loose tiles in the kitchen several weeks ago, is still on crutches from an injury to his foot. He should be off of them in a couple of weeks.

**LETTERS TO THE EDITOR**

Dear Sir:

The Alpine Teachers Assn., members of the school staff, Lively Oaks Hillbilly Band together with the help of the Kiwanis, put on their annual show Feb. 17 called "Spring Capers."

The show was written by Barbara Garrett, produced by Bill Ossanna & featured in key roles Bill Bowler, as mayor, Paul Clay, "the wheel who had just returned from Kansas City," and Bob Gaston, wife, and children as Robots. There were many other key parts and individual contributions that tied the show together.

The people at school want to thank all those who participated and the wonderful, receptive audience, who supported this undertaking.

Sincerely,

James Kennedy,

Nellie Keller, former Alpiner, now of La Mesa, drove down to Brawley to be with her mother, Mrs. Lillie Eggers who underwent surgery Tuesday. Nellie is the oldest of 12 children, 10 still alive. When Mrs. Eggers took ill a few weeks ago, members of the family flew out from several states to be with her.

Mrs. Virgil Sanford announces that the HC Community Church will present a program of songs and recitations on Easter Sunday put on by members of the Sunday School.

Jimmy Hinds, son of Mr. and Mrs. Homer Hinds, Lilac Lane, spent last weekend home visiting his parents. He drove down from Pasadena where he is working.

**CHURCH DINNER WEDNESDAY**

A potluck dinner is slated for Wednesday at the First Baptist Church, Arnold Way & Tavern Road, starting at 6:30 to which the public is invited. At 7:30 Arthur Norris will give a talk and show films of "Around the World at Easter".

Pappy Thanner was honored last week when friends and neighbors gathered at the Howard Hunter residence to help celebrate his 85th birthday with cake and coffee.

**CAR FIRE IN TRAILER PARK**

Tuesday afternoon a visitor at Alpine Oaks Mobil Estates on Hwy 80 started to leave when his engine ignited and the car was badly damaged. It would have been destroyed if Corky Jones had not rushed in with an extinguisher and put it out before Alpine's firemen arrived.

"The horse I was riding wanted to go one way, and I wanted to go the other."

"Who won?"

"He tossed me for it."
