TAX PROBLEM MUST BE FACED AND SOLVED.

While waiting for the Armed Forces Day parade to start I had the pleasure of shaking hands with old friends; Sen. Jack Schrade, Assemblyman John Stull, Supervisors Frank Gibson, Henry Boney and Robert Dent. Briefly we spoke of high taxes and I let them know that Alpine is up in arms over the new assessments, and that something must

be done about it.

Thursday the San Diego Union ran a story quoting Gibson on this. Much is worth repeating. He said that our county can expect a major influx of indigents because of elimination of welfare residency requirements.

Gibson is a member of the Welfare Committee of the County Supervisors Association of California, said that taxpayers are being asked to remit beyond their means to finance welfare. He said the state costs for this have jumped 420% in the past 8 years, from \$466 million in 1959-60 to \$1.9 billion for 1967-68. In this county he added, costs rose in the same period 509% or from \$7 to \$392 million!

He blames the rise-- more to come this year, around \$50 million-- on recent decisions by federal courts terminating residency requirements. Gibson said the trend of welfare here is "creating dependency, discouraging initiative and rewarding the lazy and the immoral at a crippling cost to the few.. forced to pay the bill".

The aged, the needy, the hungry, the blind, the underprivileged child, who need welfare should get it, Gibson added, and we will agree with that, but the vast number who get it in an unmoral manner, should be shunted off our backs!

Gibson concluded that the Board of Supervisors lacks authority under present state laws to make corrections in the local system.

"Our only authority and responsibility is to find the money," he said. "The day must come when the boards of supervisors will be given back the authority of home rule and control."

There are a lot of good Americans that do not want their ambition and initiative killed, and I'm one! -CI

NEWCOMERS LIKE ALPINE
 Mr. and Mrs. Bob Roberts, who last month purchased the 3-bedroom home on 3 acres, 1421 South Grade Road, are all moved in and love the quiet, peaceful atmosphere of Alpine. Both Roberts and his wife Dorothea are rock hounds, have a camper and go to the desert when time permits, also raise Afghan hounds and thoroughly enjoy it here.
 He is an agent for Farmers Insurance, will start advertising in the Sun next week. He has phones in his camper, jeepster and car so can be reached anytime, anywhere. Home phone is 445-4788. He specializes in motorcycle insurance, can handle anything in that line.

They hail from National City, have 5 grown children and 8 grandchildren who think Alpine was made for them. Besides being a Farmers Insurance agent, Roberts is also the inventor, owner and manufacturer of the Electronic Auto-charger which is a dual battery charger used for campers, boats, trailers and 4-wheel drive vehicles, prevents the necessity of ever charging the battery as the electronics device prevents it from running down.
 They purchased this nice ranch from Ray Darnal who has had the place rented out as he lives in the LA area. Sale was through Charles Smith Realty of EC.

DON'T FORGET BURNING HOURS
 Fire Marshal Leroy Wedel reminds residents that burning hours in inspected incinerators are only from 6 pm to 6 am DST. When on PST it is from 5 pm to 7 am. Remember, grass must be cleared for 10' all around the incinerator. These are dangerous days for fires.

James: "Father, can you write your name with your eyes shut?"
 Father: "I think so."
 James: "Good let's see you shut them and sign this report card."

HORSE TALK

By The Double C's

We are going to miss Cynthia more than we know and already feel it. We are riding in the Rancho Bernardo Parade tomorrow as Frew Williams is taking our horses up for us. We needed their legs trimmed but Cynthia took the clippers, which were hers, so will have to do the best we can ourselves. We are thrilled about going and will sing later on in the day. This is a big day over there and a lot of fun is planned for all attending.

Alpine Riding Club postponed the gymkhana show planned for tomorrow until the 15th because of so many other activities going on. School will be out and Doris Scully and Reenie Adams think it will be better for all. She said "be at the ring at 9 am sharp and the show will start on time." She has some nice trophies and ribbons so hope we can attend.

Gary Menconi was surprised Wednesday when his new horse Trinket presented him with a little horse colt. He named him Viejas Kid. He can't ride the mare for some time, so his parents went out and bought a nice mare for

him to ride. He looked all over and picked her out of them all. Trinket was jealous and when the opportunity came she grabbed Candy by the tail and wouldn't let go, even though she was in the other pasture and the hit wire was on. She hung on and frightened the new mare so much she kicked the fence down. Gary and his dad had to put her up on their property by the Willows and separated them which is better in the long run. Horses are a lot of fun but can cause a lot of trouble for all concerned.

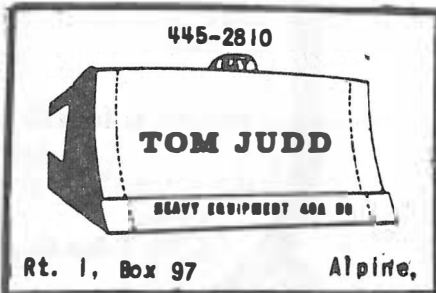

Marcy Hem has her nice gelding for sale for only \$75. He would be a perfect horse for a beginner or a young child as he is gentle. She wants Beau to go to a good home as she has had him for a long time. Call 445-2882 if you are interested.

Mike Scully had an uneasy time last week when Thunder got sick with some kind of an allergy. He rolled on the ground and his eyes got puffy and his lips got hard. They called a vet and he said he had eaten something he couldn't tolerate and that was the kind of reaction he got. Sounds like poison oak to us but our horses have eaten it without any problems, so really don't know. He finally got all right and went on eating.

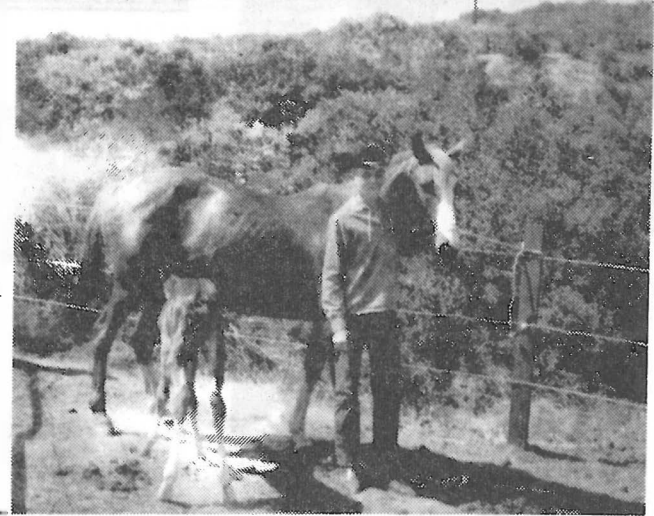

Cynthia wrote us that she has a 40-acre irrigated pasture for her horse Smokey and for only \$6. a month. Sounds fantastic to us. Cathy Higgins dad is going to take him up for her this weekend and we know she can hardly wait. The pasture is right across the street from their house too.

Jack Berg sold his little sorrel pony but still has his beautiful Arabian to go complete with saddle. Call him at 445-4265 if you are interested.

A teacher's report on one of her pupils read: "Johnny is trying--very."

Here's Gary Menconi with his Appaloosa mare Trinket that presented him with a little stallion at 10:30 pm Wednesday last week. Nikki and Bob helped Gary withstand the excitement, a thrill for all! They needed iodine for the umbilical cord, but stores were closed so Jerry Funk obligingly opened up so the lad could take care of that matter. They named the baby Viejas Kid.

YOUTH JOINS COAST GUARD

A 4-year hitch has been entered into with the USCG by Seaman Recruit Jas. E. Loer, 19, son of Mr. & Mrs. Jack B. Loer of 2695 Calle de Compadres, Palo Verde Ranch here. His training will be at the CGRTC in Alameda where he will become familiar with the service's mission and learn his new responsibilities with the nation's oldest continuing seagoing service.

STALLION OAKS POOL PLAYOFF

Sunday, after 15 weeks of play, winners will meet to play off for the big Pool Cue Trophy at Stallion Oaks Guest Ranch, Descanso, reports Ed Torgersen, owner. He has a bunch of fine trophies. It starts at 3:30.

DOUBLE TALK

By Cecile and Celeste Irvine

Guess about the hardest thing we have had to do in a long time was to put Cynthia and baby Julie on the plane for Oregon. She was going to LA with us but because of the holiday couldn't get a plane out of San Francisco so left Wednesday on a United jet from here. It only took 4½ hours with nearly an hour stopover in Frisco.

She called Daddy when she arrived and is thrilled so far with Oregon. She says the berries are so thick you can't begin to pick them all and a nice wide stream runs right in back of their house. Sure sounds exciting and as soon as they get settled, we are flying up to see them. We went to LA after she left and saw all our friends, cousins and relatives and it was kind of funny not to find her here when we got back. We really are going to miss them all. She and Bill called again Saturday night and we talked some more about the lush grass but it had been raining all day there and we had beautiful, bright sunshine so maybe they will be back. Who knows?

On our return from LA we stopped off in San Marcos to be in the big parade there and arrived just in time to get dressed and climb aboard Fred Williams' stage coach. Cathy Higgins and Marty Hoy were already there but we were not late. The parade was huge and Williams' outfit won a trophy for being most original. We stayed for the rodeo but were so tired we came on home after it was over.

We saw in the SD Union where Ann DeBenedetti is running for Miss Chiropractor, the girl with the most perfect posture. She used to live here and we all wish her luck.

Richard and Diann Irely were thrilled when they received a baby girl Wednesday night. They named her Beckey Ann but because she weighed only 5# they had to leave her in an incubator for a couple of days, but she is home now and doing fine. We haven't had time to see her but will this week. Richard and his family lived just down the street from us until his father died and they moved to Chula Vista.

JoAnn Villa was thrilled with the sale of her lamb at the EC Fair. She sold him to Floyd Realty in Lakeside for 66¢ a pound and received a second place ribbon. This is her first try and we are real happy for her. Kevan Blankenship received Grand Champion and Unimart bought his for \$4. a pound. Neta Miller got a first and Donna Schwenck got a first and a second for lambs.

Anyone looking for kittens? This is the time of year when they are born so just call us. Rosalie Graff has two, one a golden long hair and another with a short tail and gray. Both are males. Call 445-2017 if you want one.

Mrs. Allen has a cute little black puppy she named Sheba that she got to take the place of Queenie who died in her sleep a few weeks ago. They had her a long time and Mrs. Allen says she misses her yet.

MORE ABOUT SOCIAL SECURITY

The EC office of SS is now at 570 N. Second, 442-0857, so if you have any queries, call Jas. Seale, field representative.

Here is a frequently asked question that is answered for you:

Q. I am getting ready to file my application for benefits since I will return soon. What should I bring to your office?

A. Bring your SS card, birth certificate or other evidence of your age, and, if available, evidence of the total earnings for your most recent year of work. If you do not have all three, apply anyhow, as you can supply them later.

SEA WORLD ADDS GREAT FEATURE

"The World of Fresh Water" was unveiled at a gala preview last week sponsored by the SD C of C to raise funds to start a drive for the oceanographic museum to be built nearby.

The project includes fountains with colored lights, accompanied by music electrically controlled, a gorgeous new feature for Sea World.

Mr. and Mrs. W.B. Vigneault of Alpine Oaks are enjoying the company of their son and family, the W.T. McAllisters of Hurst, Texas, who drove out for a stay of several weeks. Many special events and trips have been planned by the Vigneaults during their stay here in Alpine.

ARE YOU IN THE FIRE DISTRICT?

If there is a question as to your being entitled to protection by Alpine Fire Dept., look at your tax bill. If in, you will see a tax item for that. This is important when buying fire insurance. If in doubt call the tax office.

Loud mouths don't have to worry about food shortages, they usually eat their words.

Mrs. Klein, widow of the late Albert Klein, who owns frontage on Hwy 80, presented with bouquet for his grave by Bert Fuller, in charge of the Memorial Day services for veterans at Alpine Cemetery. He took the blooms from his own wife's grave here, to present Mrs. Kelin.

IREYS WELCOME BABY DAUGHTER

Richard Ireys, formerly of Tavern Road, returned from service in Vietnam last year, with his pretty wife Diane, of Salt Lake City, now living in EC, were blessed with a dainty little miss Wednesday of last week. She arrived at 7:25 p. m. in EC Valley Hospital, weighed 5#, 14 oz, measured 19" long, was promptly named Rebecca Ann. She had to be in the incubator for a time, then came home Sunday and all's well and happy for the young couple.

DON'T FORGET TO HOIST COLORS

Friday, a week hence, is Flag Day for America, so get your Old Glory to the top of the staff. If you do not have a flagpole in your front yard, you really should have one.

Today more than ever this nation should support and display the flag which means so much to all liberty-loving citizens. You never fully appreciate the flag until you are in a foreign land and see it waving serenely over an American embassy, home, business or a U. S. vessel!
