**BIRTHDAY PARTY AT THE WILSON'S**  
Gordon & Mava Wilson, pioneers since 1936, who formerly ran the Alpine Store, later handled by their eldest son Jack, enjoyed a jolly birthday party Sunday when their son Stanley celebrated his 41st birthday.

He came up with his wife Barbara and their three children. Gordon, strangely enough, will shortly be 84, just twice Stan's age. He is in fine shape, plays golf, is a staunch booster for Alpine's famed climate "Which saved my life

**ARIZONANS BUY, START BUILDING**  
Mr. & Mrs. Wm. R. Reinking of Parker Ariz., have just bought a nice lot on S. Marshall Rd., and will commence erection of a new home on Aug. 1. He has been in the grain business in Nebraska, but latterly lived in Vista and SD where he built houses.

Before returning to Parker he stopped by the Sun office, ordered a rubber stamp, took a subscription and received various data on Alpine, plus a warm welcome to this community.

all right", he declares.  
Stan is well known here having helped in the store when he lived here. Today he is a Lt. Col in the USMC Res., is just back from a fortnight's service at Quantico, Va.

In the photo are the elder Wilsons in front, with Stan and their 6-month old baby boy Tommy; Ginna, 13; and Jennifer Jo, 10, with Barbara. They live in LM.

**SEWER RATE UP; TAXES LOWER**  
Tuesday supervisors adopted budgets for county operated sanitation districts following submission of estimates from directors.

Alpine drew \$24,586 with rate of \$1.265 for a decrease of \$0.112. This comes from a rise in service charges from \$18. basic to \$24. Alpine's budget calls for \$2500. for improvement at the treatment plant, Hwy 80 at Tavern Rd.

Alpine needs a pool cleaning service.

Alpine needs a roofing service.

### APPROVE CANYON WATER LINES

Rio SD MWD directors have approved engineering plans for the new water system for Harbison Canyon which are being sent to Washington for approval. reports Engineer-Manager Ed Houser. The grant of \$74,000 will meet part of the cost, estimated at \$149,200. Sept. 19 has been set for bid opening date.

This will give some houses at higher levels which have suffered periodical low pressure, ample water from the 16,137 feet of new lines.

In addition the district will have to spend \$40,000 for reconnecting some present lines which will continue in use, reconnecting fireplugs, and some lines serving residences, and engineering and legal fees, added Houser.

### ALEX CLITSOME TO HOSPITAL

Sunday Don Clitsome came down from Escondido and aided his ailing father Alex to get to EC Valley Hospital in an ambulance as he has been suffering from a heart ailment and other complications for his advanced age.

Mrs. Clitsome, also in ill health, is being aided by Mr. and Mrs. Leo Carreau, who occupy the 2nd Clitsome trailer in Alpine Oaks Mobile Estates.

The Clitsomes formerly lived at their Elm Tree Farm, corner South Grade at Tavern, were greatly active in civic affairs. When the Youth Center first started as a Coordinating Council, their ranch ring was annually loaned for the first horseshows in Alpine.

### 200TH SINGERS OFF FOR EUROPE

HERE ARE A, B, C'S FOR REVOLUTION IN U. S. A.

A good American subscriber handed this in with the observation that it smacks of communism. It was printed in the New World News, Feb. 1946, and now, 22 years later, it looks like this nation is suffering from these A. B. C.'s of revolution!

"On a dark night in May, 1919, two lorries rumbled across a bridge and on into the town of Dusseldorf. Among the dozen rowdy, singing "Tommys" apparently headed for a gay evening were two representatives of the Allied Military Intelligence. These men had traced a wave of undiscipline, mutiny, and murder among the troops to the local headquarters of a revolutionary organization established in the town. Pretending to be drunk, they brushed by the sentries and arrested the ringleaders -- a group of thirteen men and women seated at a long table.

"In the course of the raid, the Allied officers emptied the contents of the safe. One of the documents found in it con-

tained a specific outline of "Rules for Bringing About a Revolution." It is reprinted here to show the strategy of materialistic revolution, and how personal attitudes and habits of living affect the affairs of nations:

"A. Corrupt the young. Get them away from religion. Get them interested in sex. Make them superficial; destroy their ruggedness.

"B. Get control of all means of publicity and thereby:

1. Get people's minds off their government by focusing their attention on athletics, sexy books and plays, and other trivialities;

2. Divide the people into hostile groups by constantly harping on controversial matters of no importance.

3. Destroy the people's faith in their natural leaders by holding these latter up to ridicule, obloquy and contempt.

4. Always preach true democracy, but seize power as fast and as ruthlessly as possible.

5. By encouraging government extravagance, destroy its credit, produce fear of inflation with rising prices and general discontent.

6. Foment unnecessary strikes in vital industries, encourage civil disorders and foster a lenient and soft attitude on the part of government toward such disorders.

7. By specious arguments cause the breakdown of the old moral virtues; honesty, sobriety, continence, faith in the pledged word, ruggedness.

"C. Cause the registration of all firearms on some pretext, with a view to confiscate them and leaving the populace helpless."

Reprinted by permission-- The American Rifleman, Aug. 1946.

The area has 700 acres, 171 being in ranch-size plots for residences and second homes. A ranch house, corrals, barns and caretaker's cottage are already there. Dow J. Byers & Associates is the development firm which has been working on this for some time while arranging zoning and other details.

The California Riding & Hiking Trail that now runs through the area will be extended 8 miles to join trails of Cleveland National Forest.

Jan Murphy of Sleepy Hollow and her friend were down in front of Unimart Friday selling tickets to the rodeo. Woodie Mitchell had hauled in a rearing horse from Alpine Fiberglass to help advertise the show and they were busy handing out posters.

Laurie McGrath has her two horses for sale. She bought Ginger who is 6 from us, and is out of Celeste's mare Red, and also her 2 year old registered quarter horse Becky. Call 443-2749 or 443-3811 if you are interested.

sible to get her down.

If you haven't already seen the big Brahma bull next to Don's barbershop, get over and take a look. He is the biggest one we have ever seen and quite beautiful. Woodie Mitchell had him hauled in to help advertise the big rodeo Aug. 3 and 4.

Maureen Carrell was thrilled Sunday at Mt. Laguna when she took a trophy on Snowball, her mule. She entered in the jumping class and came away with a first. George's son Geo, Jr. also took two, one in ride and pickup and one in flag. Bill Smiley won the high point for the day. Tom Huntington of Blue Jay Lodge, sponsored the show.

Gary Menconi had his mare Tinkerbelle and 2-months old colt Viejas Kid brought back to Alpine, and built a nice stall for them by their new ring at the Willows.

Ellen Hood had her 2½ year-old palomino stud Tyger gelded Thursday by Dr. Dedrick. He is coming along fine and made it through the operation without a hitch.

Nikki and Bob Menconi really had a time Sunday with their work party and barbecue. They didn't get the bulldozing done till after lunch because the tread came off Mick Reed's tractor and they we all discovered that the drilled post holes filled up faster with soft dirt than we could dig them out. We all worked till nearly dark and than had a good feast. The work party was quite a success but we didn't finish and it will take another weekend to do that we all feel sure. Will be nice though, when it is all put up and in use.

John Spurlock, June and Eileen Dun and their sister Peggy Moran trailered their horses up to Los Caballos last weekend and had a good time except Peggy came down with the flu and they had to take her home. Eileen said it was so crowded they were lucky to get a space at all.

## POLL ON AMBULANCE SERVICE

As a community service the Alpine Chamber of Commerce is running a page ad this issue with coupon for residents to express their interest by filling out a coupon and sending or leaving it at the chamber office.

At the last meeting Peter Dart of Campo who runs such a service for the Mt. Empire explained details on the \$20. a year per family cost which allows 3 calls a year.

"If enough desire this local service" says Chamber President Dr. John S. Campbell, "it can become a reality in a short time and would save much on such calls besides expediting them".

## LAST CALL FOR NEW YELLOW PAGES

Monday being deadline for ads in the Sun for next week, remember that if you have a new or changed phone number for business or profession in Alpine, please get it to the Sun so it may be included in the new business directory that goes out in next week's paper. There is no charge.

This week Rio SD MWD crews were busy installing 10" mains from the Hwy 80 trunkline which comes down from the fire station. It will extend to Lutz's garage to serve him and his adjoining properties. It will also go up to the bridge for eventually serving areas north of the access road.

Mobil Oil will soon be moving earth from the hill back of Lutz's at left, to make the fill on corner of Tavern and Hwy 80.

### STROUT HAS NEW BRANCH MANAGER

The largest realty firm in the world has appointed Al Souders manager of its El Cajon office, 1439 E. Main, is the word from Strout headquarters in Pasadena.

Souders is already busy on listings and sales of ranches, homes and acreage in and around growing El Cajon, Alpine and the mountain areas. They also handle businesses in town as well as in the country, and is a multiple listing firm with offices coast to coast. They have 57 branches in this state.

### NEW HOURS FOR PHYSICAL FITNESS

Due to program changes, Clarke Irvine's Physical Fitness talks on XEMO, Radio 860, is now heard Sundays at 10 & 11:15 pm. The later hours get out to states as far as Oklahoma and Washington, which gets out some nice publicity for Alpine as Irvine boosts it in his talks.

### 70 ACRES BURNED NEAR BARRETT

A hot and fast fire that started at 6 pm Saturday seared over 70 acres during 12 hours out of control, was contained Monday night but kept firemen on the alert Tuesday. It was the first big one in the Descanso area of Cleveland National Forest southwest of the Barrett Honor Camp. Borate bombers were busy, flying from Ramona, right over Alpine till dark.

Dick Raybould, fire controller, said origin was a mile from the honor camp, but it is not known how it started. The U. S. service had 11 tankers on the job, the state had two. Warnings are up: use extreme care in handling fires and matches.

### NAME C of C DIRECTOR CANDIDATES

Dwight Long, jr., chairman of the nominating committee, with Members Robt. Menconi & Clarke Irvine, have submitted four for election by the members on ballot shortly to be sent out: J. H. McKie, jr., Jack J. Spatz, Al Adams and Jack Hoistad.

**PLAN PIT BARBECUE FOR RODEO**

Whit & Grace, owners of the Flying A Cafe, Descanso Junction, are sponsoring a real pit barbecue for the big Alpine Rodeo Aug. 3 and 4. They also put on the soft drinks and foods. Doug Fordyce of Alpine, noted barbecumaster, will be in charge.

Saturday nighty they will have a dance with music by Jim Coston and his band, so a lot of oldtime Western fun is promised for the many who will enjoy the IRA-sponsored rodeo.

Next Month Mrs. West presents a unique display, the 12 zodiacal signs painted on glass by Arthur Norris. Each depicts the sign in full color designed after the ancient originals in silhouette. They are 12 by 14 inches and will be of special interest to those who study or follow this fascinating ancient science of the stars.
