## MILESTONE IN ALPINE GROWTH

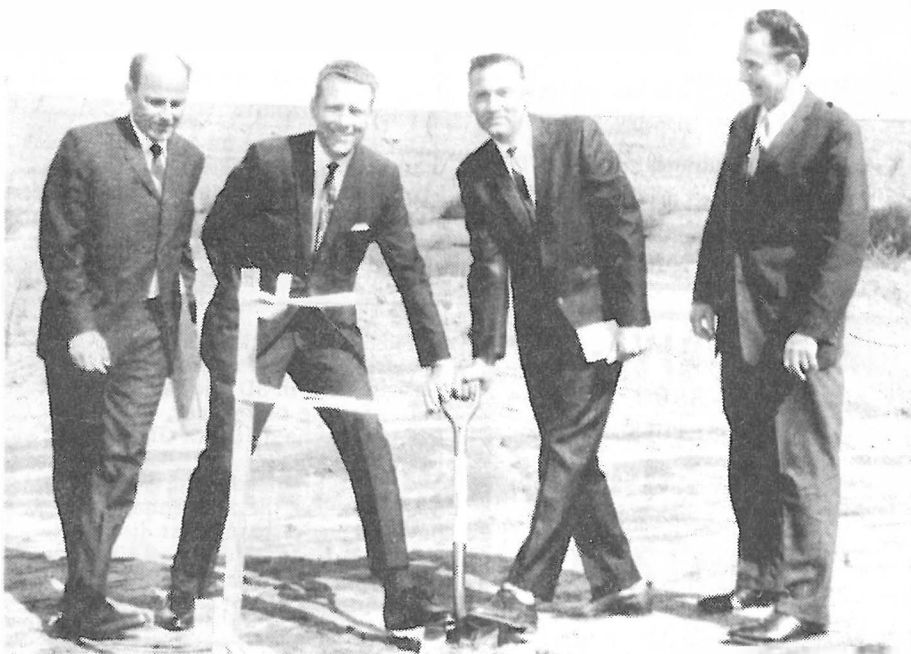

As told in last week's Sun, the Shell Oil Co., was to have broken ground for its finest new station in the west on Tavern Road, but due to the rain, it was delayed till Monday this week, as shown in photo.

From left; John Williams, engineer; Robert J. Sweigart, real estate representative for Shell, Harold Lutz, lessor and Postmaster H. T. Magnussen, president of Alpine Chamber of Commerce.

## NEW POSTOFFICE SITE SELECTED

The groaning, bulging-at-the-seams Alpine Postoffice will soon get relief for Postmaster-Gen. Winton M. Blount Monday announced selection of the corner of Arnold Way and Olivewood Lane for the new building, says Postmaster H. T. Magnussen.

Plans call for 12,248 sq. ft., 3848 floor space and 8400 for parking and movement of trucks. Plans and specifications as well as bidding forms will

be available to prospective bidders at an early date when the department will advertise for bids.

Blount said the building will be constructed under the lease program, with the government's capital investment limited to postal equipment. Barney & Agnes Ratliff, of the Log Cabin, owners of the land, will lease to the US, but will pay local realty taxes. They own

DuPREE NOW SERVES BACK COUNTRY  
After J. A. DuPree sold his Allied Carpets firm in SD, he became estimator for the new owner, commuted from his home on South Grade Road. Now, in addition, he is handling carpets and draperies for the company here, to serve the Mt. Empire. They have all major brands, at discounts, he says, and shows samples right in your home. He placed a classified ad this issue.

## KING & QUEEN WERE THERE

Alpine's Jim Pinkerton, retired realtor, who was named king of senior citizens for SD County, with Lady Pinkerton, middle, and Gracie Morley, of Coronado, who is queen of the clubs, sat at the honored guests' table during the Seniors' big 200th celebration extravaganza Saturday night in El Cortez Hotel.

It was the largest gathering to honor the 200th so far with over 1000 diners.

Armyman Richard Merrill, jr., according to news his father got this week, will be home the end of April after serving in Vietnam.

## OLD DIOGENES WOULD HAVE LIKED ALPINE

For centuries Diogenes, that ancient Greek philosopher, with his ever-present lighted lanterns, who has been searching for an honest man, would have been delighted had he been in this community last week.

He would have cried "Eureka", and named Ralph Renie, of Alpine Fiberglass Menagerie, as that man. The unassuming Renie played the role of the man old Diogenes was searching for.

So the story goes, which a friendly reader told us, last Saturday a resident visited Alpine Hardware to make a purchase. While extracting some bills from his wallet to pay the check, he inadvertently dropped a \$20. bill.

When Renie entered the store, he spied the long green near the counter, picked it up, turned it over to the proprietor.

The clerk who had waited on the

customer remembered that he had handled several loose bills while paying for his purchase.

In a cagey way, the proprietor called the patron and asked if he had lost anything. At once the customer replied in the affirmative-- to the tune of a twenty-- and added if it were necessary for identification, he could even give the serial number!

Many thanks were extended to those involved and a portion of the money was shared with those concerned. Honesty in this day and age should, by all means, be rewarded. With this we agree, heartily.

That is one of the reasons why the immortal "Honest Abe" Lincoln, will always be immortal, and why most of those who visit his tomb in Washington, get a heart throb and a tightening in their throats when viewing this beautiful statue of the Great Emancipator sitting peacefully looking out into eternity! -CI

## CHEVRON TO BUILD NEW STATION

Standard Oil Co., has just signed a 15-year lease with option on the corner of Alpine Blvd. and S. Marshall Road, for a large new service station, reports Bill Brown of Brown Realty here, owner of that southeast corner.

Preliminary work started March 1 on the lot which fronts 157' on Alpine Blvd., with a depth of 120'. The old gum trees are to be removed, permits for which caused some delay. The pioneer house which the Browns occupied for their realty office, will be razed to make way for the modern station. Over \$80,000 will be invested.

"It will be one of Standard's finest in the Southland", Brown told the Sun Wednesday, "similar to that beautiful one at Lawrence Weik's trailer park north of Escondido. It will be landscaped, with attractive planters and other beautification."

The rodeo is the weekend of April 19 and 20, so if interested, sign up now and get in before the March 8 deadline.

Our little breakfast and horseshow had to be postponed again because the YC ring was too wet to hold any gymkhana events. Will let you know when it has been rescheduled.

Mark and Ginney Schutzer are working on their 8-months old colt and hope to have him ready for the halter class in Viejas Days May 10 and 11.

Ginney's father, Doug Payne, has this colt's mother Gracie for sale quite reasonable. She is half Morgan and half Quarter, is only 4 years old and has had plenty of training so would be good for a beginner wanting to show. Call Mr. Payne for details.

Melva and Ron Riley finally moved to a 17 acre ranch near Singing Hills where they can keep horses. They sold all but 4, but two mares are expecting so it won't be long and they will build back up to where they were when they lived in Alpine.

Mr. W. W. Dancy of San Diego has a beautiful Palomino parade horse for sale complete with tack. The horse is a registered quarter horse, very gentle and would make any owner proud. He wants \$525 for the animal, a near-new western saddle and says "although he is gentle, he does need an experienced rider". Call him at 466-0219 if you want more particulars.

Goatman of this area may attend a regular meeting of the So. Calif. Milk Goat Assn., Sunday in the Ag Bldg. of the EC Valley HS at 1:30 pm.

CUBIC MAN BUYS, MOVES HERE

Chas. & Helen Thompson, he's with Cubic Corp., of SD, have just bought and moved into the 3-bedroom 1½ bath dwelling at 1545 Alpine Terrace, reports Neda Hill Realty. Seller was Mrs. Norma Ostrander, who, with her children, have moved up north. The house with 2-car garage is on a half acre.

DAIRY PRINCESS BEING SOUGHT

Although Alpine has few cows, but hundreds of thousands of chickens, there might be a pretty lass somehow connected with the dairy industry who could qualify for the 1969-70 Dairy Princess search, now underway. The contest with luscious prizes, is on May 21, in SD. For details: SD Milk Council, 304 Ivy St., SD. 92101.

### COULD HAVE BEEN SMALL DISASTER

At 8:20 last Thursday there might have been a tragedy on Hwy 80 when a car careened into Clark Haney's Chevron Station, corner of N. Marshall Road. Luckily it missed him while he served a customer at the outer pump, but the car smashed into the office doing considerable damage.

It was a strange accident. Mrs. Ann Blanchard of LM was on her way to work at Dr. Burak's office. Mrs. Vonnice Randall, was making a turn but apparently the signal was not working or Mrs. Blanchard did not see it in time. She hit the Randall car slightly, bounced across the road, smacked another, then went into the station. She was uninjured, came out with just a scratch on the forehead.

Photo shows Vonnice and the CHP officer investigating the wreckage. "There might have been a fire, explosion, or someone hurt", said Haney, who boarded up his office, carried on pumping gas.

#### WHEN FREEWAY OPENS, 80 CLOSES!

A big change is due here on March 13 or 17, tentative opening dates for the fine new I-8 freeway, says C. Coaling, chief highway engineer, who Monday handed the Sun this specially prepared map for this newspaper.

On the day traffic is switched from Hwy 80-- Alpine Blvd-- over to the new route, a blockade on 80 will close all traffic between the Cleveland National Forest sign, and Willows Road. Also closed for the time being is the Willows Interchange, where the unfinished bridge will be erected across the closed portion, plainly shown on the map at right, or east end.

The rest is easy; for going east to the Willows Willows Road, access roads, and points eastward, use the Tavern Road Interchange. You will also have access to I-8 going west at

the Tavern ramp.

Peutz Valley folks will go under the freeway and west to Dunbar Lane Off Ramp to get on the freeway going west. Sounds simple, but study it, says the engineer. And if you make an error, never try to turn around or go on the median. That might get you a ticket, or an accident!

#### VAN DEERLIN FOR LOW VOTING AGE

"College students are more mature and better educated than ever", wrote Rep. Lionel Van Deerlin D-SD, to the Demo Nat. Committee, are willing, eager and fully able to join their fellow-citizens in exercising the suffrage". He added that the current campus unrest is of a small percentage, is no reason for delaying action on the measure.

That covered wagon, drawn by a pair of mules and a yoke of oxen, en route from Tullahoma, Tenn., driven by John and Wayne Tobitt, and a pack-horse led by Mercedes Gehrige, with her son Jere and his bride Rosemary, from Denver, stopped overnight at the YC Tuesday, on their way to SD.

Editor Irvine went up Hwy 80 to get their picture, had a brainstorm, for Alpine to welcome them, so phoned Nikki Menconi, asked her to be chairman, which she did beautifully. Result, some 50 persons staged a potluck under the trees at the YC and all had a grand time.

Photos and story of the event will be run next week as it was too late for today's Sun. They left Wednesday morning.

## DOUBLE TALK

By Cecile and Celeste Irvine

Rick Sockwell and Raymond Rix were lucky Saturday morning. Both were thrown out of Rick's truck when it hit a parked car on Harbison Canyon Road. Raymond was unhurt but Rick is in serious condition in County Hospital with a misplaced bone in his head that required surgery Tuesday. He also sustained a broken jaw, two broken cheek bones and a loss of several teeth. He will be in the hospital for several weeks getting packed up. He and Raymond are lucky to be along. No one knows how the accident happened or how Rick got hurt so badly but Paula Anderson, his fiancee, thinks he hit the other car with his head when he was thrown out. His parents are in Vietnam, might come home earlier than they are supposed to if Rick needs them.

with good news. They bought a nice ranch just out of Medford and are moving in this week. Bill's parents bought across the street from them so they won't be so lonesome. We plan flying up the last of April and are looking forward to going. Cynthia can hardly wait as we haven't seen her since August when she flew down for a visit.

If you are an ice skating fan, be sure to see the figure skating exhibition Sunday afternoon at the SD Sports arena that starts at 1. Among the skaters will be Gold and Silver medal winners in the 69 World Figure Skating Championships and it should be good. We plan on going and several other Alpiners are attending that we know of.

Little Paula Parsons celebrated her 4th birthday with a party at Kiddyland in Flinn Springs Tuesday. Nine of her little friends went and all had a grand time playing on the different rides, plus cake and ice cream.

Dickie and Suzanne Greathouse have moved to Alpine from their Pacific Beach house and like it although Dickie has to commute to SD every day.

Johnny Cash sure packed them in last week at his SD concert and quite a few from Alpine went to hear him.

#### KOOI'S RECEIVE BOY

Mr. and Mrs. Ronald Kooi are the proud parents of a boy born Feb. 27 in Grossmont Hospital. The little fellow weighed in at 8 lbs, 1 oz, was welcomed home this week by a little sister named Kristen who is a year old.

The Koois reside at Alpine Cottages. He is stationed at Mt. Laguna AFB and they have been here 1½ years, like the area very much.

Paul Parsons is back from a Massachusetts Life Convention in Miami, Fla. He flew both ways, while there took a boat trip to the Bahamas which he reports as very interesting.

When little Johnny returned from summer camp, his parents asked him if he had been homesick. "Not me," but some of the kids were, though, the ones that had dogs."

**ALPINERS GIVE DOG SHOW PRIZE**  
Sunday's great dog show in SD brought some publicity to Alpine for Mrs. Agnes Miller, who runs Alpine Printing Co., 2251½ Alpine Blvd.,

with her husband Robert, presented the beautiful first prize medallion for Group VI Non-Sporting award. It was a \$100. piece of sterling silver, with inset blue sapphires, and she got to present it, even was shown on TV. The Millers do national printing for dog events, owners, etc.

This photo is from a neat card he printed for J. Hampton up in Tiburon, showing two of his blooded French bulldogs which he raises in brindle, cream and fawn. Millers advertise in a national magazine, the Dog World, send out much literature on their work in Alpine, boost the fine climate here.

It 's easy to stick to a diet these days. Just eat what you can afford.

## KIDS' ART AT LIBRARY

For March Mrs. Elizabeth West, librarian, is showing what the younger generation really can do in painting for she has a colorful display from the Harbison Canyon School.

Here with two of his works in acrylic is Mark Eberle, 7, from 2nd grade, and his brother, Joey, 5, in kindergarten, who made a nice little pinchpot (very small, between the two paintings).

They are the sons of Mr. & Mrs. A. K. Eberle of 144 Francis Dr. .

Other works of the Canyon painters, to be pictured next week, are by Robt. Warner, Tom Wood, Russell Shaw, Mike Butler, Debbie Brown and Nancy Mulaney.

"These young people have turned in some nice work", says Principal Leo Ryan of the school, "and are well worth inspecting."

## MORE SNOW REPORTS COME IN

More trees lost branches in the snow last week, reports Richard Merrill, printer, of 105 Willowside Terrace. They live under some big old eucalyptus which lost many branches and he had to work half a day to clear his driveway. Luckily no damage was done.

## GOP ASSEMBLY SEES TAX STRIKE

Copies of a resolution of the Mt. Empire Republican Assembly, signed by Wm. H. House, resolution chairman, have been sent to Gov. Reagan, Sen. Clair W. Burgener, Assemblyman John Stull, county supervisors and E. C. Williams, assessor.

It is based on the fact that assessments in this area "have increased exorbitantly in the past few years as well as in much of the county and the state".

The assembly recommends a complete revision on taxes, particularly on property taxes, believing that if the present situation is not revised that a possible tax strike is imminent. The resolution was passed unanimously.
