TOOLS STOLEN FROM DALEY CO.

Sheriffs have been looking for some large wrecking bars taken from the yard of the Daley Corp., during the finishing work on I-8 here. No leads so far.

HEAR SEWER DILEMMA MAY 20

As legally advertised in today's Sun, Alpiners are invited to a hearing on its sanitation question on Tues. May 20, at 9:30 a. m. in Room 310, Civic Center, 1600 Pacific Hwy.

Here are members of the committee that so ably put on the second annual Miss Alpine contest last week. Seated, chairman Nikki Menconi, at left, Bob, her husband, and at right, Dr. Waldo Crouse; standing, from left; Mrs. Crouse, Rene Adams, Pres. H. T. Magnussen, Chuck Owen and Dr. Mildred Bredezen.

"The chamber thanks Nikki and her able committee for the many hours of work which were necessary to make the coronation of our second Miss Alpine, Cecile Irvine, the great success it was", said Pres. Magnussen. "Alpine is indeed fortunate to have those with leadership ability, and dedication to voluntary action".

Discussed will be the two plans for handling Alpine's vexing sewer disposal problem. One is to go with Lakeside, the other via Otay and Rio water districts.

This area's supervisor, Henry Boney emphasizes that "it is urgent that the board make a final decision so that the construction of a new facility can be completed at the earliest opportunity in compliance with directives of the Regional Water Quality Control Board". You are urged to be there.

"SOUTH PACIFIC" FILM WORTHWHILE

If you are fed up with some of today's movies, your finer tastes will be treated to a truly wonderful picture now at

Cinema Grossmont. We had the pleasure of seeing a special preview as guests of Mgr. Ben Williams and all thoroughly enjoyed the Rodgers & Hammerstein's "now" musical.

What it's all about is love, prejudice, commitment, courage, lots of laughter, and death; and that makes for a really big picture. The film, not made yesterday, was a generation ahead of its time, and its generation is right now.

When those geniuses R & H put their talents to melody and lyrics, you are sure of something sweet and intriguing, which "South Pacific" is, like their "Sound of Music" and many others.

The cultured French island planter is played by Rozzano Brazzi, whose singing is superb, while the 22-year old he falls in love with is admirably done by Mitzi Gaynor and how she can sing. Other leads are John Kerr, France Nuyen, Ray Wilson. It was made by Buddy Adler, directed by Joshua Logan, and is in enchanting color with gorgeous photography and wide screen, over two hours of sheer enjoyment. -CI

CARS KILL MORE IN YEAR THAN WAR DOES!

We are indebted to Travelers Insurance for this surprising material which may warn some careless drivers, and save lives, right here.

1968 was an ugly year for Americans. Tragedy of spectacular magnitude became a frequent front page occurrence. But a quieter national calamity took its dreadful toll on all the days before, during and after the Tet offensive in Vietnam, the riots, the assassinations.

It was "quiet" only because it was not concentrated in a single place at a single time. There was no focus to put this misery on the front page. To the families and friends of 55,330 killed in auto accidents, however, it was the ultimate calamity. To the 4,400,000 victims of injury, it was hard-core agony. The economic loss, about \$13.5 billion, was an appalling waste.

This view of 1968 is contained in the annual booklet of highway accident statistics from Travelers Insurance,

compiled from records of motor vehicle departments throughout the country.

The 1968 highway toll followed a year that saw a leveling off in the number of highway deaths and injuries. In 1967 approximately 53,000 lives were lost in motor vehicle mishaps-- 4,200,000 persons were injured.

Why the increase? Was it because Americans were lulled by the "improvement" of the preceeding year?

There are, perhaps, as many reasons as there are people to voice opinions.

Whatever the reasons, the tragedy remains. More than 55,300 persons were killed and 4,400,000 injured.

MISS BURDETT HOLDS MUSICAL

Saturday night 6 advanced piano pupils of Miss Ruth Burdett, Marshall Road, gathered at her home to demonstrate their ability to parents invited to the musical.

These participated: Jane Howard, Patsy Vickers, Patty Phelps, Christine Seikman, Randy Loftis and Billy Van-Hamert.

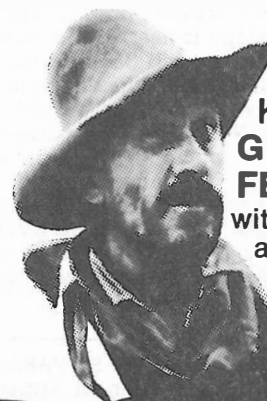

After the program, games were played and refreshments served. All report a delightful evening.

FREEWAY OPENING IS NEAR

If no heavy rain falls and no untoward delays come, the last bit of construction on the Willows end of the Daley job should be between May 23 and 26, says C. Coolong, resident hwy engineer.

Paving will require only about 4 to 5 days at the upper end with a bit by the new Willows bridge. The cross-over bridge is nearly done now and all looks like the full 35-mile run from I-5 in SD, to Deadman's Curve, will be in operation before month's end.

Pres. H. T. Magnussen of the chamber is planning the formal dedication with officials and dignitaries here to witness the ribbon cutting ceremony by Miss Alpine, Cecile Irvine. He is alerting TV stations on the event. The full freeway means a great deal for Alpine and the back country.

ALPINE IN BIG SD PARADE

The 9th annual Armed Forces Day Parade at 10 a. m. on Saturday, May 17, will again bring publicity to this community for the 2nd Miss Alpine contest winner, Cecile Irvine, will ride in a convertible in it. With her will be June Brown, 1st runner-up and Celeste Irvine, 2nd runner-up.

Last year Cathy Higgins, Miss Alpine, had that honor, riding with Cecile Irvine, 1st runner-up and Marty Hoy, 2nd runner up. The trio, driven by Dr. J. S. Campbell, with Nikki Menconi up front, drew much applause from the jammed sidewalks and dignitaries in the reviewing stand.

The big show is well worth seeing and many from Alpine go each year. The Navy and USMC will have many units, and entertainment afterwards.

VIEJAS CHURCH'S ANNUAL CROWNING

The beautiful floral ceremony of the crowning will be Sunday, May 18, starting at 2 p. m. from the clubhouse on Viejas Reservation. The public is invited to see this beautiful ceremony and enjoy the many floral decorations at the churchyard.

Nikki and Bob Menconi's stud Polkadot Panda was a father for the first time last week when Billy Hulbert's mare gave birth to a little blanketed colt, his first on the ground. Nikki and Gary took pictures of the little fellow and hope Trinket, their mare, has one as beautiful. She is expecting later this month so they have to wait and see.

Doug Payne is here to take back his mare Princess and her new little filly that was born last week at their ranch in Japatul Valley. He is also taking back their stud Red and is getting the trailer ready this week. He and his family moved back to Centerville, Kansas this past winter, says it is beautiful and that they all like it very much.

George and Noreen Carrell are trailering their horses up to Campo next week to take in the annual trail ride and horse show. Carrells sponsored the senior trail ride trophy, will also ride in it. A nice trophy will be given for the junior winner also. Trophies for the oldest and youngest rider participating in the ride will be awarded. If you are interested in attending, you can get programs at Carrell's Hay and Grain, 2424 Alpine Blvd.

Lisa Pierce is thrilled with her new little stud colt out of Skip Beau, that was born on their ranch two weeks ago. We haven't talked to her so don't know his name but Melva and Ron Riley own the stud.

E. COUNTY QUEEN CONTEST ON

A search for a new queen to reign over the five day El Cajon Jaycees Eastern SD County Fair, beginning May 28, starts today.

The new Queen will not only reign over a Fair that will draw some 100,000 people, but she will receive a \$50. savings bond, a round trip to SF for two, certificates for merchandise from EC merchants and a tiara and a trophy.

"The 1969 Queen must be a student residing or attending school in the Inland Empire area" said Joe Knapp, contest chairman.

"For instance, she could live in El Cajon, but go to school at Cal-Western and be eligible to enter. She must be single and between the age of 16-21. The contest will be Friday, May 23 in the Veterans Civic Memorial Association Hall with Don Howard, of KOGO, as MC. Applications are available at 5 locations, EC C of C, Automobile Club, The Plant House, Valet Cleaners and Ranch Craft Trophies and must be turned in by May 15 and should include a glossy photograph.

IT PAYS TO ATTEND CLUB SESSION

Last week Harold Lutz missed out on the Optimist Club's raffle, for his name was called and he did not get the \$20 in the kitty. The week before Editor Irvine was not present, so he lost \$15. "The pot now holds a neat \$25." says Pres, Leo Manolakos, so everyone should be on hand for a chance at the prize!"

FAIR SEES 9000 FLOWER ENTRIES

The West's largest outdoor flower show during the So. Calif. Exposition, June 25-July 6 in Del Mar will present some unusual innovations, says its director, Bob Lamp.

This year they will have many rarely-seen blooms from Hawaii, shown in a simulated natural environment, even to flashing waters. This new category offers premiums of \$500 for 1st, \$400 for 2nd.

These innovations honor SD 200th, says Lamp, and the 3½-acre shaded paradise of blossoms should lure 9000 entries and 180 feature displays competing for over \$30,000 in cash awards.

A new 3000-ft structure for Japanese bonsai miniature trees will have Oriental landscaping with 50 new displays.

The fair this year will be greater than even and attendance is expected to break records due to the added publicity through the 200th.

BAPTIST CHURCH OF WILLOWS NEWS

By Clara Brabazon

Rev. Doug Schacht, Larry DeLong & Bob Bostrom attended the men's retreat May 2-3 at Palomar. All 3 felt the Christian Fellowship and food was great. The central theme presented by pastors and laymen alike was; that we as Christians must live exemplary lives 7 days a week so those who don't know Christ may see him through us.

Shirley DeLong, Jeanette Hinkle, Crene Bostrom, Delores Schacht, Vinnie Hesterley and Clara Brabazon attended a church school workshop Saturday at N. Park Baptist Church from 9 to 4. A film "Crossing Points" was shown to the group. Crossing points are situations where the Gospel of Christ and human lives meet and then there has to be a response by the individual. Part of the day was spent looking at new materials for the Sunday School available in September. We all felt the central theme of the workshop was much the same as that used at the men's retreat.

The Men's Brotherhood will provide flowers for the church in honor of all mothers Sunday, May 11.

Shirley DeLong is our very capable Sunday School superintendent. She had Mr. & Mrs. Thomas to her home to help her make plans for vacation Bible school which will not be too far in the future.

Eve Coppick is hostess for the WMS meeting on Thursday.

CAROLINE BALCH WALKER

Services were Thursday in Greenwood Mortuary for Caroline Balch Walker, 92, wife of the late Ralph Walker and sister-in-law of Doug Walker, Alpine. She was a member of a prominent Coronado family, taught school there for 40 years.

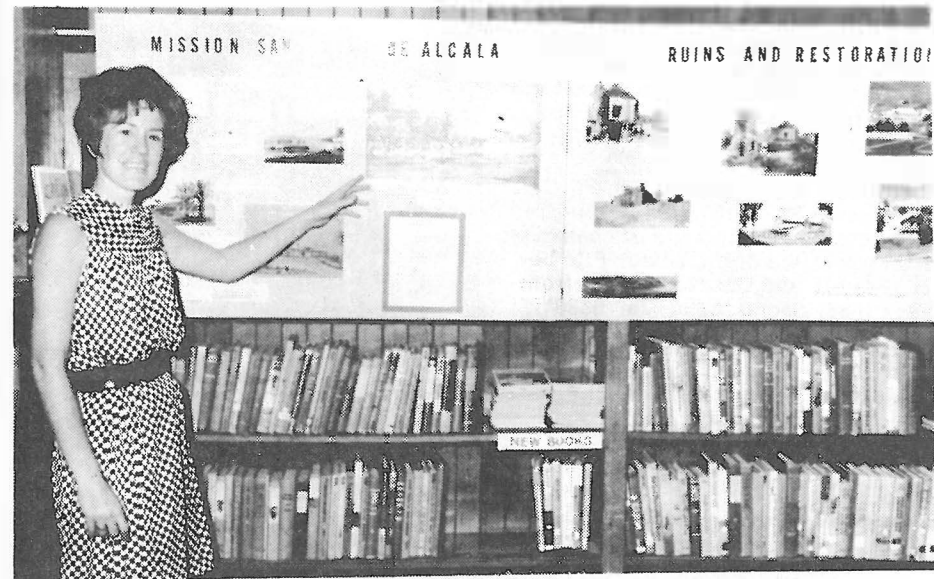

She is survived by a nephew, David B. Jones, a niece Barbara S. Jones, both of N.Y. Mrs. Walker passed away in a rest home in Escondido last week.

Here is Miss Leola Lee from the county library who brought this interesting display for May in the library here. She is in charge of the children's reference section downtown.

The material was selected by Pat Wright, reference consultant, is kindly loaned by Title Insurance of SD.

Miss Lee points to an 1846 sketch made by Col. Cave Coutts, early pioneer. The display shows an early ground plan of the mission, the ruins at the turn of the century, and the restoration during the 1930's.

Books and historical maps related to SD's history are also on display, will be worth inspecting during hours, Tuesday and Thursday, 1 to 5, and Saturday, 10 to 2.

This is one of a series of exhibits for the 200th Anniversary which the county library is sponsoring.

Vista Alpine Mobile Home Estates, 2400 Alpine Blvd., is today showing signs of nearing completion. Here is one of the 151 spaces where Dick Fontaine, of EC, oversees the finishing work. He was turning on faucets to let the water out so final taps could be installed. The box is a safety metal receptacle for trailer electricity of 220 volts.

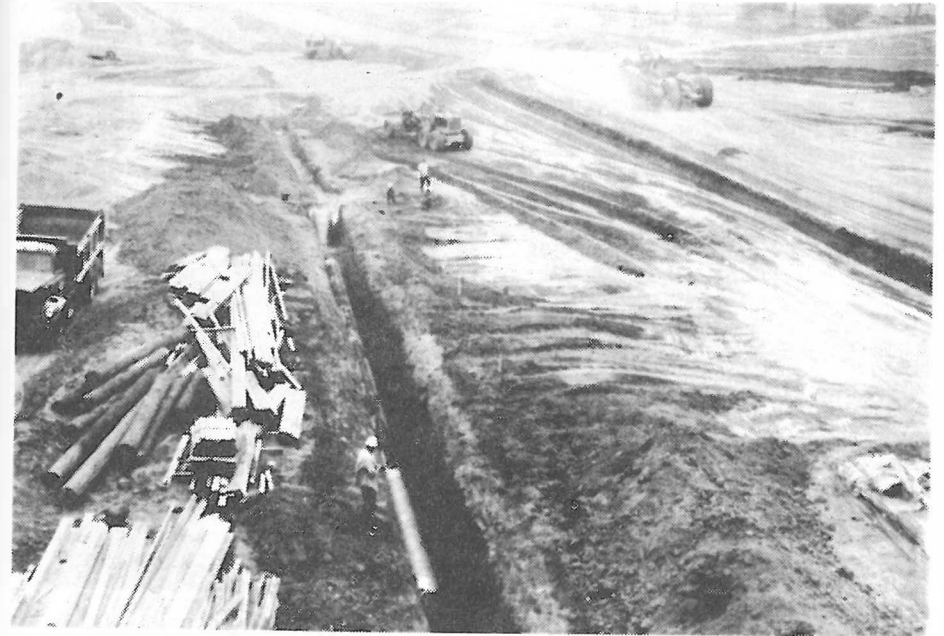

Also at each site is propane gas - later to be natural - telephone and TV cables and sewer. All utilities are buried. Roads are ready to be paved and chainline fence is all up with a nice board fence down the entrance lane.

Wm. Murrell and his wife are on the job daily as managers and are taking reservations for this beautiful new facility which will up the economy of Alpine considerably within the next few months. Some spaces will probably be occupied before month's end.

Daley workers are busy as beavers on eastbound lanes of I-8 at the Willows Interchange bridge. They are burying large culvert pipes, grading and banking, then the paving starts.

This was shot eastward from the nearly completed bridge, soon to be opened so access to the westbound lanes can be had from areas south of the freeway.

DOUBLE TALK

By Cecile and Celeste Irvine

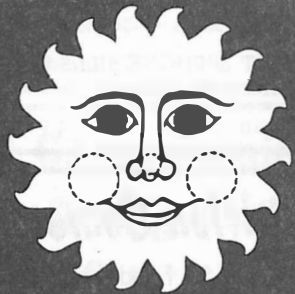

Don't forget to watch Alpine's first annual parade tomorrow starting at 8 a. m. sharp. If you plan on being in it, be at the East end of Alpine Blvd. at 7 and get in line. We ran an entry blank in last issue and you must have a number, so don't wait, get it in. It is going to be hard to get up that early but set your alarm and help welcome this first event for Alpine.

Ed Wagner, our milkman, spent last weekend fishing in the Colorado River, got a big sunburn on his forehead for his efforts, but had a good, relaxing time anyway.

We went to see South Pacific at Cinema Grossmont last weekend and if you haven't already seen this Rodgers & Hammerstein musical, don't miss it. It is gorgeous with Mitzie Gaynor and Rozanni Brazzi playing the leads.

We were happy to learn that Jim A Allen of Santee found his beautiful hound dog that he had lost in Alpine for over a week. Someone called this office, (we forgot to get their name) and were holding Mike, so we gave them his phone number. He was overjoyed to get the dog back. Lots of people call us if they lose or find an animal, so it might be a good idea to give us a ring first if you either find or lose one.

Tanks are in, pump foundations poured and the handsome aluminum structure is fast rising. Before you know it Clark Haney will be moved from across the road and the town will have another fine new addition.

Cdr. Clarence Brown of Viejas Indian Post, VFW, says they have set the first Sunday in June, the 7th, for their annual barbecue at the clubhouse. As usual they put on a great dinner at nominal prices, have dancing, music, baseball and plenty of free parking. More details later.

DOGS FEAST ON VALUABLE FOWLS

Capt. Hal Hundley, pilot for Continental Airlines, of W. Victoria Dr., lost several valuable rare birds during the past fortnight, is on the lookout for dogs that did the damage.

"I'm tired of giving free lunch to these strays" he warns. (The law gives one the right to shoot unleashed dogs that prey on stock or poultry).

Among his pets lost, a male peacock, banties, ringneck doves, a rare blue manchu pheasant, now nearly extinct, and others.
