## ALPINE IN BIG SD PARADE

All the way down Broadway from 9th where the huge Armed Forces Day Parade started, loudspeakers told of the many top brass, floats, and the convertible carrying the three lovelies representing Alpine, which thus received much publicity.

Sitting atop the back seat were, from left, June Brown, 1st runner-up; Miss Alpine, Cecile Irvine, and her twin Celeste, 2nd runner-up in the Miss Alpine Contest sponsored by the chamber of commerce. The spiffy car was loaned by Lukens Pontiac of LM, with Editor

## VET COMES TO ALPINE

Leasing with option to buy the Doll House, 1911-1913 Alpine Blvd., are Dr. and Mrs. Lee T. Lacey of San Jose from Bill and Charlene Brown of Brown Realty, who are the owners.

Dr. Lacey is a veterinarian, will use the business building as a small animal clinic and will live in the nice home in the rear of his office.

Several improvements will be made to the property prior to the vet's opening for business sometime this summer.

The Lacey's have a married daughter and two grandchildren.

Irvine at the wheel, his wife Alice sitting beside him.

The car doubled in duty, previously being No. 4 in the parade, Irvine driving Radm. C.A. Karaberis, Commander, Fleet Air, SD NAS. He goodnaturedly saluted, waved to kids, and said "Good morning" all the way down the crowded street.

The big parade, which most of you

## LAKESIDE SEWER PLAN ENDORSED

Supervisors, acting as directors of Alpine Sanitation District, Tuesday endorsed the long-awaited plan to solve the growing water pollution problem here, which is to connect to Lakeside's sewer system.

A large number of Alpiners were on hand as supervisors heard the Otay plan for Dehesa Valley, and the Lakeside

**BURAKS BUY DUN'S HOME**

Escrow closed May 1 on the 3-bedroom home with 5 acres belonging to Mr. and Mrs. Carrell Dun, with Dr. & Mrs. Robert Burak occupying the spacious house May 14.

Buraks are leasing their home in Palo Verde to Mr. and Mrs. George Parker and two teenagers for several months till their home in the subdivision is completed.

The Dun's bought a lovely new home in Poway, moved there May 10th.

Sale was by Elsie Hoffman of McKie Realty here.

Lively, perky, full of pep and a jolly man about town, besides working hard around his place, part-time bartender at the Log Cabin Cafe Lounge, and occasionally reverting to his old trade of cement work, is that boisterous youngster, Fred "Andy" Anderson, of Alpine Blvd. above the Willows.

Reason for this accolade is that Barney Ratliff, owner of the famed cafe in which an ancient oak grows, threw a jolly birthday party Tuesday night for Andy, who was 80! A lot of friends of the "youngster", whom everyone loves, were present and all had a bang-up good time.

Andy demonstrates the medico's adage that if a man retires and sits around on his heinie with nothing to do, he'll last but seven years!

"That's absolutely right" says Andy as he sweats over a job on his ranch, or goes fishing with some old crony-- "Anything to keep busy and enjoying life-- especially in Alpine".

## EAST COUNTY FAIR IS REAL COUNTRY FAIR.

Not to belittle by any means our wonderful So. Calif. Exposition at Del Mar-- which was the real SD County Fair-- but our inland show at Gillespie Field, May 28-June 1, has really come of age as a genuine country show.

Hal Roll, entertainment chairman for the lively Jaycees of EC that has sponsored it these many years, says "You name it; we've got it. This is the best entertainment package yet!"

The real old-fashioned county fair was based mostly on live stock, and this year they are having much more in that line, but the fun is what makes a fair really go.

They are presenting fine paid talent, entertainment that will have something for every group. Headliners for the big five days will be Hollywood professionals: Lawrence Welk's talented dancer Arthur Duncan, who is also a night club star, but due to so much talent on Welk's time, he does not sing, but will here, also offer comedy.

For country music enthusiasts, there will be Margie and the Foothill Swingers Western Band; young Bill Ayers, folk-singer and composer, and a remote broadcast by radio KSON.

Old and young will love Henry's Chimps, billed as "The funniest act in the business", and the Chinese magician Jay Lee and the Princess, doing startling things flavored with comedy, are but a few of the many acts the Jaycees present. Latin flavors will be offered with real Mexican and Spanish dances. Shane, Vernon the Clown and a lot of others will be on daily, and Radio KFMB will broadcast remote from the fairgrounds.

Yes, day and night for five full days, everyone will be enjoying the big show put on by those zestful Jaycees of El Cajon! - CI

If you think studying the stars is a staid hobby for bulbous-headed old scientists, you're not with it!

The lively SD Astronomy Assn., came out Saturday night 40 strong with 12 telescopes and enjoyed its "star party" from dusk till SD fog obscured the bright Alpine heavens at 10.

The slim crescent moon was studied, then Jupiter with four of its satellites visible was viewed, and a fascinating star cluster M-13,

### FESTIVAL FOR CAMP LA CIMA

Sunday, June 1, an open house, art and hobby show from 10 till 2 is slated for the public at Camp La Cima, in Cuyamaca State Park, 13 miles south of Julian, via Hwys 80, 79, S-1 and the camp access road.

There will be a tour of the modern facility, exhibit of fire-fighting, and other activities. Hobbycraft items will be for sale.

The camp is jointly run by forestry-corrections divisions of the state so that inmates may learn, train for fire-fighting, and evince their good will.

The Vinnell freeway job, opened last week, cost \$3.6 million for the 3½ miles, was started in Dec. 1967, gives full freeway from SD to Deadman's Curve, leaves only 20 miles to complete in the county.

And then there was the woman driver who went to heaven- and knocked one of the gates off getting in.

On the same program of Sun-up, Bob Mills interviewed tiftat jolly western star Ken Curtis who plays Festus in Gun-smoke, along with Lex Conroy, one of the owners of Pacific Indoor Rodeo which opened that night at the Sports Arena.

Curtis, who has a splendid voice, was at one time lead singer with the famed Sons of the Pioneers, started show biz as a singer.

### FRED RUBIO

## HORSE TALK

By The Double C's

At long last Alpine has a resident vet and are we all thrilled. It just proves that our area is growing faster than we believe. We are happy Dr. and Mrs. Lee Lacey are moving here. If your pet needs attention, now all you will have to do is drive down to the former Doll House instead of driving all the way into El Cajon. We are not sure when he will be open as they are moving down the middle of June from San Jose.

Laurie McGrath called us Sunday and is in the market for a nice horse. Ginger, the little quarter horse filly she bought from us several years ago, has something wrong with her hoof, so she can't ride her. She is one of Red's colts.

We are looking forward to the Lipizzan show scheduled for June 6, 7 and 8 at the Sports Arena. This will be the first appearance of the Royal Lipizzan Stalions of Austria and we are thrilled we can go see them.

Highlight of the show will be a female rider doing the Capriole leap. The jump is considered to be the most daring and difficult feat possible for a horse and only the famed Lipizzans have been able to consistently perform the task.

The show will be performed at 8:30

Horseowners all over the county will be glad to know that the SD Humane Society is now providing around-the-clock service for calls regarding lost or found horses. In the past we have had to keep the animal till we found the owner and have heard of cases where neighbors have held them for several weeks, so this is a good service. If you find a horse and haven't a place to keep it, call them and they will dispatch a trailer and take the animal to the shelter till the owner can be found.

The Jamul Riding Club is sponsoring an open gymkhana show and barbecue Sunday, June 8. Several from here plan on attending and include Gary Menconi and Jackie Reed. We might go but it all depends on how fast Celeste can get her filly Angel in shape. Red is expecting her baby any day so is out of commission for at least 6 months and she has to depend on the colt for riding and shows.

Alpine's horse population is gaining recognition daily with the trophies and ribbons they are bringing home. Sunday Dick De Matteis, trainer for Rockin' H Ranch and Tracy King showed two colts, their first time in the ring. Tracy, riding Ivanhoe Bobby, placed in 2 pleasure and 2 equitation classes and Dick, riding Gipsy, took a beautiful trophy in Western Pleasure. The show was put on by SD Morgan Horse Assn. in the Turnbieweed Ring, Lakeside. Dick said the competition was keen and the show well attended. They were thrilled with their good luck.

Sunday he takes Tracy again to the quarter horse show in Escondido, and is trailering 3 up to compete in that one. We wish them both lots of luck.

Lucas is a senior scientist in electronics with Lockheed Oceanography.

Sunday and Monday he and Wm. Bridge, executive director of the SD Hall of science where they are building the new planetarium, came up out of foggy SD to track Apollo 10 in Alpine's clear atmosphere. After careful study of charts and schedules the two scientists spotted the tiny spacecraft near Castor & Pollux above the young moon, and your editor had the thrill of looking at it.

The small flying object with its 3 brave astronauts spun slowly over halfway to the moon, reflecting sunlight from its windows and body, growing and diminishing in magnitude as it sped moonward.

Wayne Johnson, secretary of the Jaycee's big East County Fair at Gillespie Field, May 28-June 1, says Carol, Marsha, Humbug and Yoko will make their first appearance at the big show.

"All 5 aren't exactly from the SD Zoo" says Johnson, "for Marsha is Marsha Wilson, 22, 'Miss Zoofari', representing the zoo this year on TV and radio, and at a variety of civic functions. And, whenever possible, animals from the Children's Zoo accompany her during her appearances".

Carol is a baby Asiatic elephant, about two years old, who happily mooches peanuts from visitors to the Children's Zoo. Right now, she's only about 5 feet high, but when fully mature, will be about eight feet tall and weigh 3½ to 4 tons.

Humbug is a tiny female golden spider monkey, and Toby and Yoko are male and female Bengal tiger cubs. The party will be at the fair for three days, Friday, Saturday and Sunday.

**WORK ON SECOND MAIL ROUTE**

Burgeoning Alpine and the opening of I-8 through the area have necessitated the splitting of Route 1 here into two in order to facilitate handling and cutting down on mileage, reports Postmaster H. T. Magnussen. He has been measuring and timing the overpasses and bridges so as to make the two routes most efficient and speedy.

"We expect to finish the survey shortly, then submit the plan which could be approved soon and the switch made", he says.

one, which was prepared by the county Dept. of Special Services last year. It calls for abandoning the local system which cost \$120,000, and will be reaching capacity when Alpine Village and Vista Alpine Mobile Home Estates are occupied by 443 families, plus the fast growth of the community.

Supervisor Harry Scheidle told how time is running out and the county plan should be approved. He did not oppose Otay, but it meant delays, and time is the essence now as the water control office says the Alpine menace of pollution to El Capitan Reservoir must be remedied by 1971.

The bond issue of \$580,000 would allow \$80,000 for buying into the Lakeside district, the issue going for lines from here to there. Application has been made for a federal grant which would return Alpine about 30% of the project's cost.

Warren Barney, special district's head, said the local plant is nearing capacity, 70,000 gallons daily, 36,000 being now the total which comes from 150 families. The water control office has said that 50,000 gallons is top capacity. Supervisors said an election will be set within three months.

## DOUBLE TALK

By Cecile and Celeste Irvine

Things are really humming down at EC fairgrounds. Tonight they will select a queen to preside over the show which opens May 28. They are having Arthur Duncan, tap dancer from Lawrence Welk's show as one of the specials plus lots of other entertainment. Sounds good to us and we never miss it. If you can't make it on opening day, remember the show runs for 5 days, closes June 1, then we have the big Del Mar fair to look forward too the end of June. For a lot of us, it is going to be a busy time with finals, Cece being in the Fairest of the Fair contest and then trying to get away to visit Cynthia and Bill later on in July.

The Armed Forces Day parade was real good but we were in formals. sleeveless too, and froze while waiting our turn to go down Broadway. Incidentally it was warm and nice here in Alpine. Cecile, June Brown and I were atop the car and it was a thrill to wave to the people and have them give us an ovation. We think the parade was well attended as the papers said over 10,000 were there but wonder if they just estimated or knew for sure. People were 4 and 5 deep along the route and were even on the sidewalk after the parade turned off Broadway. We all had a good time and were happy to participate.

Tonight Mrs. Anna Jerney is giving a bridal shower for Donna Schwenck and we are sorry we can't go as Celeste is participating in the East County Fair Queen Contest and she has to go. Maybe

Dickie Greathouse left for Vietnam last week aboard the USS John W. Thompson, a destroyer. His back improved enough for active duty so they shipped him out on this cruise. His wife Suzanne will stay in Lemon Grove until he returns.

We just learned that Carol Bredesen got married to Lee Johnson during the Easter holidays, is living in El Cajon. Lee is a coach instructor and this summer they plan a nice honeymoon to Tahiti. Dr. Bredesen was in the first of the week and told us the good news. Carol is finishing out her 2nd year at Grossmont College.

Maxine Cabella was in the hospital in SD for several days with poisoning of some kind. She swelled up and itched so her doctor put her in for treatment. Luckily her parents were available to take care of little Joey for her so she didn't have to worry about his care. She called Sunday and was on the mend.

Alpine Amigos turned out enmass last weekend to finish planting the triangle in front of Alpine postoffice and it is quite an addition toward Alpine's betterment. They consulted a forest ranger to get plants that would survive under eucalyptus and hope the little park will flourish and add to the beauty here.

Interested in folk dancing? The federation is inviting any and all interested to their "Fiesta 200" May 20-June 1 at the Community Concourse. Admission is free and should be well worth attending.

#### LITTERBAG SEASON IS HERE!

"Now that picnic weather is back," says Capt. V.J. Herz, CHP head of the SD area, "it's a good idea to be sure you carry a litterbag in the car".

Two sections of law prohibit throwing any litter, bottles, cans, garbage, and lighted cigarets, etc, onto any highway.

He adds that citizens can assist the busy CHP by reporting license number of any vehicle seen tossing any flaming item onto the road.

**PEDLAR DOLLS DISPLAYED**

At their regular monthly luncheon Wednesday at Alpine Oaks Mobile Estates, Mrs. Allie Vigneault gave her informative and interesting talk on the Pedlar Doll with over 50 different ones on display. Her husband Blackie, made a wagon to go with her Levi Strauss doll. He was famous for the Levi pants, having come to California during the gold rush with the idea of selling tents to miners. This they didn't need but were desperate for trousers. He converted the heavy material into pants which made him rich and famous. The little doll is dressed in his authentic costume with the wagon piled high with Levi's.

Grace Willis is in charge of the luncheon, comes and door prizes.

"But my dear madam, there's no use consulting me about your husband, I'm a horse doctor."

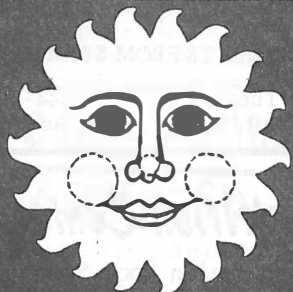

"Well, my husband is a chronic kicker."
