3 COUPLES COME TO VILLAGE

Bruce Halgren and wife from EC have just moved into one of the fine new Alpine Village Apartments. His father is fire chief in EC.

From Pico Rivera B.F. Woods and wife moved in Tuesday. He is retired.

From SD on July 2, came Robt. and Jerri Percival who are now just about settled.

Auren Pierce, who with Norman Dahn developed this modern addition to Alpine's housing facilities, say the 70 units will be fully occupied very shortly. The place is improving every day as landscaping and plant growth proceeds.

Classified ads in the sun will sell just about anything, try one!

ANOTHER POTLUCK AT THE VILLAGE

Residents-- now numbering 105 in the 53 apartments now occupied at Alpine Village-- are to enjoy a potluck dinner Tuesday at 6:30 pm. Mmes R'Ola; Vanderburgh, June Chaney and Mable Walker are chairmen of the usual jolly event, report Mr. and Mrs. Duane Cracola, managers.

Photo shows the attractive new rustic sign for the village on Arnold Way, with some of the flowers now in bloom on the bank.

Throughout Tuesday friends came to congratulate Maj. Jas. E. Snow, USMC ret'd., on his 83rd birthday.

The ever interesting SD Zoo has received two rare kiwi birds from NZ, valued at \$10,000 each. That's for the birds!

TEARS AND AGONY OF WAR FELT IN ALPINE.

Many here who knew and liked John Edwards sorrowed deeply to learn that he had died.

This totally disabled army man, a veteran of WW2, made his home here for quite some time. Separated from his wife many years ago, he had carefully and efficiently raised his only son, Johnny, only to suffer the agony of losing him in the wicked Vietnam war.

Johnny was a fine lad and a smart boy. He had worked at times for the Sun, visited the house, was always a gentleman, quiet, polite, interesting, and a good mathematician.

When Alpine learned of his death,

this community's first war casualty, not a few wept over the news. When his father died last week, a few more got big lumps in their throats.

This is but a small part of the agony and tears of mankind's wars. Recently Maj. Victor Colasuonno, a USAF pilot, of Wichita, Kansas, lost his life in Vietnam.

To a school where he had once said, answering a query as to what is war: "It is all the horrible things a human being can do to another because he has not learned to love.."

After his death, his answer was read to the entire school where his four children attend. Among things he said war is not: "It is not a game which you play and which I played as a child, where you go home to a good supper and a warm bed after it is all over".

"War is a time of tears when we must overcome our sorrow for our comrades and do what must be done, no matter how difficult.

"It is the curse of man because he will not listen to God's will. War is the agony of man because he will not love his neighbor.

"If man learns to love, there would be no wars, for man does not hurt what he loves".

It is 2000 years since Jesus said he brought "a new commandment, that ye love one another". Will it take another 2000 years for all of us to learn this simple idea?" -CI

VETERAN JOHN EDWARDS DIES

The father of Johnnie Edwards, Alpine's first war casualty in Oct. 1967. John Edwards, died in his sleep in Tombstone, Ariz., July 1.

The report was given the Sun by his friend Louis Pick, who saw him only the day before while en route home from Dallas with his wife. Edwards, a totally disabled veteran of WW2, suffered from emphysema, had lived here in one of the Pick apartments. He was a native of Florida, where his family lives. He has a young married daughter with one child.

Funeral was in Tombstone where burial followed, Pick was told by Ed Schuboth, with whom he lived, also a former Alpiner.

"When young Edwards was killed, the father lost all interest in life" says Pick, "and he said he just wanted to die in his sleep, which he did".

Strong, also SMC in USN, had not seen his shipmates for three years, Scully and Westbrook for 6 years. Scully was retired as SMLc. So the three families and their youngsters enjoyed the day with barbecue and "shooting the breeze", or Navy and personal shoptalk.

Mrs. Emma Holmes, who has been on an extended vacation which took her to Oklahoma and Texas, is back and "happy to be home" she says.

Monday is potluck and she invites all senior citizens to be on hand and enjoy the day.

HORSE TALK

By The Double C's

We were glad to hear that Alpine is planning another rodeo. Last year's was well attended and brought a lot of publicity so are real happy to get the news. The Youth Center is sponsoring it this year instead of individuals so they can make a nice sum for their treasury this way. The date is Aug. 9 and 10 and is IRA. We also learned that there will be a dance so the rodeo should be a complete success.

Ev and Ted Shilts report they now have 26 rideable horses for hire so if you are so inclined, take a trip down and go riding. Their ranch is at the So. end of Tavern Road on Dehesa Road and can be seen from the bluff overlooking the valley. Call 445-2859 for details.

Interested in buying a small, gentle mare? Call 442-4024 or 463-6392 for particulars. This horse belongs to Mr. and Mrs. Jim Cox's granddaughter and as she doesn't ride any more; they want

to sell her.

Dick DeMatteis is all moved from the Rockin' H Ranch to his new location on Alpine Heights Road. He has boarding stables, a big training ring and will give riding lessons.

Maureen and George Carrell report a wonderful time at Los Caballos over the Fourth and their trip went without incident except for seeing two bobcats and a few deer. Her cousin Judge Martin Anton and family are leaving this week for home, plan several stops to visit and see interesting places before they arrive in New Jersey sometime the end of the month.

We had a note from Gene Gregston, managing editor of the Evening Tribune and he suggests that you write him, 940 3rd Ave., SD, Ca. 92112 if you are interested in a county-wide horse column in the paper. It might be a good idea, so send your cards and notes to him with any ideas.

Howard Barrett is one Alpiner who has a big surprise when he returns home this weekend. His buckskin mare Dutchess had a filly Tuesday morning and it wasn't till Frosty Kuhn went to feed his horses that he discovered the baby. Howard was expecting the baby but hoped he would be around for the big event. Will get photos next week.

We just learned that Hal Hundley has a beautiful thoroughbred stallion named Observation that has some famous blood lines. The horse is under training now with Dick DeMatteis and guess Hal intends to raise thoroughbreds here in Alpine.

**BANG UP PARTY
FOR LOUIS
BANAAG!**

When Barney and Agnes Ratliff, owners of the Log Cabin, put on a birthday party for friend or employe, they spare no efforts to make it memorable.

So Tuesday night last week in the cafe where the old oak tree grows through the roof, which has made it world famous, they staged one for Chef Louis Banaag to help him celebrate his 70th birthday.

The word went around that all of his friends were in-

vited for an 8 o'clock party with plenty of delicious viands, hors d'ouvres and fun. In photo, from left, beside the groaning board: Larry Glavin, Scoutmaster; John De Meio, bartender, Barney, and the little man from the Philippines. He was born in San Carlos City, Pangasin, P.I., July 1, 1899. He has been in the U. S. since 1926. For 6 years he was chef at the Rainbow Inn in EC, since then, chef at the Log Cabin.

"I like Alpine and my job and I'm going to stay here till I die", he declares.

His wife is presently in the Islands where they have a son in Manila and a daughter in San Carlos City. She was queen of the festival there, much to their enjoyment.

Forestry and other firemen were attending lessons on fighting blazes at PV Wednesday when a real fire at the dump, 5 miles away, afforded all a lively lesson, reports Dale Bennet, Alpine's chief. Three acres were razed. Four bombers aided groundmen from PV, Descanso and Alpine.

RECREATION ISSUE COMING

In the June 20th issue an editorial on "Recreation, Keynote to Back Country Future" was hailed by public-minded readers as quite true and created much interest from many resorts in East SD County.

Because of this, the Sun is going to have a special "Recreation Issue", out Aug. 1st which will carry ads, stories and pictures from many fun spots.

Don't miss being represented in this big one. Contact the Sun now and reserve your page and our advertising manager will personally call on you or call her personally, 445-4640 and she will make an appointment.

This will cover the back country with nearly 2,000 circulation, so don't delay, get copy in early and reap the benefit of this huge issue", say the Sun owners, Alice and Clarke Irvine.

SWIM LESSONS OFFERED

If you are 7 or older and at least 4' tall, you are eligible to attend swim classes June Smith plans on giving in her backyard pool. She says "instruction will be in group or private, depending on the needs of the community or individual."

Mrs. Smith, a certified Red Cross Swim Instructor, has taught for several years, says "priority will be given to high and junior high young people. Many in this age group only need polish and confidence which can often be accomplished by relatively few lessons. Confidence is so vital because water safety in an emergency situation is simply 'Don't panic'."

For details, call 445-4367.

MAGNUSSEN DUE FROM HOSPITAL

Today or tomorrow H. T. Magnussen, Alpine's postmaster, is coming home from EC Valley Hospital where he underwent major surgery. Tuesday he entertained some of his staff from the post-office who are well carrying on the bustling business here. He told the Sun on the phone Wednesday "all's fine and I'm making good recovery and will be glad to be home". His wife Sarabeth visits him daily.

As seen from the Tavern Road Off-ramp, the handsome new Shell Station will greet motorists coming to Alpine early next month say company officials. This looks south, Tavern Road seen under the canopy, across Alpine Blvd., which has become almost as busy as Hwy used to be.

Inside, the restrooms are entered from a sort of customer lounge which is a new departure from the usual outside entrances. When completed the site will be landscaped, a fine addition to Alpine.

NO GHOST TOWN FOR ALPINE!

Pres. H. T. Magnussen's current newsletter says that the chamber has received "many fine comments on the drive through Alpine as the official scenic highway and will bring many more tourists. So, in case you were worried, Alpine will never be a ghost town." He adds that steps are being taken to have Interstate 8 here named as an official scenic highway, "thanks to the alertness of our Beautification chairman, Mrs. Elizabeth West."

Let's face it! Many of us have reached the metallic age-- gold in our teeth, silver in our hair and lead in our pants.

BAPTIST CHURCH OF THE WILLOWS

By Clara Brabazon

Rev. Houston Burnside, formerly pastor of Alvarado Baptist Church and now a professor at State College, gave the message in the absence of Rev. Schacht who are on vacation, expected back Sunday.

At the morning service the Robert Bostrom's daughter sand and Esther Thomas entertained at the evening service.

Family night dinners will not be held in July or August because so many are on vacation.

The church received an invitation to a celebration of Portia Hamon's mother who celebrates her 100th birthday on July 20 from 1 to 5 pm.

Plans are being made for youth activities during the summer months.

BENNETT ENJOYS VACATION HOP

Pioneer Chas. E. Bennett of N. Marshall Road, is back from a flight to points in Indiana where he visited many friends and relatives. He flew to Chicago where his nephew Fred Cohee picked him up, drove to Muncie, Ind.

"Had a fine time" he declares, "with good weather, but some rain and thunder storms". He was gone for three weeks. He operated the old Texaco station here, sold out to Bob Wilson.

"HURRAY FOR ALPINE!", SAYS C OF C

The July 1 issue of the chamber of commerce quarterly newsletter carries this paragraph:

"We hope all of Alpine is as thrilled and happy as we are knowing our Miss Alpine, Cecile Irvine, was first runner-up out of 25 other beautiful queens in the Fairest of the Fair Contest. In fact, Cecile tied with the elected Fairest, it was that close. Hurray for Alpine!"

2-STORY HOME IS A-BUILDING

LeRoy Peterson who built most of the fine homes in the Highlands is seen at the corner of the modern 2-story residence he is erecting for a SD couple. Dennis B. Manion is the owner, bought the 2½-acre site from Gene Wilcox at 1901 Tavern Road.

The home will have 3 bedrooms, 2 baths and a double garage 20 x 24. Views are magnificent in all directions. In front of the garage they plan a fill for entrance as the structure is on a hillside.

The Manions hope to be moved in late next month. He works at North Island, lives in SD at 4181 Wilson, is a USN veteran.

HAROLD CONAWAY

Service was Thursday in Greenwood Mortuary for Harold D. Conaway, 56, of 6436 Dehesa Road, who died the Sunday before. Entombment was at Greenwood. Survivors: widow, Isabelle B.; one daughter, Patricia A. Conaway; one brother, one sister.

Luther Mohr, Security Bank manager is home from a 3-week vacation to his old home in Iowa, accompanied by his wife and 3 girls. "Wonderful time", he avers, looks refreshed, big smile as always.

DOUBLE TALK

By Cecile and Celeste Irvine

Well, another chapter closed on the big Del Mar Fair and we were thrilled to be a part of it this year. On our breaks we tried to take in as much of the Expo as we could but with limited time, didn't get to see all of it.

We have attended most of our lives and never have we seen the grandstand completely filled to the rafters like it was July 4. Jimmy Durante really packed them in and we sat right under the grandstand so got to see him in action up close. The fireworks were great and we were glad the Expo was such a huge success with crowds topping last year's show.

Mark Bell left Sunday for Vietnam via Oakland, Anchorage and Japan. He will be stationed in heavy equipment with the Army so won't have to do any

actual fighting. He will become a PFC in two months as he has been at Ft. Ord for several months training for this job and has earned the higher rank.

Charles Jerney joined the USAF but doesn't have to report till he is through with a course he is taking now.

Mandy Payne Pscholka and her baby boy Doug drove back to Kansas with her dad to see Jody and the new baby boy they just had. The little fellow was named Jeffry Carlton, was born June 14 and weighed 5 lbs, 8 oza. Mandy plans to return by jet this week as she is expecting her husband Danny home from Vietnam any day now.

Martin Bell cut his little finger badly last week which required 8 stitches to close the wound. He was boating over at Palo Verde Lake and hit something on it when he dove overboard. The doctor said he was lucky as it came close to cutting a tendon.

Frank Scully is home on 30 days leave from USMC, will report to the depot for more schooling in radio communications before being sent overseas. In the meantime he is enjoying a nice vacation from duties.

We spent this week in Oceanside at the beach and had beautiful, warm weather so really enjoyed ourselves. But it is good to be home again too.

CUSHINGS ENTERTAIN GRANDSONS

Mr. and Mrs. Ralph Cushing and son Ward are entertaining two grandsons Dennis Teddy, 17, of Detroit and Pat Ryan from Utica, Mich., 15, who flew out this week to spend a month in Alpine visiting them and friends they have made on previous visits.

Miss Marjorie Breeden, retired lawyer, suffered a fall on Thursday of last week, breaking a wrist. She slipped on the waxed floor.

By the time most men learn to behave themselves, they're too old to do anything else.

NATURE STARS IN 'KRAKATOA'

If you like adventure, the South Seas and the most thrilling spectacle of history, plus real live drama, than "Krakatoa, South of Java" in Cinerama now at the Center Theatre in SD, is your prize.

While there is no audience swaying like the first Cinerama's rollercoaster, you become involved in this widescreen, colorful and all-around sound film. You see real lava flowing, real tidal waves following the crackup of Krakatoa-- a history making event of 1883, plus the rock bombardment of the ship wherein the dramatic part of the picture is laid. Photography, special effects and music are superb.

Fine acting is done by the treasure hunting ship's captain, Maximilian Schell, Diane Baker, his sweetheart; Brian Keith, a diver and his lover, Barbara Werle; with Rossano Brazzi and Sal Mineo, balloonists aiding in the hunt for the lost pearls with John Leyton and his diving bell.

But the high point is the natural phenomenon of the volcano, with its

noise, fire, explosions and rock and flame barrages on the ship, and the sheer excitement of the varied scenes. Brazzi, who did such a fine singing job in "South Pacific" for some reason was mum when he could have let us enjoy his eloquent voice.

Direction by Bernard Kowalski was fine, with Wm. Forman as producer, apparently sparing no cost in making one of the most spectacular films ever screened. It is well worth seeing. To enjoy it more, read the story of Krakatoa in your encyclopedia; the picture will take you right back to that unbelievable explosion, the largest the world has ever seen. -CI

SHE HAS LIVED A CENTURY!

Florence M. Estep, who lives with her daughter and son-in-law, Mr. and Mrs. Edward Roethel, South Grade Road, celebrated her 100th birthday last week. She was born in Mapleton, Kansas, on July 4, 1869. The privilege has been hers to live a century and see America go from the horse and buggy era to the space age. She has lived 48 years in SD County.

Among the many birthday congratulations received by Mrs. Estep was one from the White House from President and Mrs. Richard Nixon.

Her daughter, Mrs. Roethel, reports that Mrs. Estep is still quite active and has enjoyed her birthday festivities.

Flying from Little Rock was Mr. and Mrs. Melvin Anglin, from Hollywood, Frank Fox and Mr. and Mrs. Jack Jackson flew in from Seattle

The charming Mrs. Estep, who has a poetic turn, scribed this verse, had it printed on a birthday card she sent to friends and relatives:

My date of "birth" has always been

A most familiar day,
July 4th, when most folks go

For celebrations gay.

This year of nineteen sixty-nine

I've lived a century:
One hundred years is quite some time
To be around, you see!

When asked if I some secret have

For this long stay on earth,

My answer is: Thanks Be to Him

Who chose to give me birth.

Glo Newton and two children, Sean and Marnie, left Wednesday by train for Anaheim to visit relatives. Bob plans on driving up tomorrow to join them, will all drive home together.

NEW SECRETARY AT C of C

"It is with a great deal of sorrow that we had to accept the resignation of Ivy Kuhl as our executive secretary", states Pres. H. T. Magnussen in his quarterly newsletter just sent to members. "She will be greatly missed. Miss Marilyn Lee has kindly consented to give it a try. Many business people know her because of the Special Freeway Issue she did for The Sun".

Miss Lee is handling ads and doing some writing for the paper and is working on another special, a Recreation Number, for Aug. 1. It will tell of the great Mt. Empire that is San Diego's playground and magnet for leisure activities of the Southland. She has resided here for some time with her father, a retired newsman from L.A. She was a music reviewer and conducted a youth page for the L.A. Examiner.

Note- The Sun deeply appreciates the fine cooperation it has had from Mrs. Kuhl, is also sorry to see her retire. In passing it is noted that members tripled during the time she was in charge of the office. -CI
