FRED RUSHING, C OF C PRESIDENT AND PHIL HALL, POSTMASTER LOOK OVER SPECIAL ANNIVERSARY ENVELOPES. CANCELLED ENVELOPES ARE AVAILABLE AT THE CHAMBER OFFICE. (Town and County Photo)

ALPINE— November 11th is the 100th anniversary of the Alpine Post Office.

Much history has gone by since the days of the first post office which was attached to a general store.

Only a few people lived in Alpine in the year 1865 but it was already well known for its splendid climate.

Many changes have come about through the years. The most noted change being that of the rise in population. Alpine now has 3,700 people living among its beautiful hills and gorgeous rocks.

Many of the old-timers may remember some of the names of the postmasters of days gone by, so we are going to take this opportunity to list the ones that we were able to find.

They are as follows: Henry J. Whitney, Nov. 11, 1865; Charles F. Emery, Jan. 24, 1891; Timothy M. Albee, April 29, 1903; Edwin W. Snow, May 27, 1909; John B. Wilkinson Jr., April 18, 1913; Harold L. Flegal, August 25, 1914; Maude M. Hilton, Aug. 14, 1916; Alice Simmons, 1935; Wiant Chance, 1946; Dorothy Hall, Dec. 1, 1947; and Philip G. Hall, July 16, 1949.

To celebrate the anniversary of the Alpine Post Office, the Chamber of Commerce has prepared anniversary envelopes which bear a special insignia in honor of the occasion. They may be purchased at the post office or at either of the local markets.

Thursday, Nov. 11th, is a holiday, but as a special favor to those who would like to have their envelopes cancelled on this day, Phil Hall, Postmaster, is to be at the post office for several hours to cancel the special envelopes.

Alpine is looking ahead to the day when they can celebrate the 200th anniversary in the town that has the "Best Climate in the U. S.", by Government Report."

New Board Meets

ALPINE — A special meeting of the newly elected Board of the Chamber of Commerce was held Tuesday evening.

Business for the evening included the appointment of next year's Horse Show committee along with a committee to take care of the Christmas Decoration contest.

Acacia Club to Meet

ALPINE — Friday, November 12 at 6:30 in the evening, the Alpine Acacia Club will be held at Fuller Hall. All members and friends are urged to meet promptly for the Thanksgiving dinner that is scheduled.

A program of interest has been arranged for the evening.

TOWN COUNCIL MEETING SET

ALPINE — The Woman's Club will be the scene of a meeting for the proposed Alpine Town Council meeting. It is set for 7:30 p. m. Friday, according to spokesman for the group, Alpine Cafe owner, Jack Elms.

At this time, the exact purpose of the "Alpine Town Council" is not known.

Everyone interested in the future of Alpine is urged to be in attendance.

Local Girls Win in Track Meet

The largest women's cross country meet ever held in the U. S. took place recently. Age division 11, 12, and 13 Alpine girls team took second to all teams in Southern California. They included Sharon Dana, Judy Hopple, Lynne Thorpe, and Patricia Presley. Although the girls are all from Harbison Canyon, they were representing San Diego Women's Track and Field Association.

Individually, Sharon Dana scored highest by taking third place honors in a field of 37.

In the 10-year-old age category, Debbie Dana took first place honors in record time.

The girls will be participating next Saturday in a meet at Long Beach State College and will end the season Dec. 4th with a meet in the Pasadena Rose Bowl.

Carty Family Buys in Alpine

Mr. and Mrs. Morris E. Carty have recently moved into the attractive two-bedroom and den home they purchased from Mrs. Gertrude I. Brown of Japatul Valley. Mrs. Brown teaches school at Descanso.

Mr. Carty was born in Kentucky and came to Winchester, California when he was nine years old. He grew up in California, living in Pomona, Long Beach and has worked for 40 years as an electrician in San Diego. He has six children, two boys, one, Mike Carty is in real estate in La Mesa, and four daughters who live in San Diego and one in Phoenix.

He recently sold his home in Hemet because he liked the Alpine climate and decided to move here for that reason. His wife enjoys gardening and thinks she will enjoy living in Alpine.

Their new home is just off Olivewood Lane. They plan several improvements. The property was sold by Charlene V. Brown of Pierce Realty Company, Alpine.

Lutz Turned Down by Board of Supervisors

SAN DIEGO — At the regularly scheduled meeting of the County Board of Supervisors, the Board turned down the applications of Harold Lutz.

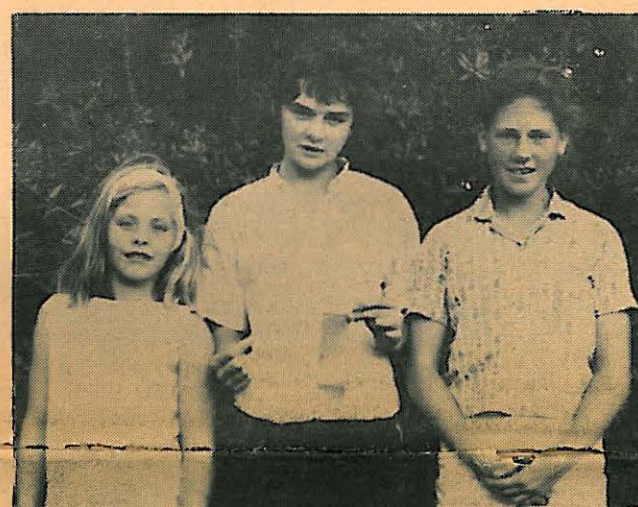

Lutz had applied for a special use permit for micro-midget and motorcycle race track and for a variance to expand an existing legal non-conforming use (micro-midget and motorcycle race track) by extending the length

of the race track.

Proponents for both sides of the issue, appeared to state their cases.

The Board, after hearing the arguments, turned down the requests unanimously.

Harold Lutz was referred to the Planning Commission after alleging that the motorcycle track in question was actually started in 1960, two years before the zoning in Alpine.

CROSS-COUNTRY CHAMPIONS FROM HARBISON SCHOOL LYNNE THORPE, SHARON DANA, AND JUDY HOPPLE.

Thanksgiving Dinner is Set

ALPINE — The Alpine Amigos 4-H club has announced that they will hold their annual turkey dinner at Fuller Hall.

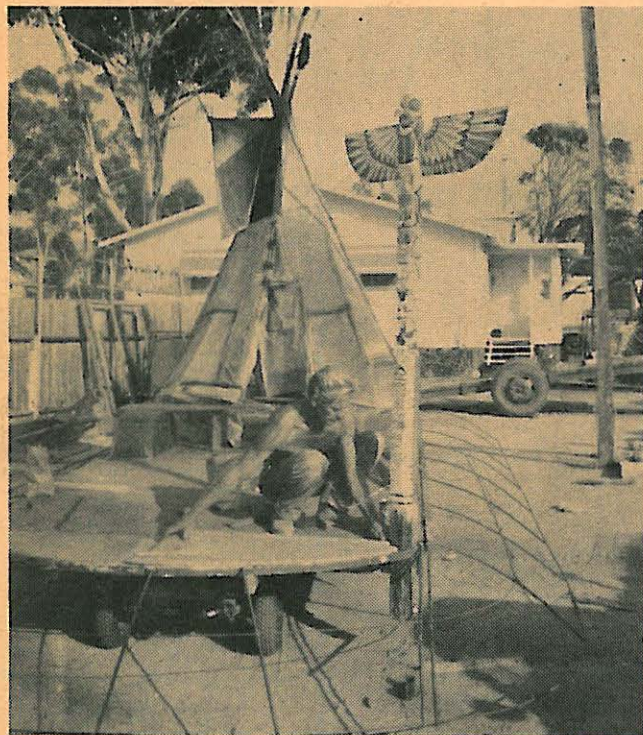

This special dinner is prepared for all those who might not be able to be with loved ones this year and possibly will have to spend the holiday alone, particularly senior citizens.

The dinner is planned for noon at Fuller Hall and it is free to guests.

The young ladies and young

men will prepare all the food. It will be remembered by residents hereabouts, that last year, five stranded foreign students were guests at this meal.

They had been brought to the attention of the town by the George Lutz and Harold Lutz family when their car broke down. The two Lutz families hosted them for several days and many people from Alpine joined in to make the occasion a memorable one.

SOON YOU CAN LEND A HAND TOO! Rick Zuelke of Alpine Village Arts works on the Mother Goose Parade Float.

FLYING SHOW IS SCHEDULED

PALM SPRINGS — The International AeroClassic, the first annual exposition of progress in general aviation, will be held from 9 a. m. to 5 p. m. on November 11 through 14 at the Palm Springs Municipal Airport.

It will present a four-hour flying show each day, a huge industry exhibit, scores of antique and modern planes, aerial dogfights, and world championship sky diving, balloon races, airplane races, glider flying and acrobatic flying.

FORENSIC GROUP HOLDS MEET

GROSSMONT — Grossmont College participated with universities, four year colleges, and junior colleges from the far western states in a Pacific Southwest Forensic Association speech meet held on the campus of San Diego State College on October 29 and 30.

When the talking finally subsided, Sandra Cunningham from La Mesa and Grossmont College, had won a rating for Superior in Women's Extemporaneous Speaking.

To Hear NASA

ALPINE — A visit to the Alpine Elementary School on November 19, sponsored by the Alpine Union School District, is part of the worldwide itinerary of the NASA Space-mobile.

Starting from the ground up, the National Aeronautics and Space Administration is taking an "earthly approach" to space with a NASA Space-mobile.

The Space-mobile, a traveling educational unit of the National Aeronautics and Space Administration literally brings "space down to earth" to tell people about space sciences and America's space program.

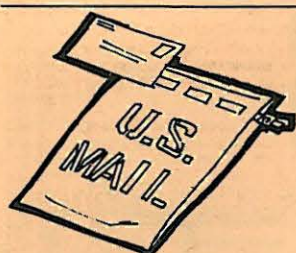

Professional science educators, authorities on space sciences and the activities of the National Aeronautics and Space Administration, conduct lecture-demonstrations. The lecturer demonstrates basic scientific principles with visual aids and experiments. He explains scientific programs using authentic scale models of rockets and spacecraft to illustrate actual hardware.

Space-mobiles operated by NASA tour all over the world and the lecturers talk to some 400,000 people per month.

Dear Friends,

How wonderful it was to have you drop by last Saturday and to see the results of your step of faith in beginning a fund for an organ for the Mission. The arrival and use of it this past week has already been a blessing and affected many in San Diego County.

Please convey our appreciation and thanks to each and every one who had a part and extend to them an invitation to come and worship with us as we sing praises to our Wonderful Lord and Saviour Jesus Christ.

We trust God's richest blessings will be yours for making this wonderful addition possible to the ministry here.

Sincerely,

E. H. Whitford

I know how hard you are working to prevent any situations which leads (sic) to property devaluation, in Alpine. I would appreciate your efforts to correct a condition which might prove to be a real health problem. My subject is on stagnant water, stagnant ponds and places that harbor the nesting of mosquitos.

The other morning at 4 a.m., the worse noise possible awakened me. It sounded like motorcycles coming from the west of Alpine. The noise was stable right in front of Mr. Cunningham's place on Highway 80.

We all know he sat in my yard to count cars coming to the motorcycle races, and I felt I could count his ducks. There were more than is allowed in this area. Could this constitute a "Duck Farm"? This is a violation of zoning. (sic) The noise is also a violation since it continues after 11 p.m. The pond is stagnant and this is a health violation and much more. The fact that the pond is not lit by lights can encourage stealing a duck (police hazard) which might prove a Felony.

But those swarming mosquitos nearly ate me alive. Could this condition be the cause for spreading virus (sic) in this area?

School Board Meets

ALPINE — The regular meeting of the Alpine School Board of Trustees was held on Tuesday at 8.

The Board will prepare a project to utilize \$5,578.54 allocated for the Alpine District from Title 1 Federal funds.

The Harbison Canyon multipurpose room is scheduled to be completed about the first of January.

On November 23, the pictures for each student will be

Does anyone know how to read Siamese? Bill Neiderhauser of Alpine had dinner here last week and he teaches history at Grossmont. He is a very interesting personality and talked about Viet Nam. We learned a great deal about his experiences. As he left, he signed the guest book in Siamese. Care to take a look? Be our guest!

The Ted Lee Dog World of 9927 Hawley Rd., El Cajon is planning a grand opening soon. Watch for further announcements.

Dr. and Mrs. R. F. Burak of Alpine and Mr. and Mrs. Williams of San Diego dined here last weekend. Dr. Burak speaks Lithuanian and we replied accordingly. He is well versed in Lithuanian cookery. We swapped recipes that were so familiar and nostalgic! We offered Dr. Burak a position as chief cook. Charming and interesting couple, Dr. and Mrs. Burak.

The Woodie Mitchells of Alpine along with the Joe Mitchells of El Cajon, along with Imogene Couch of Alpine, dined here last Friday evening. The Mitchell brothers plan to meet three other brothers near White Sands, New Mexico and will be leaving Thanksgiving Day for a week's trip. They are a happy group. We wish them a fun trip, and hurry back!

Mr. and Mrs. Halvar Hem of Alpine and their children dined with us several times. A delightful family and their daughter is a beauty of note!

Our guests, the Warren Cufals and their guests, the J. H. Walks of San Diego, complained constantly during their dinner. "Too much food, too good to leave, what are you doing to our figures? Please pack the rest and we will take it with us!"

Calories and diets are unmentionable words in this establishment! We provide the food. We do not provide derricks to move you. You must use your own steam!

Mr. and Mrs. Bob Morris were late diners. He is our fire marshal in this area and we think he missed his calling. His magnetic personality and pleasant chatter could easily make a perfect M.C. of him.

The Mike Lustigs and Mr. and Mrs. J. Rittoff of San Diego, also Helen Bied of Hollywood were enjoying their dinner last Friday evening, together with the foreign music when suddenly the stereo slowed down and died. At that precise moment they were asked "Are you enjoying the music?" The sudden reply was "What music?" What timing! Needless to say we felt like crawling into a hole. (We're out of it now!)

The Superintendent of Alpine Schools, Paul Clay, reported on school activities, including various testing.

REDSKINS WIN

By GEORGENE OKEY

CAMPO — After a long bus ride the Mt. Empire boys met with the San Pasqual Warriors in the third of the Redskins league football game. The game was played at San Pas-

qual High School last Friday.

As the game got underway the crowd was filled with excitement. Several touchdowns were made in the first half of the game by the Redskins. One was made by the Warriors. At the halftime the score stood Mt. Empire 30, the San Pasqual Warriors 6.

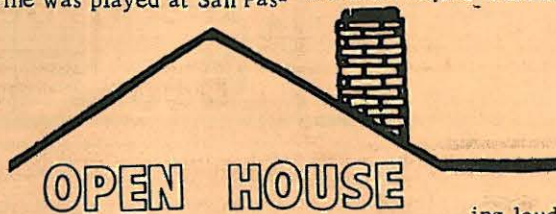

This was San Pasqual's Homecoming, they had the crowning of the Queen during the halftime.

As the third quarter started the Redskins' second squad went in to play most of the remainder of the game. Only to bring in two more touchdowns. Touchdowns were

made by Bob (Spook) Shearer, 2 TD; Mike Brown, 2 TD; Bill Richards, 1 TD; Bill (Mousie) Prince, 1 TD; Jack Stewart, 1 TD; extra points, 5, made by Bill Richards.

The game ended with the score Mt. Empire Redskins 47 the San Pasqual Warriors 12. What a fabulous game the boys played.

Next game will be against San Diego Military, Nov. 12, at their field.

By RUTH FULLER

OUR SON-IN-LAW, Dennis, dropped in, picked up the cat Christopher and said in disbelief: "This huge monster can't possibly be one of those little kittens!" Christopher has indeed grown to be a large and beautiful cat, his golden fur touched with white, and gorgeous amber eyes. We hate to admit that he has become a problem, because we love him dearly. His brothers, Marco and Hank are pleasant cats, attractive, with no personality disorders.

A PLEASANT SPIRIT of amiable togetherness prevails among our pets, and Christopher is the only trouble-maker in the group. He established good relations with Mr. Sam, but that is because Mr. Sam is a dog who has always been fond of cats. We cannot understand why Christopher is so intent on making life miserable for Penny.

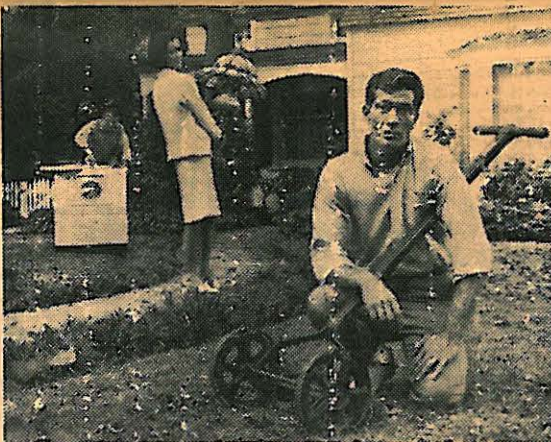

PENNY IS OUR small somewhat neurotic dog, who has never liked cats, but has been willing, usually, to live and let live. We definitely feel that Christopher is picking on her, maliciously and on purpose. Poor Penny can no longer walk across the room without Christopher showing up behind her like a persistent shadow, following deliberately wherever she goes. Penny becomes uneasily aware of the surveillance, casts nervous glances over her shoulder, and growls a bit as she hastens her step. Christopher follows suit, maintaining the same distance, purr-

ing loudly and hoarsely all the while. Penny whimpers despairingly and dashes outdoors with Christopher at her heels. When he finally grows tired of the game, he will declare a truce, but it is only temporary. When the mood strikes him, Penny is in trouble again.

ONE OF HIS favorite pastimes is heckling and harassing Penny as she takes her ease on a dining room chair, conveniently located under a window — an ideal spot for a small dog to enjoy the late afternoon sun. No sooner does she curl up for a quiet nap than Christopher leaps silently upon the table, peers over the edge, and reaches forth a tentative paw to slap the ear of the slumbering dog. Driven to desperation, Penny often seeks refuge in the bedroom. Her favorite spot at the foot of the bed is immediately invaded by Christopher, who curls up inches away from her nose. Penny once darted under the bedspread, feeling, probably, that unseen, she would be safe. Christopher pondered only briefly before sitting down upon the defenseless lump under the covers. The noisy battle which ensued did considerable damage to the bedspread, and Christopher emerged, as usual, victorious.

SO WE FEEL that something is going to have to be done about Christopher. We are now searching for a good animal psychologist. Both of our pets need help — and so do we!

SCHOOL NEWS

Friday, November 5th, Alpine had its first football game for the season against Julian. Julian made three touchdowns, Alpine didn't make a one. This was Julian's fourth football game for the season, it was Alpine's first.

Eighth grade girls played a game of volleyball against Julian's eighth and ninth grade girls. It was a close game. Julian won by three points.

The students of Alpine Jr. High are changing classes this year. It seems to be working out fine.

Bill Cress broke his foot at football practice after school a few weeks ago.

Everyone enjoyed the bands that played for the Halloween dance. They were the Masters and the Phantoms.

HARBISON CANYON

With the beginning of November Thanksgiving was discussed and why it is celebrated. The children drew pictures of their idea of a Pilgrim house. They selected Bill McCann's, Sherri

Local Mare Grand Champion

EL CAJON - Pride's Golden Gypsy, owned by Mr. and Mrs. George Joseph of El Cajon was Grand Champion Palomino mare at the Arizona State Fair at Phoenix last Saturday. Gypsy was shown by Frank Evans of the Buckeye Ranch who has been training this fine young mare for some time. Mr. Evans also showed Mr. Nifty from his stable, owned by Mr. Frank Owens of Buckeye, Arizona, in six classes never placing below fourth and not above second.

John Westfall

ALPINE - John Westfall is home on leave from the Air Force. He has been stationed in Mountain Home, Idaho for the past two and a half years, and is now being transferred to Offutt A. F. B. in Omaha. He brought his room-mate, Tom Kasimir home with him and after two weeks here, they will drive to Chicago to visit Tom's home before reporting to their new base. En route, they plan to stop and visit John's brother, Gordon Westfall, who is stationed at Lowry A. F. B. in Denver.

Election Held

Cal-Border Appaloosa Club members elected their directors for the coming year at their annual membership meeting held last Saturday evening.

The directors are Dr. John L. Boyer of El Cajon, Dave Martin of El Cajon, Jerry Slocum of Poway, Eleanor Kussman of El Centro, Dale Brockett of Brawley, Margaret Lowthian of Alpine, and David Phair of Chula Vista. Dr. Boyer was elected president, Dave Martin as vice-president, and Margaret Lowthian as secretary-treasurer.

This new Appaloosa Club which became a regional club of the Appaloosa Horse Club, the national breed association, last June, has an ambitious program planned for 1966. Their first point show will be the Appaloosa classes at the Mid-Winter Fair in Imperial next March. A total of nine point shows are being planned, most of which will be in either San Diego or Imperial counties.
