ALPINE — Mr. and Mrs. William Brown (Charlene) are now operating as Brown Realty Company. Mrs. Brown recently received her broker's license.

The Brown's have been connected with the Pierce Realty Company, El Cajon, for the past three years.

"Our association with Pierce Realty Company has been most pleasant, and we intend to continue working in close cooperation with them," said the Browns.

Mrs. Mary White and Allan R. Carlson will now be associated with Brown Realty Company as salesmen.

PICTURED ABOVE IS THE BEAUTIFUL, AWARD-WINNING FLOAT ENTERED BY THE ALPINE CHAMBER OF COMMERCE IN THE EL CAJON MOTHER GOOSE PARADE LAST SUNDAY. THE FLOAT COMMITTEE CHAIRMAN WAS ALADAMS AND HE WAS ASSISTED BY RICH ZUELKE, ARTIST WHO DESIGNED THE FLOAT. MANY, MANY OTHER ALPINERS WORKED FAR INTO THE NIGHT TO COMPLETE THIS PRIZE WINNING ENTRY, SO MANY IN FACT, THAT THE LIST OF "HELPERS" IS NOT COMPLETE AS YET. NEXT WEEK WE WILL BRING YOU THAT LIST, AND IT IS OUR DESIRE THAT NO ONE BE LEFT OUT. BECAUSE THIS IS SOMETHING THAT ALPINE HAS ACCOMPLISHED AS A UNITED COMMUNITY, JUST AS THEY DID LAST YEAR WHEN THEY ENTERED THE FIRST PRIZE WINNING FLOAT.

FATHER CHARLES DOLLEN

Local Priest is Noted Author

By A STAFF WRITER

Seated at his desk in the modern living room, Charles Dollen could be a doctor, an attorney, or perhaps a successful businessman. He has a pleasant, crew cut and warm smile. Somehow does not make one think of an austere man of the cloth. For that is what Charles Dollen is — a Catholic priest.

A native of Rochester, New York, Father Dollen was raised in a devout Catholic family. Of the four boys in the family, two became priests.

Father Dollen is in his first pastorate. He has been a priest since 1954 and was the librarian at the University of San Diego before coming to the St. Louise DeMarillac Church on the Crest.

The author of eight books, Father Dollen also writes reviews for "Best Sellers" which is a semi-monthly publication.

Among Father Dollen's books are: A Marine Corps Bibliography; Civil Rights; Jesus Lord; A Voice Said Ave!; and his most recent publication, Fire of Love.

A book of which Father Dollen speaks fondly is, John F. Kennedy, American. He wrote it especially for young people and it contains many pictures which have not been released in any other publication. Father Dollen is a great admirer of the late President and has written a book which can be easily understood by the youth of our nation in the years to come.

Interested in Civil Rights, Father Dollen

is the chaplain for the Catholic Inter-racial Council of San Diego. He feels that the church has been slow in helping the cause of Civil Rights. Education, in his opinion, will be a great factor in the racial problems of our country.

Speaking of the young people of this age, Father Dollen remarked that he has great faith in this generation. He admits that there has been a change in the attitude of young people, but feels that they are seeking a deeper reality in life. He finds that as he counsels young people for marriage, that they have a very high moral standard.

The modern youth is asking more questions and demanding the answers. Father Dollen feels that the church may miss the opportunity to meet the challenge of these young people. He feels that the church can have a real part in guiding the youth of today as they seek to meet the needs of the younger generation. Father Dollen has a tremendous optimism where young people are concerned.

Guiding the congregation of the growing church on the Crest is a full time job for Father Dollen. He still finds time, however, to write, and has four books in "the works" at the present time. This community is indeed fortunate to have a young and capable man of Father Dollen's ability to meet the needs, not only of his own church, but of the entire community.

Home Show Scheduled

SAN DIEGO — The 32nd annual Electrical and Home Show will be held, free to the public, in the Community Concourse in San Diego Friday, Nov. 26 through December 1.

More than a hundred exhibits of the latest gas and electric home appliances will be on display.

A major feature of the show will be what is believed to be the world's largest collection of ancient irons and antique washing machines.

POWER CAUSES PROBLEMS

ALPINE — A power failure, one of the eight in the county, occurred along Alpine Heights Rd. and Lilac Ln. late Monday and early Tuesday morning.

The failure was due to a falling tree at the height of the recent storm.

Because of the lack of power, the Town and Country News was delayed some six hours in going to press.

Roadblock Set

ALPINE — Wednesday afternoon about 4:30, four highway patrol cars and five sheriff's cars apprehended a lone truck and trailer on the Sweetwater bridge just east of Wil-lows Rd.

According to authorities, the law officers were following an all points bulletin concerning an armed robbery involving an elderly man from Washington State. The victim was brutally beaten and robbed of his truck and trailer near El Centro.

Traffic was halted while the law men, with drawn shot-guns, stopped the driver of the truck for questioning.

Upon further investigation, it was discovered that the suspect was not involved in the El Centro crime.

Fire Hydrants To be Installed

ALPINE — The Alpine Fire Commissioners have voted unanimously to have the Rio-San Diego Municipal Water District install the initial six fire hydrants at locations selected on a priority basis.

If the program works out satisfactorily, the installation will continue until the goal of 30 hydrants is reached.

MRS. BURSON DIES

ALPINE — Mrs. Wilhelmina Burson, 83, of 1905 Tavern Rd., died last week. Services were held Tuesday in Greenwood Mortuary and interment was in Greenwood Memorial Park.

Mrs. Burson lived in the county for 23 years. She is survived by her daughter, Grace Wilcox of Alpine, three grandchildren and seven great-grandchildren.

Margaret Archer Still in Hospital

ALPINE — Margaret Archer who was injured in an accident in El Cajon last week when she and her husband, Don, were hit by a car while in a crosswalk, is still in Grossmont Hospital. She expects to remain there for at least one more month.

Mrs. Archer is able to have visitors and is in room 170. Mr. Archer is at home and was not as seriously injured.

Youths Uninjured in Accident

ALPINE — A 7:35 accident on Hwy. 80 across from Marie's Restaurant, damaged a pickup truck belonging to Dwight Long of Alpine.

Fredrick Long was driving and Dwight Long, III was a passenger. Both young men are students at Grossmont College.

The accident occurred as the truck hit a slick spot in the pavement, spun out of control, went backwards over the bank and hit a cement

culvert. The truck was twisted into a forward position against a large tree. After the vehicle came to a stop, the two young men found themselves in the truck resting against the tree with only the tailgate touching the ground.

Neither young man was injured. The small local wrecker was unable to dislodge the truck from its perch and a large wrecker and passing semi-truck were pressed into service.

Yes, we've gone a long way since the days of the Pilgrims. Gained our independence, established a sound government, laid out towns and built cities from sea to sea.

None of it was easy and none of it was safe but it's been worth the work and the risk.

The process has made us strong, and we'll stay strong people, as long as we keep on working toward what we want to have and what we want to be, and never get afraid to risk what we have for the sake of what we want for the future.

From a diary written in the early 1920's by Gladys Hasty Carroll.

To the Citizens of Alpine (except for 23 who know all about a Town Council)

JUST IN CASE YOU ARE WONDERING:

Q. What is a Town Council?

A. That is a very good question. . . .

Q. Could it be modeled after the La Jolla Council?

A. Possible, but not probable, seeing as to how much we have in common! Name one.

Q. Could promote unity in Alpine?

A. Why ruin a good thing! There is never a dull moment, and none of us is afraid of saying what we think on a matter or writing letters to the editors (correct in spelling or grammar or not). At least they are printed. Pro and con!!

Q. It could reform the area?

A. Of course! Just going to church on Sunday and practicing what is heard and read there for the rest of the week is not enough! Besides, there are always a few who won't do it!

Q. All must work together in such an organization?

A. Your dreamer, you!

Q. The Town Council would "control adverse publicity" concerning our community?

A. This is a must! We don't want our children to know that lewd films and pretty poppy flowers were being produced locally. Just let them wander around and enjoy themselves. Who knows maybe someday we might even have a sex fiend or ax murder in the area and what we don't know can't hurt us!!

Q. Who would be on the paid staff of the T.C.? Who pays them? Who does the work voluntarily?

A. Use your imagination!

Q. Alpine would know what's going on?

A. Oh, yes, just as the preliminary meeting of the T.C. was so widely publicized in advance. (Without some alert citizens and the use of both papers, it would be born and in the adolescent stage before more of us knew what hit us!)

Q. A newsletter could be sent to inform the people what is happening in "their" town?

A. Yes! Even to all non-members. Of course, it

would only be concerned with good news. Nothing adverse!

Q. A secret ballot? No more cliques?

A. Ha, ha, ha, ha, ho, ho, ho, ha, ha!!

Q. Does Alpine need an airport?

A. Obviously! We are always up in the air over something! And there is nothing like a Town Council to really make them take off!!

Q. Why are there no recreational facilities in Alpine?

A. Depends on what you call recreation. If you get your fun out of a bottle or leaning on a bar, there is ample opportunity to have fun! This also goes for horseback riding, swimming, tennis, baseball, hiking, etc. Besides, it seems to me I heard complaints on certain types of recreation (to some) only weeks ago! Motorcycles, anyone?

Q. Why is not the Youth Center being adequately used?

A. Again, it depends on your point of view. The Lively Oaks is the most busy and youthful group I know and they make good use of it and put their time, money, and effort into its improvement!

Q. Why wasn't the T.C. held there?

A. Hmmm!

Q. Does Alpine need an industrial park?

A. Well, it needs some kind of park.

Q. Can we attract the right kind of industry?

A. Why not? We seem to attract the "right" people. But, remember, it is our climate that is best by government report, not our access to the railroad. With the coming of industry, goes the climate. Look at Smogsville!

Q. Do we want Alpine to grow?

A. Yes, but let's not sow tares. A growing thing needs time, good stock to start with and cannot mature overnight!

Q. Will a phone committee be set up? Who can be on it?

A. This is a good idea, and IF you are FOR the T.C. you may serve on it!

A. How many people attended the meeting to decide whether to form a Town Council or not?

A. Must have been 27. Twenty three voted for it; two against it; two did not vote.

Q. When will the next meeting be?

A. Proposedly on Jan. 7.

Q. Where?

A. Not at the Youth Center!

A. How many will be there?

A. If you really value your town and your ideal of free-

By RUTH FULLER

EACH AND EVERY year as the exciting holiday season approaches, I look in my mirror and I am always disappointed and displeased with what I see there. I should like to look my very best, with the promise of special events, new people to meet and places to go. This is my favorite time of year, and I always try very hard to do something dramatic about my appearance. First of all I go on a diet, so that all those extra pounds which inevitably pile up over Thanksgiving and Christmas will not be so obvious.

THEN I GIVE some thought to my hair. I experiment with new styles and I have never really liked my natural hair color, so I spend money, time and effort trying to produce a shade I will be happy with. There are so many interesting products on the market now, so many dyes which can be shampooed in, and they are all guaranteed to make you glamorous. Quite often I am pleased with the results I get, but occasionally I have a disaster, and there is one my family will never let me forget. I purchased a brand new hair coloring, read the directions with care and applied it hopefully. I waited the correct time, exactly, by the clock, rinsed it out and put my hair on curlers, as instructed. In the morning, with my daughter Pat watching, I removed the curlers, gazed at my reflection in disbelief, as Pat said, horrified, "Mother! your hair is green!"

SHE WAS SO right, my head was ablaze

dom to live and let live as you wish in YOUR OWN BACKYARD be there. Yes, YOU!!

TO SUM IT ALL UP:
Q. How do I find out about other town councils? How will this help?

A. Dig up some old clippings about the Lakeside Town Council. It is a rude awakening and shows even a T.C. doesn't work miracles.

Q. Who is the know-it-all who submitted this bunch of junk to ridicule some of our well meaning citizens who want to do us this big favor?

A. JERRY WEBB, who, with her family fought in the war against the all-powerful Lakeside T.C. By the way, it didn't die but is just catching a nap, waiting for the opportunity to save that town from the pitfalls of an independent little burg full of independent little people who like it that way!

Dear Sir:
May I commend you for your editorial about the proposed Town Council? Your determination to keep your newspaper as part of the Free Press is heartening to all those concerned with the freedom of the United States.

May I express the opinion of an elderly woman who has been in Alpine only six months but is interested in the future of the town because she expects to spend the remainder of her life here?

Isn't the whole Town Council idea an outgrowth of the trouble Lutz is having about the motorcycle races? Aren't a certain clique hoping to get control so that a "chosen few" can run the affairs of

with brilliant emerald tints. I spent the rest of the day alternately scrubbing and soaking my head until it was sore. In despair, I sat down and wrote a bitter letter to the producers of the product, and by return mail they sent me a dozen packets of dye to color my hair until the green became discouraged and so I was saved from complete humiliation. For some time I fancied I saw a slight greenish tint in strong sunlight. Naturally wary of hair dyes I got into trouble next when I undertook to give myself a home permanent.

I COULDN'T GET an appointment at my favorite beauty shop and the whole process seemed so completely simple, I thought, anybody could do it! I am sure I followed all the directions absolutely, the whole process was absurdly simple and I was quite pleased with the curl I got. Until I combed my hair, that is. As I combed, the hair fell out in larger and larger quantities, handfuls at a time. Day by day I looked more shaven and shorn. People looked at me and said, startled, "What on earth did you do to your hair?"

WHEN THE SCALP showed through my remaining tresses I sought professional help. My disapproving beauty operator gave me a lecture and a good hair restorer and eventually I began to look normal once more. I have, this year, made a firm decision. I will stop experimenting. I will let well enough alone, because I want to have a Merry Christmas and a Happy New Year!

Our Town

In our town many things have happened this past week.

- A lady left the hospital.
- A baby was born.
- A husband died.
- A little Mexican boy was helped to grow strong because of an Alpine couple.
- A man sued the county.
- A group of citizens prepared a parade float.
- A couple was struck by a car.
- A group discussed the formation of a Town Council.
- An urgent appeal was made for Community Chest funds.
- Many parties were given.
- A baptismal service was held.
- A song was sung— "Great is Thy faithfulness. . . . Morning by morning new mercies I see. All I have needed, Thy hand hath provided. Great is Thy faithfulness, Lord unto me. Alpine gives thanks and asks His help because it is . . . OUR town.

I did not attend the first meeting and do not plan to attend the one on January 6th because I do not feel qualified to vote on it. I do not own property in Alpine; I just rent a cheap apartment in the court between the Texaco station and Florence's Market.

Keep up your good work, the country needs more newspapers like yours.

Sincerely,

WHO?

The population of this country is 160 million, but there are 62 million over 60 years of age. This leaves 98 million to do the work. People under 21 total 54 million, and that leaves 44 million to do the work.

Then there are 21 million who are employed by the government and that leaves 23 million to do the work. Ten million are in the armed services, leaving 13 million to do the work.

Deduct 12,800,000 — the number of the state and city employees and that leaves 200,000 to do the work. And there are 126,000 in hospitals, asylums and so forth, leaving 74,000 to do the work.

But 62,000 of those are burns or other who will not work. That leaves 12,000 to do the work. Now, it may interest you to know that there are 11,998 people in jail. That leaves just two people to do the work — and that is you and me, brother, and I tell you, I'm getting tired of doing the work by myself!

Poetry is - A Many Splendored Fling

By MARIE KRAMER

This Thanksgiving Prayer brings with it, too, a wish that life's blessings are showered upon you.

On this Thanksgiving Day, Dear God, we thank Thee... For Yesterday with its memories... for Today with its joys, and for Tomorrow with its hope and promises... We thank Thee for home and loved ones... for friends we cherish... for health, for work... for everything that is ours because of Thee... Be with us and all those dear to us and keep us all forever in Thy care.

THE INGREDIENTS OF THANKSGIVING

Sugar and spice and everything nice
That's what Thanksgiving is made of
Stuffing with rice and smells that entice
That's what Thanksgiving is made of.

The turkey is roasting and family is boasting
of mother's good cooking and baking.
Outdoors the wood-smoke swirls like a great cloak
and calls to the leaves that need raking.

Pumpkin and mince pie, cool while small fry
wait for the time to be tastin'
They're hard to contain, while their appetites gain
All time spent not eating is wastin'.

A good meal well planned, all together so grand
That's what Thanksgiving is made of,
A prayer for our land, God's helping hand
That's what Thanksgiving is made of.

Golden Wedding Is Marked

ALPINE — Mr. and Mrs. William G. Bennett of Sunny Acres Dr., The Willows were pleasantly surprised by their four sons, Donald, Robert, James and Jack at a Golden Wedding Banquet held at Christie's Restaurant in Chula Vista. The Bennetts formerly lived in Chula Vista where Mr. Bennett owned his own automotive electric and supply business. They retired to Alpine.

There were sixty guests present to honor Mr. and Mrs. Bennett, including Mr. Bennett's sister who was their bridesmaid fifty years ago. Son James, has one daughter, Barbara. Robert has five children, Kathy, Jimmy, Michael, Steve and Eugene. Jack has three children, Danny, Penny and Tommy and Robert is the father of six children, Maria, Bobby, Joan, Donald, John and Mark. The Bennetts have one great-grandchild, Michael Breese.

Guests attending from Alpine were: Mssrs. and Mmes. Julius Koch, James H. Mahaney, Walter Reabold, Harold Wilson and William Brown. Also Mmes. Gladys Wotring and Ruth DeLong.

A special nuptial Mass at Queen of Angels Church was said by Father Bolten. The organist was Mrs. Russell. Mr. and Mrs. Bennett renewed their marriage vows in a solemn ceremony.

LOCAL WOMEN VISIT LOS PINOS

ALPINE — Verlie Boyd and Elizabeth West were guests of Jane and Ed Orbom in Elsinore recently.

Jane Orbom, well known in Alpine, is the dietician for the Los Pinos Conservation Center located in the Cleveland National Forest, about 15 miles west of Elsinore.

The center is part of the "War on Poverty" program. It provides opportunities for young men between the ages of 16 and 21, to receive more education, work experience and job skills.

The Job Corps Conservation Center is managed by the U.S. Forest Service and the Office of Economic Opportunity.

Mrs. Orbom was formerly connected at the Descanso Ranger Station. She was preparing to retire this year but because of her unique qualifications, was persuaded to tackle this new job. She has a master's degree in Dietetics and is very interested in this pioneer work. The camp wasn't in existence until last July.

There are 150 young men from all over the country at the camp, learning good work habits, good citizenship communication and arithmetic skills.

A sign, as a visitor enters the camp, proclaims: "To assure a better future for our youth and a brighter America."

ca." These young men helped to build the center at Los Pinos, a beautiful location.

The visitors, Mrs. Boyd and Mrs. West, had no boots with them on the trip and had to tie plastic bags over their shoes so that they could go to the dining room. There they were served a delicious meal, thank's to Mrs. Orbom's supervision.

The women came back to Alpine, full of praise for the splendid job the U.S. Forest Service and the Office of Economic Opportunity, are doing for young men who were poorly educated and came from backgrounds of privation.

All Around Alpine

Our deputy sheriff, Steve Stephan, apprehended a couple of men who were making off with furniture from a home on the Anderson Truck Trail. Seems the people who own the home were not in it at the time. The heavy rains helped with the arrest as the truck stuck in a muddy section of road.

Ruth Strobel, resident of the Outpost trailer park, was involved in an accident while returning from a visit with her son in Clairmont. She was taken to Grossmont Hospital.

Alpine (and vicinity) has really been in the San Diego papers lately—and with fine publicity. Just this week, the splendid new cafe, Marie's, was mentioned in Neil Morgan's column. Actually, Marie's is located in El Cajon but it is on the edge of Alpine, and is fast becoming a favorite restaurant for many Alpine people. . . . Then, three Sunday's in a row, Alpine has been featured in the Union. First it was the feature article about our own Rich Zuelke and his marvelous signs. . . . Then the Gene Huckstad's had their lovely Palo Verde home featured in the home section. . . . And then last week, it was the Al Adams turkey ranch. Wonder what they'll have this week!

One of the cast of a soon-to-be-presented play at our local junior college, is Alpine's Mitch Titus. The play will be given Dec. 2. Let's all be out and see the Grossmont College performance of "Lysistrata."

Mr. and Mrs. Lynn C. Graves of Brea spent the weekend visiting their parents, Mr. and Mrs. Bill Brown of Victoria Dr. They spent a day in Mexico, shopping.

Ten friends helped Steven Bratt, celebrate his ninth birthday on Nov. 17th with cake and all the trimmings. Steve's birthday was on the 15th.

The holidays are descending upon us once again. It seems that the preparation and the anticipation are more exciting than the actual climax.

In the eastern part of the States one prepares for the onslaught of winter. Storm windows are installed and sealed against the cold. Furnaces checked and going full blast. Warm clothing readied for wear at the first sign of the cold settling in.

October with the beautiful coloring of the falling leaves, the crisp air, so good to inhale, the long walks into the woods where the season's last mushrooms were gathered by the bushful, then some were eaten, canned, pickled and dried. Mrs. Lucille Bates substituted Saturday and Tuesday for Elizabeth West, our librarian who was out of town. Mrs. Bates has lived in Alpine ten years and assists in other libraries in our county.

Mr. and Mrs. Robert Webb and family, will be spending the Thanksgiving holiday with Mrs. Webb's mother, Mrs. Stella Aiken and her brother-in-law and sister, Mr. and Mrs. C.L. Thompson and family of Lakeside.

Dorothy and Thomas Dolly of Marshall Rd. have a hobby and it has become a labor of love.

Nestled in a tree at one time are twenty five to one hundred tiny humming birds all through the year. They are fed sugar liquid from bottles hanging from the tree branches. If these bottles become empty, the little birds flutter to the windows and make their needs known to Dorothy or Tom.

Alpine is not just beautiful scenery, but people like the Dolly's of Marshall Rd.

The Bake Sale last weekend was a huge success, according to the report made by Mrs. Marge Johnson. Besides the excellent assortment of pies, cakes and bread, the barbecued venison proved a most popular item.

The oft repeated phrase "Now, let her blow, we're all ready." Suddenly, in November the world turns white, snow covers everything, it is so still, so silent, and it is Thanksgiving Day.

We, who live in the West, experience other pleasures, such as unhurried excursions or trips throughout this sunny land, visiting or gardening. One is so relaxed, comfortable and warm. Each to his own.

Mr. and Mrs. M. G. LaDou of San Diego dined here and told us about their seven-year old son, who had been fishing.

"I caught a whopper mother, he sure was a big one."

"How wonderful," she replied. "What did you do with the fish?"

"Oh, I threw him back, I didn't want him to die."

Dr. and Mrs. R. J. Kownacki, F.A.C.S., dropped in for home made bread and cheese. They informed us that they are newcomers in Lakeside and need to become acquainted with the area and its people.

Dr. Kownacki is affiliated with the Lakeside Clinic.

Happy Thanksgiving to one and all.

For the first time this year, the kindergarten class is using library books. Now that they have learned how to take care of books, they are really enjoying the privilege of using these books.

Seven people were selected as a committee to plan the Christmas decorations for our room. They include Blaine Arnold, Lynne Getchell, Denise Hampton, Clifton Kelley, Sheila Laney, Bill McCann and Craig Jennings.

Mrs. Snyder's room is having a play. The Indians and Pilgrims are Renee Anderson, Colleen Falkenberg, Shirley Baker, Stanley Presley, Charlynn Jennings, Wayne Green, Mike Cross, Raymond Laney, Rickey Brown, Robert Bray and Wayne Clark.

The students from Alpine and Harbison Canyon were fortunate enough to have J. F. Rogers and H. H. Moss from the National Aeronautics and Space Administration come to talk and demonstrate future and present plans for the "race for space."

They showed such interesting things as the principle of how a rocket runs, how they mix liquid oxygen and alcohol for rocket fuel mixture, rockets and space vehicles.

At the end of the program they showed an interesting film on how the United States is going to put men on the moon.

In all, we thought it was a very interesting and exciting program.

Drawing Set

ALPINE—The Alpine Hardware Department Store will hold its annual Christmas drawing this year.

Many surprise gifts will be given and you need not be present to win.

Ann and Gene Sauter invite all their friends to come in and register for the drawing soon.

Miss Cameron's class had a puppet show. It was called Pecos Bill. It was much fun and did give the sixth graders a little experience in how to give one. We had three commercials. Richard Finch did a humorous commercial about a place called the Pizza Palace. We had a commercial about Bayer Aspirin done by Susan Harris, Linda Haddock, Terry Wooldridge and sound effects by Richard Finch. At the end of the show we had a Granny Goose commercial done by Susan Harris, Linda Haddock and Terry Wooldridge. Participants in the play were Susan Miller, Susan Harris, Richard Finch, Terry Wooldridge and Joanne Williams who was absent but made a puppet for it.

By Susan Harris

During the following seven weeks of school, the eighth grade will be selling DuPont toothbrushes. They are made strictly to be sold in fund raising affairs.

The eighth grade will be making a small profit on each package containing three wonderful well made brushes.

This project is just one of the many projects that the eighth grade is offering to the people and students. All money raised in these projects will be used for the graduation trip to be held in May.

Don't be surprised if we knock at your door.

HERE and THERE

THE CREST

THE CREST VOLUNTEER Fire Department has planned a potluck dinner to be held on Dec. 5th. There will be an auction. Also at that time a presentation will be made to Mrs. Dyer who is the widow of Jack Dyer, who will long be remembered by the Crest residents. . . . The teenage fish fry last Saturday night was a huge success. The girls did a fine job of serving and everyone enjoyed the fish dinner. The Crest residents are very proud of the job the teens did. A special thanks to Myrna Colman and Sue Ferie who were the organizers.

BOY SCOUT UNIFORMS and equipment are needed to outfit the Welfare Scout Unit. Anyone wishing to donate items please phone 444-2834. During the Thanksgiving time is a fine time to help. . . . A Jack Dyer Memorial Fund is being organized. Anyone wishing to contribute may contact Don Neuman, in care of the Crest Fire Department.

MOUNTAIN EMPIRE

MT. EMPIRE MASONIC Club held its annual Thanksgiving Dinner at the Stone House in Campo on Friday, Nov. 12th, and from all reports it was very enjoyable and the dinner was outstanding. Hereafter they will meet at the Lake Morena Woman's Clubhouse. . . . Everyone is very happy that Chapel of the Hills in Descanso is now building the upper part of their church. In order to purchase a stained glass window for the church, the women of the church put on a turkey dinner at the Pine Valley Clubhouse on Saturday evening, Nov. 13th. People stood in line for an hour waiting to be seated, and that will give an idea of how successful the dinner was, and how people in the mountains do turn out for such a good cause.

ON TUESDAY OF last week, the David Lindemann's drove to Summerton, Arizona, and back the same day. They were accompanied by Mr. and Mrs. Nick Martin and Mrs. George Craft. They visited their friends Mr. and Mrs. Perk Cravens. . . . Mt. Empire Woman's Club enjoyed a lovely luncheon and cards at the home of Elizabeth Johnson in Descanso on Wednesday of last week. Election of officers for the coming year was held and those elected were: Fay Farris, president; Margaret Rolland, vice-president; Gertrude Haskell, treasurer; Muriel Utt, recording secretary; Micky Ellis, corresponding secretary; and Helen Omar, assistant corresponding secretary. There will be just one meeting in December, the luncheon on Dec. 8th. . . . The Homemaker's Association met recently at the home of Evelyn Fors in Lake Morena, and after the meeting a Tupper party was given, hosted by Babe Johnson. A large group attended.

HARBISON CANYON

THE TEEN CLUB is having a bazaar and bake sale at the fire hall Saturday, Nov. 27th, from 1 p. m. to 4 p. m. The bazaar will feature small items for Christmas. . . . Shirley Bray is home from a seven day stay at El Cajon Valley hospital. She is getting along nicely now. . . . Mrs. Irene Bowers brought her granddaughter, Vickey, home from Tucson, and will stay for a visit. . . . Mr. and Mrs. Gaylord Carbaugh, from Newhall, Calif., were visitors of the Gordon Carbaugh family a few days last week. While here, they all went deep sea fishing. Mr. and Mrs. Carbaugh were former canyonites.

WE HAVE SEVERAL newcomers to Harbison Canyon. Towana Topaz moved to Warfield Way from Downey, the R. W. Bradley family moved to 208 W. Noakes from Pacific Muirlands and Mr. and Mrs. Karl Stout from Muncie, Ind. have bought the home at 311 W. Noakes. The Stouts plan to spend the winters here and summers in Indiana. Mr. and Mrs. I. W. Lostis and family have moved in at 722 St. George from Imperial Beach. The Harding family have moved to Harbison Canyon Road. The Hardings are former canyonites. We extend a sincere welcome to all the newcomers and hope they will be happy in Harbison Canyon.

CHARLEY CARBAUGH, SMALL son of Mr. and Mrs. Larry Carbaugh, spent four days in the hospital last week. He is now home and getting along fine. . . . Harbison Canyon Baptist Church has had their sign repainted and it looks much better. . . . Mr. and Mrs. Bob Carmen have been entertaining Mr. Carmen's father and mother from Waukesha, Minnesota.

Apaloosa Win in World's Playoff

SCOTTSDALE, Ariz. — The World's Championship Appaloosa Playoff show was held in Scottsdale, Arizona, this past weekend with two San Diego County Appaloosas bringing home honors.

Idaho Ladd, owned by David Phair of Chula Vista, placed third in the Junior Cutting Horse classes. This young stallion has been in training in cutting for the past five months with Gaylord Parks of Lakeside, and placing third in competition from all over the country was a fine win.

Florida Lea IV, owned by Willow Glen Farm of Alpine, placed third in the Trail horse class to be the third highest Appaloosa trail horse in the country. This fine mare was shown by Frank Evans of El Cajon, and was a real crowd pleaser with her fine performance.

Appaloosas competed in this show from 23 states, coming from as far distant as Florida and New York. The top-winning Appaloosa of the show, and the winner of the title, "World's Champion Appaloosa Performance Horse" was Son of Snow Cloud owned by Dr. Gayle of Houston, Texas. Two horses tied for the reserve spot. One was Tem Pop from Illinois, and the other Willie Boy from California.

Queen Chosen

BRAWLEY — The Brawley Cattle Call Queen was Jackie Johnson, a pretty young high school senior from Westmoreland, California. She was chosen from five finalists from each of the surrounding towns, Calexico, El Centro, Holtville, Westmoreland, and Brawley. Each finalist was chosen for the competition by the Chamber of Commerce of their respective city.

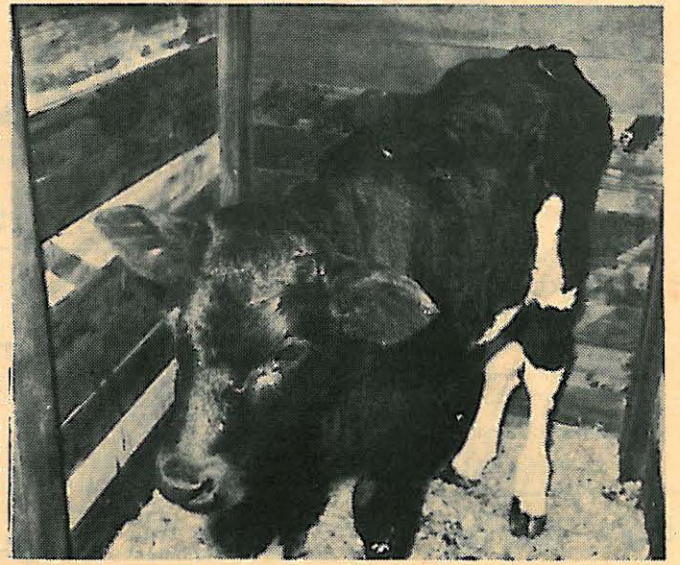

The contest was based on appearance, poise, personality and horsemanship. The winner was Jackie Johnson and the two princesses were Janalee Warwick, and 18-year-old student of Imperial Valley College, and Judy Judson, a senior of El Centro High School.

Neumann's Buy Horse

HARBISON CANYON — Mrs. Andy Neumann recently purchased a nine-year-old black quarter horse mare. The mare, known as Pet, is well trained and has won several first in gymkhana events. She is also an excellent trail horse.

Lots of wreckage results from bursts of misplaced confidence.

MAY BE ELIGIBLE efits under previous law, may now be eligible for a special benefit (\$35 a month for a worker or his widow and \$17.50 a month for his wife).

A Good \$1 Investment?
If each father and mother of a high school student could donate \$1 to a fund that would be used in the following manner, would you call it a good investment of that dollar?
1. Provide short term emergency medical help for a student unable to receive it any other way?
2. Help purchase eye glasses for students in need of them but unable to purchase them?
3. Help to form a scholarship for two to put some student through a local junior college?
4. Provide scholastic awards to something over 200 students?
5. Help to promote wholesome student activities?
6. Help mail home a monthly newsletter to every parent outlining what is happening at the local high school?
7. Help to provide shoes and clothing to needy students unable to obtain them because of adversity over which they have no control?
If your answer to that question is "YES," then join the El Capitan High School PTA, for the above are the various ways this group makes use of its funds. These funds don't just go to carry on PTA "busy work," but are applied directly to promote student scholarship and to promote student welfare.
