

Mary Titus Becomes Bride

The First Unitarian Church in San Diego was the scene of the double ring ceremony that united Mary Simone Titus and William F. Bastian in marriage on June 12.

Mary is the daughter of Mr. and Mrs. John Titus, Scenic View Drive in Alpine, and William is a member of the United States Marine Corps. At present he is stationed at Camp Pendleton, but expects to leave this week for Viet Nam. He is a veteran of that war, having already been in combat there.

The Rev. John Ruskin Clark officiated at the ceremony at which John Titus gave his daughter away, Susan Titus was maid of honor and George Titus was best man.

The bride was lovely in a champagne colored sheath of white linen, bordered with bands of heavy lace. She carried a bouquet of white roses and stephanotis and her shoulder-length veil hung from a crown of the same flowers. She also wore a diamond pendant, a gift of the bridegroom.

Susan was dressed in a pale green raw silk suit, and Mrs. Titus wore a white sheath with a blue sleeveless coat.

A reception for members of the family and close family friends was held at the Titus home on Scenic View Drive.

A table complete with hors d'oeuvres, punch, and the beautiful traditional wedding cake, greeted guests at the Titus home.

The young people received a rice and tin can send off as they departed for Ensenada for their honeymoon.

They have been residing in Oceanside and the new Mrs. Bastian will take an apartment near San Diego State College where she will complete her studies while her husband serves his country in Viet Nam.

Mechanical Defect Warning Given

SACRAMENTO — Drivers cited for mechanical violations to not have until the date of their court appearance to correct the deficiency, California Highway Patrol Commissioner Bradford M. Crittenden said this week.

"Many persons apparently believe they can operate their vehicles until the date set for court appearance before correcting the defect. The law provides that no person shall operate a vehicle after notice by a traffic officer that the vehicle is in unsafe condition or improperly equipped except as may be required to

Kramer Vows Renewed

ALPINE — Climaxing 25 years of marriage, Marie and Cletus Kramer once again renewed their vows in the presence of their close friends and family.

Officiating at the ceremony was the Rev. William Bray, pastor of the First Baptist Church of the Willows. The service was unique in that Marie is a member of the Lutheran Church and Cletus is Catholic.

The lovely home of the Kramer's, appropriately named Peaks 'n' Pines Ranch was decorated in silver and white, with candles and a large bouquet of gladiola and 'mums, a gift of their close friends and neighbors, the Pike Meades.

Marie was gowned in a beautiful white silk crepe sheath lined in taffeta. The dress was created by the sister of the Kramer's daughter-in-law to be, Mrs. Ernest Standring. Flowers were white roses with silver and lace, and also a nosegay, a gift of the Pike Meades.

Matrons of honor were Marilyn Hansen and Eva Fox. Best man was 13-year-old Timothy Kramer, youngest son of the Kramers and David, their oldest son gave the bride away. Stephen, who is serving with the Seabees in Cuba, sent his mother a tiny white Bible for the important occasion.

The reception was attended by the Kramer's many friends and relatives and also by Rev. Bray and his lovely wife, Alice. Of special interest was the beautiful four tiered wedding cake, which Marie Kramer baked and decorated for the occasion.

Many beautiful gifts were received by the Kramers. Marilyn and Irv Hanson, with their three children, stayed at the Kramer home while the Kramer's took a three-day wedding trip. The Hansens are old friends of the Kramers and came from Ohio especially for the occasion.

Alpine Invited To Celebration

RANCHO BERNARDO — The residents of this community are extending to Alpine families, a special invitation to an old-fashioned Fourth of July celebration. The day-long activity will be held in and around the community's Bernardo Park which may be reached by taking Hwy. 395 north of downtown San Diego to the Bernardo turnoff.

The celebration will start at noon in the park where families are invited to bring a picnic lunch. Free pink lemonade will be served.

A symbolic parade will march through the community in the old Fourth of July tradition. It will consist of bands, clowns, vintage cars, a color guard, war veterans and bathing beauties in old-fashioned swim suits.

A Dixieland band will perform in the park and an orator will entertain the holiday crowd with an old fashioned speech of the type associated with July 4th celebrations for so many years.

Alpine is especially invited to see this area which has involved a community-wide program of landscaping and home beautifying.

get to his home or to a garage."

The situation is identical if the driver receives a written mechanical warning. He may operate the vehicle only to get it home or to a garage.

"If the driver continues to operate after receiving a citation or warning, he is liable for further citations because the violation is a continuing one."

He pointed out that if the defect is sufficiently hazardous, the officer can prevent the vehicle from moving anywhere until the condition is corrected.

Ed Houser Offers Help

Ed Houser of the Rio-San Diego Municipal Water District, is anxious to help any resident in this area who is concerned about the water problem relating to the freeway which is soon to be built through Alpine.

It seems that many critical problems have come up that were not anticipated by land owners when they sold their land to the State in order that the freeway might continue on through Alpine.

Any property owner intending to negotiate with the state should make sure that they retain access to the water they already have.

If anyone has any question regarding this, please phone Ed Houser of the water district at 443-3851 and he will be most happy to assist in any way that he can.

Mail Box Improvement Seen

ALPINE — Haakon Magnusson, the rural carrier for the Post Office has just returned from vacation. And upon his return, he seems to have found some changes.

Several weeks ago, an article appeared in the Town and Country News, concerning the deplorable condition of many of our rural mail boxes. It was suggested that everyone try to spruce up their box and add the names and addresses for the convenience of others.

Attention El Cap Grads.

Any of the young people whose pictures appeared in our June 10th edition, are welcome to send for more copies if they so desire. We have on hand a number of extra copies of the El Capitan Ball section, and will be happy to send these to any who desire them.

New Fire Truck Arrives

ALPINE — Arriving from Elmira, N. Y. Saturday noon, Alpine has received its first fine piece of fire fighting equipment in recent years.

It is expected that the combination of the proposed fire hydrants and the new fire engine, will do much to lower fire insurance rates in this vicinity in the years to come.

Intensive tests are being given to the equipment and it will soon be tested by someone selected by the Fire Rating Bureau.

As of this writing, all who

ers. Magnusson has noticed a real change in the boxes on the rural route, and he credits the article for making so many people aware of this particular need.

Everyone connected with the post office and those who are civic minded, are proud of this accomplishment by our people. And it is hoped that this one "clean-up" chore will spread to other phases of our lives here in Alpine.

PINS AND BUMPER STRIPS AVAILABLE

ALPINE — Last Wednesday evening, the regular monthly meeting of the Alpine Chamber of Commerce was held at the Alpine Woman's Club.

Paul Nichols, committee chairman for the Viejas Days Horse Show, reported on the progress of his committees.

Large buttons have been made available to local citizens to advertise the horse show. They cost 25¢ each and will do much to advertise the Viejas Days. Also, bumper stickers are available to the public.

Paul Clay, president of the local Kiwanis Club, reported that Sheriff O'Connor will visit Alpine at ladies night on July 22. Anyone interested in hearing the Sheriff speak should contact Mr. Clay.

A nominating committee was appointed to select those to be on the Board of Directors for the coming year.

A committee is to be formed to promote and beautify Alpine, and Ronald Van Til, publisher of the weekly newspaper, Town and Country News, was appointed chairman.

OPEN HOUSE

By RUTH FULLER

WE HAVE BEGUN work on that extra bedroom we are adding on to our house and it looks as though we will be at it forever. When someone gave Robert a small house just for the trouble of hauling it away, I thought the donor was out of his mind. Now I think he was diabolically clever. And I shall be forever wary of anyone who wants to give me something for nothing because it always winds up costing more than anyone could possibly foresee. We may get an extra room out of this, but our obligations will rank second only to the national debt.

AND WE ARE all torn up again. For awhile I hoped all that lumber and the cans of paint and odds and ends of debris littering our premises had disappeared forever, but it is all back again and there is more of it than ever and I live in daily terror lest the fire marshall drive by. I don't know what is happening to the building code here lately, but I overheard Cherry, Robert's right-hand man who is assisting in the general chaos say, "Well, if anybody asks us what we're doing, we can just say we're tearing it down." This does not add to my peace of mind.

I UNDERSTAND OUR hot water heater is going to travel back upstairs again. I am amazed that it still functions, considering the number of times it has been transported

up and down the hillside. I believe I will get into the spirit of things and insist that my laundry be moved back upstairs again, too. This will add considerably to the atmosphere of complete confusion.

THAT MISERABLE STAIRWAY is going to go forever. We have had a succession of stairways running this way and that, and it is to be eliminated entirely to make room for needed closets. There will be an outside stairway to the basement, where Robert will reign supreme over his work benches and tools. This will make life pleasant because all the painting and the sawing and other labor problems will be coped with where I will never have to see them.

I AM GOING to have a sunken bathtub off the new bedroom. We didn't plan it that way, but the floor didn't hold up and now we have a bathing area strictly out of "House and Garden," but not intentionally.

ROBERT AND I were in a hardware store yesterday and Robert said in passing to the clerk: "Never remodel a house and live in it unless you are a bachelor" and another customer, female, glared at him and said icily: "You are so right!" I wish I might get to know her better — I'll bet we have a lot in common!

BRUCE'S VISIT, VACATION

ALPINE — Mr. and Mrs. Bob Bruce of Palo Alto have just left Alpine after a two-day visit with Mrs. Bruce's parents, Mr. and Mrs. William Brown of Victoria Dr.

They plan to go to Yuma for a couple of days with Bob's parents and will then go on to the Grand Canyon.

Bob had a week's vacation after receiving his Master's degree at Stanford before he returns to Stanford University to teach this summer session. He will continue teaching next year part time, and will also go to school to begin work on his Doctor's degree in Electrical engineering.

ALPINE JUNIOR BASEBALL TO REORGANIZE

ALPINE — With nearly one month of the baseball schedule completed, the Alpine Jr. Baseball program will undergo revision of teams and schedule so that all boys turning out for this summer recreation activity will play.

Two teams, Alpine Yankees and Alpine Indians will remain as organized but one team will be formed from the Alpine Dodgers and Giants.

On Thursday, June 29, the Alpine Indians will play this newly organized team. On the same day, June 28, the Alpine Yankees will travel to play the Descanso Little League team.

A new schedule will be compiled and will include the games to be played between the three Alpine teams and Descanso. The roster of players will be compiled and published after this reorganizational meeting with adult advisors, team coaches and managers.

In last week's baseball activity, Thursday, June 24, Alpine journeyed to Descanso to play and lost a very exciting game 15-12. The Descanso team now has a record of two wins and one loss with Alpine. On the home field the Indians claimed another win by forfeit over the Dodg-

ers. The first place position was decided on Saturday, June 26 with the Indians and the Yankees playing to an 8-7 final score, with the Alpine Yankees taking the close game. Marvin Woolridge hit a home run to put the Yankees out in front. A pitchers duel between Bob Darnell and Bob Shafford developed.

Alpine Oaks June birthday tea was well attended and enjoyable. Mary Hodskins was the honored guest. The lovely buffet table used yellow as the color scheme. Co-hostesses were Hattie Wilcox and Lillian Ward, Martha Carter poured. An indoor picnic will be held in the clubhouse on the fourth of July.

Mr. and Mrs. Harry Hooper are back from their three-day jaunt through the mountains and desert which they both enjoyed.

Mr. and Mrs. Charles Clarke are entertaining guests Mr. and Mrs. Kenneth C. Balcomb of Apache Junction. Charlie and Kenneth have been friends many years.

Mr. and Mrs. E. Mumford drove their houseguests Mr. and Mrs. R. DeWitt of Tampa up to Glendale over the weekend.

The William Thompsons had as houseguests this past week, their niece and nephew Mr. and Mrs. R. Davis of Bettendorf, Iowa. They have gone on to Monrovia for another visit with an aunt and uncle.

Mr. and Mrs. Russell Howe attended the graduation of their granddaughter Judy Howe from the Long Beach

City College of nursing.

Mr. and Mrs. George Becker and Mr. and Mrs. Jack Lively, former Alpine residents, were guests of Mr. and Mrs. Harry Hodskins on Sunday to celebrate Mary's birthday.

Am sad to report that Ralph Hadaway is confined to Navy

Hospital. We all wish him good health and a quick recovery.

A note of explanation concerning a report of Mr. and Mrs. Richard Hersey living in the trailer court. It seems that Mrs. Richard Hersey lives in Pine Valley rather than in the trailer park, as reported last week. Our apologies.

The Joy of Living

By JOAN IMIG

The French have a phrase for it — they call it "joie de vivre" or the joy of living. Everybody in France has "joie de vivre," especially in Paris, and especially Americans in Paris. Why Americans? Because when you come right down to it, Americans have a joyous enthusiasm for living deep down within them. Nothing can still the adventure and laughter of an American, whether on holiday or in the adventure of daily life. One trip abroad will tell you that the American stands out because he has vigor — ready to dive into adventure at a moment's notice.

That's why you find so many of them around here selecting their traveling camper from California Camper, of 2525 San Diego Street, in San Diego, because when the urge is upon them they want the best camper on the road. Americans on the go find their comfort in a California Camper — the lightest weight low-profile camper, with 5 foot Jalousie windows on either side — the only low profile all fiberglass one-piece camper on the road today.

HERE and THERE

ALPINE

SOME OF US had the pleasure of dining at the delightful new restaurant in San Diego, Mr. A's. If you really want a treat, don't miss this fabulous place. We wondered, as we noticed that the building was built by the architects, Freeland and Bird, how many people know what a splendid engineer Eugene Freeland is. Among the many buildings he has been responsible for, is the new County (General) Hospital in San Diego. This building is the ultimate in efficiency, thanks to the genius of Alpine's E. L. Freeland. He also had a hand in the Court House and jail, the bird sanctuary at the Zoo, and also at the Zoo, the slaughter house, the small mammal building elephant enclosure, dens, and he designed the moving sidewalk. These are just a few of the contributions Mr. Freeland has made to San Diego County, and Alpine is surely proud of having someone of his stature make his residence here.

Mr. and Mrs. Frank J. Bolek of Victoria Drive recently returned from a five-day tour of interesting spots in the state of Nevada. They report a nice vacation but are glad to be back home again in Alpine. . . . Hugh Trail suffered a heart attack early Sunday morning and is now in El Cajon Valley Hospital. The Trails have used much blood in these attacks that Mr. Trail suffers and they wonder if there isn't anyone in Alpine who could spare a pint to build up the depleted stock. . . . Dr. Mildred Bredesen will have the pleasure of the company of her daughter and son-in-law over the Fourth of July holidays. They are Mr. and Mrs. Mark Hulsman. They live at Malibu Beach and are expecting to take a month off and visit Honolulu. . . . Mrs. Elizabeth West, well-known librarian here in Alpine, visited the County Fair with Mrs. Robert Weeks and sons and Mrs. Fleming and her daughter.

THE CREST

MRS. MILDRED S. Shed passed away at her home June 18. Her death was attributed to a heart attack. Services were held June 22 at Greenwood Mortuary. Pastor Kenneth Livesay officiated. Interment followed at 12:30 p.m. at Fort Rosecrans national cemetery. . . . The Crest PTA Incoming-Outgoing board meeting was held Friday, June 18 at 7:30 p.m. at the Crest Elementary School. Among those present were Mr. Womack, the new principal, Mr. and Mrs. Hill, Mrs. Busby, Ray Slater, Donna Frisch, Shirley Iverson, Peggy Stamback, Mr. and Mrs. Cramer, Daisy Caplan and Mr. Hofer. . . . The school term ended Friday June 18th. A party was held for each class. Room mothers were in charge. Tina Ohlson was in charge of the arrangements. . . . Summer School sessions start June 28th at the Crest School and at Greenfield Junior High. . . . Donna LaBrie is visiting her aunt Mrs. E. J. Kieran in Chula Vista. She will be there for another week. The Western States Quarter Midget Racing Association held their regionals Sunday June 20 at Gillespie Field. The first place trophy for rigid axle, main event, was won by Craig Young, son of Mr. and Mrs. Leo Young of the Crest. He also won a trophy for Fast Time, a first for the Dash and finally, during the drawing, he won a crash helmet. Congratulations Craig! And to Dad, Leo Young, who built the fast racer. . . . Mr. Randolph is seriously ill in County Hospital. . . . Mr. and Mrs. Greg Wilger and family entertained the senior Wilgers at a barbecue Sunday, Father's Day. Greg is now building a two-story garage for the Johnson family on Highline Trail. . . . Jack Whitehurst entertained Father Dollen at a luncheon in the El Cajon Valley Elks Club last Thursday. . . . Vacation Bible Schools are planned for the Crest. The Chapel of the Hills school is now in session. Crest Community Church is planning its sessions for the first two weeks of August and St. Louise will have sessions in mid-August. . . . William Paul Hunter of 107 Holly Rd., the Crest, was killed in an automobile accident April 25 on La Cresta Rd. His sister, Paulette, 18, was driving when the car went out of control on a curve and went over a 50-foot ravine. She received serious injuries. William Paul Hunter was 16 years old.

Sheldon Spotler Dies

EL CAJON — Sheldon Spotler, 59 years old, died Tuesday afternoon of a heart attack at El Cajon Valley Hospital. Mr. Spotler owned the house

in which the Scully family lives, at one time and has been residing in El Cajon. He leaves his widow, Ruth, and a son and daughter, Frank and Shirley and also six grandchildren. Services are pending.
