# **Buzz on Over to the April Meeting!**

Volume 1, Issue 2

The quarterly meeting of the Alpine Historical Society will be held on Sunday, April 22, 2007 at 1:00 p.m. at the Alpine Woman's Club. 2156 Alpine Boulevard. The meeting will begin with a potluck luncheon and will be followed at 2:00 p.m. with a presentation by Dr. G. Gage Skinner, Professor of Anthropology at the University of California. All are welcome to attend-come for lunch or just for the speaker!

Dr. Skinner also taught at Grossmont/Cuyamaca Colleges and USD, has an educational services company, Buffalo Crow Consulting and is an author, poet and a resident of Pine Valley. His emphasis at this meeting will be the history of beekeeping in Alpine. Dr. Skinner has very generously donated many items pertaining to local beekeeping which will be used as part of this year's Alpine History Day Display in June. He has a wealth of information about the life and times of the famous Mountain Men who came through San Diego in the 1800's.

Plan to attend—this is a speaker you won't want to miss! Please RSVP to info@alpinehistory.org or call Carol Morrison at (619)445-2544. ■

### **One Fantastic Field Trip**

A huge thank you is in order to Don Tarr who organized a wonderful field trip to Julian on February 25. Stops along the way were made at the Stonewall Mine, an old schoolhouse, a newly constructed redwood building that houses an impressive 1909 Motor Stage that used to run from the Lakeside Railroad to Julian, the Julian Pioneer Museum and the Julian Cemetery. Lunch was enjoyed by all at the Julian Grille prior to everyone making the trek

up the long, winding stairs leading up to the cemetery. Julian Historical Society Members Bob Adams and David Lewis provided historical facts and wonderful stories pertaining to various Julian sites. On the way back to Alpine, the group stopped at the Santa Ysabel Mission and adjacent Indian Museum for a tour led by Albert Simonson, local historian. The weather turned chilly and windy, but it didn't dampen anyone's spirits-

this was one fantastic field trip! ■

### **Your Will Can Make a Difference**

Including the Alpine Historical Society in your will can be a convenient way to leave a lasting legacy to your community. The development of Heritage Park, educational programs and preservation of the history of Alpine will be made possible by people who had the foresight to include the Alpine Historical Society in their estate plan.

After providing for loved ones, your will can carry out your wishes by directing that a gift be made in one, or a combination of, the following ways:

- A specific dollar amount
- A percentage of an estate
- The remainder of an estate

Bequests should read as follows: "I bequeath to the Alpine Historical and Conservation Society (our legal name), \_\_\_\_\_, to be used for the support of the Society's programs."

The Society is available to consult with your attorney

about the best way to use your will, living will, trust, insurance policy or other estate plan to help develop and maintain the historic resources in Alpine. Your attorney can provide you with details about the estate benefits that can result from your bequest.

If you have already included the Society in your estate plan, please let us know so that we may thank you. Your gift will make a difference to your community! ■

### With special thanks......

The Alpine Historical Society is filled with enthusiastic, dedicated members with one goal in mind: to preserve, document and make available to everyone the history of our mountain community. A special thank you goes out to all the dedicated volunteers-Board members, handymen, archivists, docents, computer geeks, decorators and many

others who make this possible. Our volunteers are appreciated very much. Thank you all!

We are also most grateful to our generous donors: Carlette Anderson, Keith Brabazon, Barbara Cater, George Landt, Mary McBride, Albert Simonson and Elmer and Mary Ellen Werner for their recent cash donations and to G. Gage Skinner for the donation of beekeeping artifacts for the Alpine History Day Celebration.

Donations, both cash and artifacts, help us move forward toward our goal of establishing a permanent Heritage Park in Alpine. Picture our museums surrounded by grassy slopes with native flowers blooming in season. That is the dream of our Society—you can help make it your dream too! ■
